Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. —The Conference Secretary.

Symbols used *before* each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). *—No Record of Attendance at Annual Conference.

NOTE—Beginning in 1983, the service years listed with each person are “years under appointment” until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Conference Council Staff member assigned to the Board of Pensions. —The Conference Secretary.

BOARD OF ORDAINED MINISTRY

Report No. 1

The first year of the new quadrennium saw new members coming to the Board of Ordained Ministry. Much of the time this year has been spent in studying the new legislation to be sure that the Board of Ordained Ministry fulfills its responsibilities to the Annual Conference.

The Board of Ordained Ministry is divided into subcommittees in order to deal creatively with the specific responsibilities. Most of these committees have met with Southeastern Jurisdictional Committees to be trained and to discover resources to help implement our responsibilities.

The Board of Ordained Ministry works closely with the District Committees in receiving and processing the names of persons who are candidates for various levels of ministry. The Registrars for the Conference section and the local pastors section have done a commendable job in keeping accurate records on the fulfillment of the responsibilities of each candidate. All Board Members have been available for advice and counsel as persons make progress toward their goal in ministry.

Bishop Knox has expressed sincere interest in working more closely with the Board of Ordained Ministry. He and the Cabinet met with the Board in a special meeting to talk about specifics of the interviewing process. The Board is grateful to Bishop Knox and the Cabinet for their input and support.

We would like to urge churches to pay the full apportioned amount of the Ministerial Education Fund. This money is used to help with the education of both Ordained and Diaconal Ministers. The cost of Seminary education continues to increase and this fund is vital to helping with the cost of persons who will be serving in our Conference in the future. This Board covets the prayers of the people of this annual conference as we strive to fulfill our responsibilities in helping persons respond to God's call for ministry.

Report No. 3

GUIDELINES FOR SCHOLARSHIPS AND LOANS

A. Loans and grants are made to students who are preparing for membership in the Annual Conference.

1 All applicants must be related to a Charge Conference in the Alabama-West Florida Conference

2 All applicants must be enrolled in the candidacy program or be enrolled in seminary or graduate school working toward the Master of Divinity degree or its equivalent. No applica-

tion will be considered beyond the first year of seminary or graduate school without a Certificate of Candidacy for Ordained Ministry or Diaconal Ministry.

3. All applicants must maintain a "C" average to be eligible for additional loans the following year.

B. The Scholarships and Loan Committee may consider loans and grants in maximum amounts as follows:

1. Seminarian or graduate school student — \$1200.00 per school year.

2. Grants for the Course of Study School and Foundational Studies — \$300.00 per school year.

3. The Committee may exceed these limits in cases of extreme need or an emergency upon written request from the student and recommendation from his/her District Superintendent.

4. The maximum any applicant may receive for seminary or graduate school shall be \$4200.00.

C. Priorities:

1. Ministerial Education student loans.

2. Grants for Course of Study School and Foundational Studies.

3. Scholarships in Continuing Education.

D. No loans or grants will be made for training beyond the Master of Divinity degree or Master's degree in field of studies for Diaconal relationship. Any student enrolled in the Doctor of Ministry program in lieu of the Master of Divinity or Master for Diaconal program may choose to have his/her loan extended over 8 academic semesters (4 years) instead of the usual 6 semesters (3 years), provided that the total loan does not exceed the maximum \$4200.00.

E. Criteria for approving applications for loans:

1. The maximum scale adopted by our Conference Board of Ordained Ministry.

2. The recommendations of the seminary or graduate school and District Superintendent.

3. The resources available in the Ministerial Education Fund.

4. Applications for loans must be in the hands of our committee chairperson by August 1.

F. Repayment of loans. Loans may be repaid in one of these two methods:

1. Through giving one year of service (for each year of scholarship loan) in our Conference, under the appointment of the Bishop or under service appointments, after having met the requirements for full connection or consecration. Appointment as a student while studying for a professional degree beyond Master of Divinity degree, or as an intern working toward certification is not accepted as full service.

2. By repaying loan in cash or through regular payments of no less than \$200.00 per year plus 3% interest, should the applicant fail to meet the requirement of one year's service for each year of loan as a full member of the Alabama-West Florida Conference or as a consecrated Diaconal Minister. Applicants who transfer to other Annual Conferences before the requirement is met, must make arrangements for repaying their loans before the transfer — either by themselves, or by the Annual Conference to which they transfer. Payments by other Annual Conferences may be made in full, or at the rate of \$500 per year.

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry completes its ninth year and continues to be responsible for the diaconal ministers and those who have professional certification within our conference. This year there are 18 diaconal ministers, 17 certified Christian educators, and 10 certified church musicians that our board is responsible for. In addition we are working with 6 candidates for consecration as a diaconal minister and 4 candidates for certification. We are also working with over 10 persons who have expressed interest in consecration or certification, but who have not yet entered the candidacy program.

A brand new program of our board is the Mentor Program for diaconal ministers. Five diaconal ministers, (Rudy Heintzelman, Francine LeSchmidt, Blair Richards, Dottie Rogers, and Mark Stewart), have trained to serve as mentors or guiding-caring friends to all candidates for consecration. Each candidate will be assigned to a mentor and additional mentors will be trained. This program goes into effect at this session of the Annual Conference.

A Constitutional Amendment comes to this session of the Annual Conference from General Conference. This amendment would give a vote to diaconal ministers at Annual

Conference to the seat and voice they already have. Our board urges ratification of this amendment.

The board also encourages everyone to read the new guidelines as proposed for diaconal ministers in the *Discipline*, especially paragraph 315 which reads “The employing agency in which a full-time diaconal minister is serving shall provide:

- 1) Adequate salary, pension benefits, with an opportunity to participate in the United Methodist pension and benefits funds, health care insurance, and continuing education. It is expected that these will be guided by the Annual Conference standards for ordained elders.
- 2) Social Security benefits as required by federal legislation.”

You are reminded that the 1984 Session of Annual Conference adopted the following guidelines:

- 1. **SALARY:** To provide a starting salary for diaconal ministers that is no less than the minimum financial compensation of ordained elders (base salary, plus travel, utilities and housing).
- 2. **HEALTH CARE:** To provide a health care insurance plan for diaconal ministers equivalent to the conference health insurance plan.
- 3. **PENSION BENEFITS:** To provide a pension plan for diaconal ministers equivalent to the Cumulative Pension and Benefit Fund, a reserve pension plan for United Methodist lay employees.
- 4. **CONTINUING EDUCATION:** The employing agency shall provide annually adequate time and financial support for continuing education. It is also urged that the employing agency provide adequate sick leave and vacation time.

The board joins the Conference Board of Pensions to encourage all churches to provide pension benefits for all diaconal ministers and lay employees in the Cumulative Pension and Benefit Fund.

CONFERENCE BOARD OF LAITY

The Family Spiritual Enrichment Retreat sponsored by The Board of Laity is the highlight and major focus of the conference year.

Our speaker for this year was our own Bishop Lloyd Knox. His support for the activities through The Board of Laity is a shining example for every member of this great conference. May each of us follow his example.

The retreat is now scheduled annually for the second Friday and Saturday in April. Laity and Clergy, please keep this in mind as you plan your events.

We thank Bishop Joel McDavid for his inspiring message at the Annual Conference Laity Banquet.

Our goal individually should be to win one for Christ. We are commissioned to witness. The potential for harvest is abundant. We are expected to bring the harvest into the storehouse. God bless us in proportion to our service for His Kingdom.

John F. Sherrer, Sr., Conference Lay Leader

UNITED METHODIST WOMEN

1984 brought a climax to the "100th Birthday Celebration" of the United Methodist Women and its predecessors, as 524 United Methodist Women from across the Alabama-West Florida Conference gathered at Blue Lake Assembly Grounds, dressed in 1884 attire, for the 12th Annual Meeting in October. The theme "Committed to Mission Tomorrow — Building on Yesterday" gave pride in the organization and called the women to continue to move forward into the second century. Ruth Daugherty, immediate past-president of the Women's Division challenged the women to be optimistic about their commitment to tomorrow. Since we are influenced by today and yesterday, we must use all our common sense and have faith that tomorrow will be better than today for all the children of God.

The business conducted at the Annual Meeting included: (1) The election of a new president, Eloise McGucken, (2) The acceptance of a pledge to missions of \$161,847.00, (3) The presentation of a \$1,000.00 gift to missions, honoring the out-going president, Jane Weekley, for her four years of service to the organization, (5) A Scholarship to the 1985 Conference Cooperative School of Christian Mission awarded to Ellen Caldwell for having won "the best authentic attire from a local woman worn to the meeting."

Bishop J. Lloyd Knox was introduced to the Conference by President Jane Weekley. Bishop Knox thanked the United Methodist Women for their timely mission material, seminars, schools of Christian mission, and the studies brought to the local churches.

The Annual Love Offering was \$1,161.98 given as undesignated giving to missions. To implement the Purpose, "to know God," a Conference-wide Spiritual Enrichment Retreat was held in the spring and 265 women gathered under the theme, "Called To Be Peacemakers," and acted out their faith. Throughout the districts there were held "Day Apart" meetings or overnight retreats.

Expanding concepts of mission continues to be dominant in trying to fulfill the Purpose of United Methodist Women.

— Thirteen Conference Officers attended the South Atlantic Regional School of Christian Mission in Fayetteville, North Carolina. Ann Gordy served as Dean of the 1984 school. One Conference Officer was certified to teach in the Conference schools.

— 112 persons attended Jurisdiction Conference in Birmingham, Alabama. Sue Jones was nominated as a Director to the Women's Division, and, later at Southeastern Jurisdictional Conference, Sue Jones was elected to the Women's Division. Sarah Smith was installed as a member of the Committee on Nominations of the Southeastern Core Planning Group. Scholarships were given to Donna Patterson and Charlotte Nichols to attend the Jurisdictional Meeting in Birmingham, Alabama.

— Five persons attended New Officers Training Event in New York City, N.Y. in December; they were: Juanita Hester, Ruth Ann Powers, Nancy Risch, Lois Roberts, and Gayle Shults. Two persons attended the Committee on Nominations Workshop in Chicago, Illinois; they were Dorothy Jackson and Ida Gastinger.

— Four delegates were sent to the State World Federation of Methodist Women Meeting held in Birmingham, Alabama.

— In November 125 persons attended the Leadership Training Workshop at Blue Lake for District Officers led by Ordina Gonzalez. Present were the five new district presidents: O'Delle Williams, Evelyn Williams, Sarah Doyle, Lynn Hamric, and Kathryn Nell King.

— Five persons served as delegates/alternate delegates to General Conference in Baltimore, Maryland; Sue Jones, Monza Wilson, Annie Mae Turner, Vera Moore and Amanda Burton. The same five persons were delegates to Jurisdictional Conference in Lake Junaluska, North Carolina.

To act out our commitment as a Supportive Community as part of our Purpose, the organization gave scholarships. Donna Patterson and Charlotte Nichols were given scholarships to Jurisdiction Meeting in Birmingham, Ala. Through the Mary Hobby Scholarship the Conference awarded one full scholarship to Alecia Curtis (1984-85) to Scarritt College,

Nashville, Tenn., and two grants of \$500.00 each to Stacy Douglas and Jamie Helms to be used toward furthering their studies at Scarritt College, Nashville, Tenn.

The total giving to missions from all sources was \$205,050.60. It was indeed a year of celebration for the 11,054 members as we counted it a privilege to carry on the work and the Purpose of the United Methodist Women as we endeavored to act out our faith according to the Purpose through the many opportunities that presented themselves. The Purpose of the United Methodist Women shall be a community of women whose purpose is to know God and experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church. 1984 was truly a year of rich celebration as we endeavored to serve our Lord and Savior through the PURPOSE of the United Methodist Women.

Eloise H. McGucken, President

UNITED METHODIST MEN

United Methodist Men has had a great year in 1984. The year has seen the establishment of a council on Methodist men in that it has all nine district presidents in place. We have a work area chairman in all four work areas which are: prayer, scouting, moving members and extension of the local churches through missions.

The UMM retreat and resource workshop at Blue Lake was led by our own Rev. Roy Sublette, director of the Conference Council, and Mr. Jim Snead of the Board of Discipleship in Nashville. It was very well received and attended.

The conference has moved in chartered fellowships from 89 in October of 1983 to 123 in 1984 and approximately 2000 membership. Our goal by 1987 is 4000 membership and 300 fellowships.

The UMM in our conference is working on a goal of putting into effect an outreach program

which will establish a conference membership fee of a minimum of \$2.00 per member which is: \$.50 to go to the children's home in Selma, \$.50 to claimants, and \$1.00 to Blue Lake.

We give God the praise and glory for all our new increases and the work of our leaders in UMM.

Joe L. Garris, Sr.

CONFERENCE COUNCIL ON YOUTH MINISTRIES

The Conference Council on Youth Ministries (CCYM) is pleased to report an exciting year to the Annual Conference. We have continued to strengthen the five Christian ministries and opportunities of the youth of Alabama and West Florida.

The CCYM continues to support and promote the Youth Service Fund (YSF), the missional outreach program of United Methodist Youth. In 1984, the youth of this Conference met the YSF goal of \$10,000. Seven projects will benefit from their contributions. Among these are Henderson Settlement, Inner City Mission, Dumas Wesley and Ecumenical Ministries.

The CCYM continues to provide conference-wide events for fellowship and fun. There were many major events of 1984. United Methodist Day at Six Flags gave conference youth a full day of recreation and fellowship. At our annual Fall Rally held at Blue Lake, more than 2000 youth and adults came together to "Keep the Fire Burning" and to celebrate the 200th year of Methodism. The first Spring Fling Lock-in was a great success, and Spring Fling will remain a lock-in in the future.

The CCYM continues to provide opportunities for spiritual growth through retreats and camps. We are excited about the success of our new Youth Mission Camp, "Say Y.E.S." Youth that participated in this camp helped needy people in our own area.

The CCYM sent six representatives to the Southeastern Jurisdictional Youth Caucus. Among those representatives, Harrison Black was elected to the Steering Committee of the National Youth Ministries Organization (NYMO).

The CCYM would like to express a word of appreciation to Reverend Mike Roberts, our Conference Coordinator until the end of 1984, for his hard work with the youth of this conference. We welcome, Billy Roy, our new Coordinator, and look forward to working with him in the exciting years to come.

Eileen Knott, President CCYM

COUNCIL ON MINISTRIES

The Council on Ministries has experienced not only the beginning of a new quadrennium, but also many other dimensions of newness. A new Bishop has come with new emphasis and new dynamic leadership in many directions. One evidence of his unique emphasis and leadership is the creation of a new staff person to begin June 1, 1985, to be called "Bishop's Assistance for Spiritual Formation." This will be an area position and will be a joint venture with the North Alabama Conference. We have received this year a new executive director in the person of Rev. Roy Sublette. Roy has already demonstrated his capability for the task assuming the leadership of all administrative concerns in the Andalusia office. We have also placed on staff a new director of Youth Ministries, Mr. Bill Roy. In addition to these staff changes, we are in search for a person to work in the area of Ethnic Minority Local Church to begin January 1, 1986. With these new persons joining our other members of the Council on Ministries Staff, we feel that we now have the finest, professionally trained, dedicated, efficient staff that can be assembled to give support and guidance to the hundreds of Methodist Christians involved in the ministries of our Boards and Agencies.

Because of the impact of the above noted new dimensions and directions of the Council on Ministries, we have adopted as our theme for the entire quadrennium (1985-1988) "Third Century Visions — Faith in Our Future." It is felt that such a widely publicized slogan during the Capital Funds Campaign already has our attention and that it is broad enough to allow our conference boards and agencies as well as local churches to move progressively in the same direction under one banner.

The Committee on Research and Planning for the Conference Council on Ministries has singled out each year and suggested a sub-theme for each, with suggestions for annual

objectives which would help us achieve specific goals for each of the years as suggested by the sub-titles. These objectives with their yearly sub-themes are as follows:

1985 — A Year of Laying The Foundation for Ministry

Goals:

(1) The year has already been launched with a successful Capital Funds Campaign as planned and approved by the Alabama-West Florida Conference at its regular session in May of 1984. The goal of \$3,250,000 will provide \$1,500,000 for new church development and revitalization of selected established churches, \$1,250,000 for Blue Lake expansion, and \$500,000 for new homes and living units for retired ministers and their families.

(2) *Mobilization of Volunteers* — One of the great needs of local congregations is to develop skills in the enlistment, mobilization, training and management of volunteers. Highly trained and skilled professionals in this field will be brought to Blue Lake for a conference-wide training event, probably during the first week of May, 1986. Invitations for training in this area will be offered for both clergy and laity from both large and small membership churches.

(3) *Local Church Leadership Functions* — The Conference CCOM staff is presently developing a simplified job description for each person in a leadership position in the local church. The packet, which will contain one-page job "How-To-Do-Its" will be entitled, "Getting It Done in the Local Church" and should be ready for distribution by annual conference in May of 1985.

(4) *Conference Staff Responsibilities* — A brochure for general distribution will be developed by the CCOM staff, containing pictures, biographical information and staff responsibilities for each member of the CCOM staff. A one page leaflet, listing staff assignments, is already available from CCOM headquarters in Andalusia.

(5) Getting the "right" persons for the "right" job. The CCOM Research and Planning Committee and the Council on Ministries is charged with the responsibility of developing and providing materials for the fulfillment of goals, planned and initiated by the local church.

(6) *New Church Development* — With the new funds provided by the Capital Funds Campaign, the Conference Board of Missions, in cooperation with District Boards of Missions and Church Extension and District Superintendents, will seek to lay the groundwork for establishing several new churches within the bounds of our annual conference during the remaining part of 1985. This effort will include the establishment of new ethnic minority local churches in areas where such is feasible, as well as a program of revitalization among older churches that have potential for greater service.

(7) *A Conference Program Booklet* — will be developed for the promotion of the program of the annual conference by the Conference CCOM staff and distributed at each annual conference session under the title of each year's theme.

(8) *Development of Video Materials* — for the local church will provide help in program development and video communications for each congregation. Said materials will be provided by the Conference staff and United Methodist Communications.

(9) *Standing Committee on Long Range Planning and Accounting*. The responsibility for planning and developing goals and program for the future has been assigned to the CCOM Committee on Research and Planning, with the possibility of adding other persons of expertise to the committee in order to enable the group to achieve this objective.

(10) *The Ethnic Minority Local Church* is the one priority for the entire United Methodist Church. Goals and priorities have been established by the EMLC Committee, the Commission on Religion and Race, and the Search for New Ministries' Committee of the Conference Board of Missions in areas such as leadership and new church development, as well as the securing of an EMLC staff person for the CCOM staff and the initiation of special programs to aid EMLC congregations.

1986 — A Ministry of Personal Evangelism and Social Witness

Goals:

(1) *Personal Evangelism Training* — The Conference Board of Evangelism will develop plans and materials and set up seminars to specifically train local church laity in the area of personal evangelism, dealing with both organized local church efforts, as well as skills on how to make a Christian witness in the everyday world of United Methodist Christians.

(2) *"Each One Reach One"* is suggested as a theme for one such program and has been assigned to the Conference Boards of Evangelism and Worship.

(3) *Establish Measurable Goals In The Areas of Evangelism* — Membership increase goals and sufficient ways of reporting progress will be planned and developed by the Conference Board of Evangelism and facilitated by the DCOMs and District Superintendents.

(4) *Congregations Sponsoring New Congregations* — One emerging emphasis in the general church has been the entering of one or several churches in a mission effort to organize other new congregations — a method freely and successfully used by several other denominations. The Conference Board of Evangelism and Missions will be asked to develop step-by-step materials to instruct individuals and groups of churches in districts and other areas where this is feasible. Members of the CCOM will be trained and available to aid in this process.

(5) *Membership Evaluation and Revitalization* — Instead of older, established churches moving en-toto out to suburban areas and deserting inner city and other areas where a United Methodist ministry is still possible, needed, and necessary, a program of revitalization and redirection of ministry will be initiated in order to allow a congregation, or a portion thereof, to remain in the area and the means to maintain a viable ministry in the area will be made possible. Responsibility for this effort will be a joint undertaking by the Boards of Mission, Worship, and Evangelism.

(6) *Strengthening Social Values* — The Conference Board of Church and Society is requested, in a day when moral restraints and values seem to be collapsing, to develop materials, programs and workshops which will enable the church again to assume its valid role as the "conscience of a democratic society." Events such as the recent conference-wide seminar on "Issues and Answers" should be encouraged and developed further on the local levels to raise the consciousness of our people in addressing such issues as war and peace with justice, racism and genuine love and respect for all people, abortion, the nuclear arms race, ministry to and with the elderly, our responsibility in the voluntary sharing of our wealth and the world's resources with others, world hunger and other vital issues which are numerous.

(7) *A General Planning Session For All Boards and Agencies* — will be set up at Blue Lake's Oakwood Lodge in a simultaneous session, perhaps overnight, in January, 1986. The purpose of the joint meeting will be for inspiration, direction and the developing and sharing of plans under the 1987 yearly theme of "A Ministry of Education and Outreach." It is hoped and anticipated that such will become an annual event.

(8) *Clergy Income Tax Workshops* — will be set up in alternate years, 1986 and 1988, early in the year (January or February) to enable United Methodist clergy to stay abreast of the developing and changing income tax situation, so that they may be knowledgeable enough to fill out their own income tax forms, if they so desire, and, at the same time, take advantage of all viable income tax breaks available. Such workshops will deal specifically with what can and what cannot be done, record keeping requirements, valid deductions, etc.

In a briefer, more concise way, the remaining two years of the quadrennium will see the following objectives pursued:

1987 — A Ministry of Education and Outreach

Goals:

(1) *Sunday School Emphasis* — will emphasize strengthening and growth in the local church school program with added emphasis on outpost Sunday Schools. *Responsibility:* Conference Board of Education.

(2) *Computer Management Program* — an initial effort to link the district and conference officers in a computer system which will facilitate communications, reporting, recordkeeping, etc. *Responsibility:* Conference Council on Ministries — Recommended — a Task Force formed by the CCOM Committee on Research and Planning.

(3) *Clergy Staff-Supply and Demand Study*. A Clergy Management System — projection of retirements, need of ministers and staff persons for positions available. *Responsibility:* Conference Boards of Ordained Ministry and Diaconal Ministry, Bishop and District Superintendents.

(4) *Family Ministry Emphasis* — A venture in the development of a Christian family life-style, with special district and conference-wide events. *Responsibility:* Conference Board of Education.

(5) *Single Ministry Emphasis* — to address the needs of the local church in developing a ministry to and with the single adult of all ages. *Responsibility:* Conference Board of Education.

- (6) Marriage Enrichment Program. *Responsibility:* Conference Board of Education.
 (7) Expand Family Programs at Blue Lake. *Responsibility:* Conference Board of Education and Assembly Grounds Commission.

1988 — A Ministry of Spiritual Development and Missional Concerns

Goals:

- (1) Development of Stewardship Month Emphasis — Time, Talent and Treasure. *Responsibility:* Conference Commission on Stewardship — Boards of Evangelism, Education, Worship and Mission.
 (2) Emphasis on Total Involvement in the Ministry of Local Church. *Responsibility:* Conference Commission on Stewardship — Boards of Evangelism, Education, Worship and Mission.
 (3) Cost Factor/Benefit Analysis of Programs. *Responsibility:* Conference Council on Finance and Administration.
 (4) Systematize Reporting Procedures for all Local Churches — further development of linking local churches to central computer system through use of standardized software. Involve more local churches in the computer age. *Responsibility:* Conference Council on Ministries, Research and Planning Committee, Cabinet and Conference Council on Finance and Administration.
 (5) Clergy Income Tax Workshops. *Responsibility:* See 1986 Program.

A thousand thanks to those who “give of their best to the Master” through the work of the Council. The gifts of time and talents are considerable and on behalf of the Council on Ministries, we want to register a sincere word of appreciation.

Henry E. Roberts, Chairperson

BOARD OF MISSIONS

The Conference Board of Missions organized itself according to its committee lines at the beginning of this quadrennium. We have planned and dreamed for the four years ahead of us that our conference will grow in its support of World Service and Conference Benevolences — the life line of the church, and increase in our support of Advance Special offerings for causes which appeal to our churches. While we respect the right of all persons to give to the causes they choose, the Board feels that if we are to be a part of the United Methodist Church, then we *must* support the mission program of the United Methodist Church — and this means World Service. Certainly not all World Service funds go to the Board of Global Ministries, but the administrative and salary support of missionaries not underwritten by Advance Special Giving does come from here.

We appreciate and honor the churches at Niceville, and the Lime Springs Charge for their wonderful support of the Hunger Appeal for Africa. They, along with the many other churches of this Conference have given more than \$140,000 to this hunger appeal.

This fall, beginning November 17 in Demopolis and that evening in Selma, and then going each evening through Thursday in Montgomery, Andalusia, Troy and Dothan, we will have a series of MISSION RALLIES with The Rev. Dr. and Mrs. Raleigh Pickard as the speakers. The Series will continue on Sunday, November 24 in Mobile, that evening in Pensacola, and on Monday evening in the Marianna-Panama City District. Bishop Lloyd Knox will be with each of the RALLIES, as will the chairperson of the Board, and the Conference Missionary Secretary. This will be a great time of affirmation of missions in our conference.

THE COMMITTEE ON CHURCH EXTENSION

The Committee on Church Extension has during this year assisted the Daphne church with a loan for a parsonage, the St. Andrew Church in Pensacola with a loan for re-roofing, a loan to the Pleasant Grove Church in the Pensacola District for a parsonage, and grants to the Daphne Church, the Pleasant Grove Church, and the Heritage Church in the Dothan District. Ten Dollar Club asking was granted to Allen Memorial Church in the Pensacola District.

THE COMMITTEE ON URBAN WORK

The Committee on Urban Work recommended support for a Doctoral project being done by the Rev. Mr. Lawson Bryan of the Dexter Avenue Church in Montgomery which will seek to foster "reconciliation between the members of the Dexter Avenue Church and the residents of Downtown Montgomery." It is a project with conference-wide application, and will be watched, and made a part of the committee's work.

Ms. Boots Guthrie, Chairperson

THE COMMITTEE ON UNITED METHODIST VOLUNTEERS IN MISSION

During this year, five teams of volunteers went into Mexico, Costa Rica, and Jamaica to assist with buildings, and other projects on a short term basis. There are at least four more planned for later in this year. The Committee on UVMIM is working on a method to assist in reporting, and planning of work teams for visits to countries to assist in mission projects — whether these teams are made up of persons from districts, or local churches. We have done several "in-conference" work projects — notably at Little Zion Church in the Tensaw community in the Pensacola District.

Doug Newton, Ted Hoagland, Co-Chairpersons

THE COMMITTEE ON NEW MINISTRIES SEARCH

During the past twelve months, this committee has been engaged in several projects.

At the request of Bishop Knox, they met with the Committee on the Ethnic Minority Local Church, and the Commission on Religion and Race to discuss the Summer project at the Johnson Hill Church in Green County. They also met with representatives of the St. Paul Church in Union Springs to seek to develop a ministry there. They are now working with the District Superintendent of the Troy District, and Dr. Annie Mae Turner, a near neighbor to St. Paul, to assist this struggling church in its ministry to a burgeoning community. If you know of a project with which this committee can assist, please contact the chairperson.

John K. Dickinson, Chairperson

THE COMMITTEE ON PROMOTION AND CULTIVATION

The Committee on Promotion and Cultivation, which is made up of the District Secretaries of Mission, has worked diligently this year in developing the new promotional book, "Third Century Missions." It contains all of the projects which are recommended to the conference for Advance Special Giving. We hope that every church Commission on Missions will study it and plan to accept World Service in Full, and make an Advance Special gift in all of the areas so that they can receive the award as a THIRD CENTURY MISSION CHURCH. This means giving at least \$10 in each of the six areas — World Advance Specials, National Advance Specials, UMCOR Advance Specials, African Church Growth and Development Special, World Hunger Special Program, and Conference Advance Specials, and having some type of Mission Education Program in the local church. Any church — large or small — can do these things and make our Conference truly a "mission conference"!

Mrs. Ruth Ann Powers, Chairperson

TASK FORCE ON WORLD HUNGER

In addition to the above committees, our Board, along with the Board of Church and Society, contributes five members each to the Task Force on World Hunger. This Task Force will develop strategies for informing our people about how they can work in our world to eliminate world hunger.

Dr. J.S. Lock, Chairperson, Board of Missions

NOAH'S ARK

Panama City Beach Ministries of the Alabama-West Florida Conference, popularly known as NOAH'S ARK, is the outreaching arm of the churches of the Conference. Located at the center of Panama City Beach, these United Methodist arms reach out to thousands of vacationers in love, witness, and service each year. To accomplish its task the Ark functions in three different ways: (1) A beach retreat center for local church groups; (2) a Christian

witnessing center to vacationers and tourists; (3) a center for service, fellowship, witness, and worship for senior citizen winter residents in the beach area.

Noah's Ark has made more progress since report time last year. We have added two bathrooms to the small dorm. We now have facilities for accommodating four summer retreat groups simultaneously — groups of 40 to 60 in the large dorm; groups of 25 to 30 in the small dorms; groups of 35 to 40 in the motel rooms; and groups of 20 in the three bedroom house. Kitchens are available in all facilities so each group can cook for itself.

These facilities are available for scheduling by any church group who wishes to hold its summer retreat in a beach area. The months of April, May, September, and October are also ideal for retreats since the weather is balmy and tourists are at a minimum. Retreats are the major source of Noah's Ark income.

The three bedroom house was purchased primarily as an adult retreat house but will also be used as an overflow house for summer youth groups of 15 to 20. Purchasing this house was a step of faith and is the first time in Noah's Ark history that the ministry has been indebted. The eventual plan is for the house to be used as the Director's parsonage.

The motel rooms still need more renovating to make them attractive and there is always the need for maintenance for our facilities. Our facilities are now valued at approximately one million dollars and are utilized throughout the entire year.

The summer ministry continues to be very effective in witnessing to the summer tourists. The musical group "Two by Two" is a very effective witnessing group and Huntingdon College is to be commended for their assistance in comprising this group each year.

The winter ministry continues its purpose of meeting the needs of the retired winter visitors in every possible way. We are the center for the "Snowbird" activities seven days a week during the winter season. Approximately 600 people, as members of "Noah's Ark Snowbird Club," participated in our art and craft classes, woodworking shop, games, and other activities. Large numbers of winter visitors were checked at the Blood Pressure Clinics held twice monthly in our Fellowship hall. Each Sunday morning for our worship service the chapel is filled to overflowing. God has richly blessed thousands by the presence of Noah's Ark on the beach during the past year.

Mrs. Juanita Hester of the Millbrook United Methodist Church has produced a slide presentation and makes it available to the people of the Conference for information about Noah's Ark. Mrs. Hester's address is 605 Daffodil Ct., Millbrook, Alabama 36054.

The United Methodist Women continue to promote and support the Ark as one of their projects, for which we should all be thankful.

More and better promotion of Noah's Ark as a summer beach retreat for our Conference is much needed. The churches need to be better informed if they are to take advantage of the facilities which are provided for their use and participation. Ministers of the Conference, the Conference Council, and the Conference staff are called upon and urged to promote Noah's Ark as a Conference program.

Any church that is interested in a representative from Noah's Ark coming to their church to present an informative slide program of the Ark and its activities may call us at 904-234-6062, or write to Noah's Ark, P.O. Box 9376, Panama City Beach, Florida 32407.

Rev. James C. Rains, Executive Director, Noah's Ark

LAW ENFORCEMENT MINISTRIES

Law Enforcement Ministries started in 1969 by H. Paul Mathison, has grown to the point where it is being recognized as something unique in prison ministries, a Church-in-the-Jail. The Church-in-the-Jail performs and carries out the same activities as an "outside" church; except, of course, our parishioners are much easier to locate! Each week the Church-in-the-Jail has three Sunday Morning Services, with regular guest preachers, two Bible Study classes, a Christian Advocate class and a Christian Arts & Crafts class. Our chaplains counsel daily, run a weekly library service and do marriages, burials, baptisms, and sickbed visits. They coordinate guest appearances for Revivals, Gospel sings, Drama groups, and whole Church Choirs. Our volunteers have an active outreach to two other local Correctional Facilities and the County Hospital. One particularly effective activity is the Sunday Evening Visitation, where 20-40 members of local church community visit cell-side with the inmates. Their visits are usually in answer to requests from inmates who have attended one of the Church-in-the-Jail activities. These one-on-one communications, between an offender and a

concerned community member, often have far-reaching effects in terms of changed behavior and in establishing a church relationship on the outside. To staff the Church-in-the-Jail we have two full-time chaplains, three part-time chaplains and 25-30 regular volunteer workers. All of our chaplains and volunteer workers are deeply committed to that part of our Lord's admonition that says, "that which is done to the least is done to me." Matthew 25:31-40

LeRoy Greenlaw, Director, Law Enforcement Ministries

BOARD OF EVANGELISM

It is the conviction of the Board of Evangelism that if our Conference program of Evangelism is to succeed, the District Coordinators must be the vital link between the Jurisdiction, Conference, Districts, and the local churches.

The District Coordinators must be trained to function as equippers and enablers of Evangelism to the local churches. The Conference Board strongly encourages the nine District Coordinators to attend the Week of Evangelism at Lake Junaluska, July 28-August 2, 1985. The Coordinators who attend the training event can then conduct training events in their own Districts.

The Board has planned four District Workshops and Rallies on Evangelism for 1985-86. We will endeavor to cover the nine Districts with these four events. Two of the events will meet in small churches and two will meet in large churches.

The Board will plan and help the District Coordinators conduct an overnight planning meeting at Blue Lake for the purpose of preparing the District Coordinators to conduct Church Growth Workshops in each of the nine Districts.

The Board will work with the District Coordinators and the District Council on Ministries to facilitate the work and ministry of Evangelism in each of the Districts where their assistance is requested or needed.

We rejoice that the Alabama-West Florida Conference experienced a net gain in membership of 218 in 1984. 2,585 persons were added on Confession of Faith.

The Board will present the Southeastern Jurisdiction Evangelism Awards to the churches with the highest number of persons on Confession of Faith and the best ratio of persons won on Confession of Faith. We will also present the Denman Evangelism Awards for the minister and the layperson who best represent the spirit of Evangelism in the local church and community.

The Board of Evangelism recommends and affirms the ministries of the Lay Witness Mission, the We Care Mission, the Emmaus Walk and the Blue Lake United Christian Ashram.

The Board feels that the church must seek the conversion of men and women for Christ and struggle to create a world in which the hungry are fed and the oppressed are set free.

If United Methodism in Alabama-West Florida comes to a new understanding of that mission, it will happen in local churches that catch a vision of that mission from both their lay and ministerial leaders. This will make a decided difference in the future of our Conference.

Jerry M. Dooling, Chairperson

Larry D. Bennett, Secretary

THE EMMAUS WALK

The Emmaus Walk has now come to Blue Lake! The first men's weekend was held February 21-24 with thirty-five men to complete the program. March 21-24, fifty-two women attended. This was the fulfillment of a dream for many of our people who had experienced the Emmaus Walk at Camp Sumatanga in North Alabama who wanted to share the experience with persons in the Alabama-West Florida Conference.

The Walk to Emmaus is a beautiful spiritual formation event sponsored by the Upper Room for all of United Methodism. It is now held in forty-five Annual Conferences across the country. It is an intensive weekend of study, fellowship, singing and worship designed to promote personal spiritual renewal and leadership development for the local church.

We are deeply grateful for the guidance and leadership from North Alabama clergy and laity who continue to help us develop the program in our Conference. Bill Miles, who serves as Spiritual Director of the movement in North Alabama, and his staff have been of invaluable assistance. They continue to encourage us with their prayers and participation.

Future dates for 1985 are: Men's weekends, August 22-25, and November 14-17; and Women's weekends, September 5-8, and December 12-15. Further information is available from The Upper Room in Nashville, from Rev. Linwood Lewis, and from Rev. Jim Love.

THE BOARD OF EDUCATION

The members of the Board of Education, especially the chairpersons of the committees, deserve our deepest appreciation for setting the goals, fulfilling the purposes, and doing the work of the educational program of the conference. And the conference staff has been most cooperative in meeting its responsibilities to the board. Under the leadership of the conference program staff, the program of education has made strides which would make any conference proud. The work of the Board of Education has been fulfilling and challenging, and it has been a delightful means of service to the Church during these last four years.

Linwood A. Lewis, Chairperson

The Camping Committee program continues to be a very exciting and successful arm of the Board of Education. The Camping season of 1984 involved 1,719 campers and counselors. This figure includes both regular and specialty camps. The Camping Program provides a great ministry for children, youth, and adults in our Conference. The camps are well-planned with the major concern being the development of spiritually sound children, youth, and adults in the beautiful setting of Blue Lake.

The Camping Committee met in August and heard one success story after another from the camps held in 1984. These camps touch a variety of needs, from confirmation to missions, from the disadvantaged to those who are looking simply for encouragement. Our programs enrich so many lives.

The Annual Conference delegates can help in three very special ways in 1985. First, if each delegate will study the Program Calendar of the Conference and the registration form from the various camps so they know what camps are being held; second, if they can identify the needs of the churches and third, if each delegate will encourage the people in their communities back home to participate in the camps, we will all be helped.

One of the greatest beliefs of our faith is that we are concerned with the giving of our gifts after the example of our Lord. Seeing to the operation of these camps is never simple. It takes much time from many people and financial contributions and spiritual support from each church in our Conference. Please remember the work of the Blue Lake Camping and all who participate, be they children, youth, or adults, are richer for their experiences.

The Children's Committee looks forward to providing training experiences which address the spiritual growth of children and the pressures of daily living as experienced by children.

The Committee addressed several areas of concern for 1984-1985:

1) To explore alternatives for ministry with children, the Children's Committee sponsored a workshop entitled *Summertime Ministry With Children*. Under the leadership of Dottie Rogers, Cecile Beam, our keynote speaker from the Board of Discipleship, with outstanding leadership from our conference provided ideas for ministry in eight areas: Outdoor Education, Intergenerational VCS, Early Methodist Celebration — Alternative to VCS, Enrichment Program, Day Camping, Sunday School Specials, Conversation and questions with Cecile Beam, Who Me, Teach VCS.

2) During the Parenting Weekend, "Sounds of Love," Dr. Charles Britt shared the *Traits of a Healthy Family: Wholesome Family Relationships and Christian Parenting through Love and Faith*. The Parenting weekend included Children's activities concurrent with the adult theme. The Committee is grateful to Francine LeSchmidt for her leadership in this event.

3) Confirmation Celebration was a great success. It is a time when the Committee encourages all children and youth confirmed into the churches of our conference to share in a one day celebration of this very important time in his or her life. Due to cost, the Children's Committee plans to sponsor Confirmation Celebration every two years. The next event is scheduled for 1986.

4) Due to the success of Camp Quarter Note, it moved to Oakwood last year with one hundred participants. The Committee has another one planned for 1985.

As the Children's Committee looks to the future, it encourages all District Children's coordinators and others who are interested in children's ministry to attend the National Conference of Ministry in Nashville July 29-August 2, 1985.

Secondly, to support children's coordinators and others who work with children, the Committee is in the process of developing a resource book for local church children's coordinators, and the resource book will include a list of resource people in children's ministry.

Thirdly, to help parents and children with their spiritual growth and the environment in which they live, several ideas are in the planning stage: Step-Parenting, a follow up of Focus '85, Ministering to children of divorced partners, Ministering to children of physical abuse and a children's lab school.

The Sunday School Committee is pleased to report on the success of the fourth annual Sunday School Weekend, held at Blue Lake, September 21-22, 1984. The Committee is pleased with the enthusiastic response of the 280 persons attending this training opportunity. We are happy to report that we had an increase in the number of persons attending who had never been to Blue Lake. Their evaluations were very positive and we feel that the fifth annual Sunday School Weekend will again show an increased attendance. Sunday School Weekend 1985 has been set for September 20-21, with the theme "Evangelism in the Sunday School." We have a class planned for pastors which will be taught by Bishop Knox. This Committee works about two years ahead to cause a successful Sunday School Weekend to happen. We will continue to recruit the most capable leadership available and to plan workshops that will meet the variety of needs of the local church. This Committee will be sponsoring a Sunday School Growth and Renewal Workshop to be held in April, 1986 at Blue Lake. The Staff Leadership will be from the Board of Discipleship in Nashville. The exact date will be finalized soon.

It is our recommendation that Christian Education Sunday continue to be observed on the fourth Sunday in September. The local churches are encouraged to emphasize the importance of Christian Education and to express to teachers and leaders appreciation for their gifts of extra time, special talent, and understanding love.

The Older Adult Ministries Committee. Realizing that due to better health care and God's grace, the life expectancy of persons is growing longer, we encourage every local United Methodist Church in the Alabama-West Florida Conference to place great emphasis upon ministry to and with older adults in their parish. Suggestions and/or requests for aid in development of such ministries can be sent to Conference headquarters in Andalusia for referral to the Committee on Older Adult Ministries.

The highlight of the year was Older Adult Assembly at Blue Lake, May 13-16, 1985. The inspirational speaker was Reverend Joe Neal Blair, Associate pastor of the First United Methodist Church, Prattville, Alabama. The theme for this year's Assembly was: "Claiming Your Freedom." The Reverend Syd Lock, pastor of First United Methodist Church, Fort Walton Beach, Florida, was our banquet speaker. We encourage every local church to see that older adults from your church have an opportunity to attend this Assembly which is held each year, beginning on the Monday after Mother's Day and concluding with lunch on Thursday.

This past October we did not have our annual trip, but plans are underway to go to Lake Junaluska Assembly either on October 15-18 or October 22-25, 1985 for the FALL FLING. The choice of dates will be finalized in a few days. Encourage people from your church to attend.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1

Education and ministry to students have always had a high priority with people called "Methodist." From John Wesley to Francis Asbury, to the founders of Huntingdon College and Birmingham-Southern College, to the establishments of Wesley Foundations, the tradition goes on. The Board of Higher Education and Campus Ministry is proud to serve the

Alabama-West Florida Conference to foster quality education and student development in a Christian Community of learning and fellowship.

The BHECM met three times during this conference year. The first meeting was in October for the purpose of receiving reports from all the Wesley Units and to establish the percentages for the distribution of the Wesley Foundation Funds. It was during this meeting that goals were proposed for the quadrennium. The second meeting was in January. Fall reports were received from Birmingham-Southern College and Huntingdon College. The 1986 budget requests were received from the Wesley Foundations. The third meeting was held in March to consider Trustees and Board of Directors nominations. Many other pertinent issues were dealt with in each of these meetings. Foremost was the establishment of the structure of the Board. The Board will function with three committees: Higher Education (our colleges), Campus Ministry (our Wesley Units), and Special Funds. Four primary goals were adopted: (1) Provide training and motivation for District Directors and local Church Representatives; (2) Promote Higher Education and Wesley Foundation Funds for 10% increase; (3) Assist colleges in recruitment; (4) Thoroughly inform local churches about Birmingham-Southern College, Huntingdon College and each of the Wesley Units. The BHECM is working with the BHECM of North Alabama Conference for a joint training event for August or September.

Report No. 2

APPORTIONMENTS

The 1984 Annual Conference approved a plan of support for Huntingdon College and Birmingham-Southern College for the years 1985, 1986, 1987 with the amount to remain fixed. (See Journal 1984, p. 252, Report No. 3). Below is a composite report of the askings and receipts since 1981. Attention is called to the steady increase each year.

	Wesley Foundation Fund		Huntingdon/ Birmingham-Southern		Student Aid	
	Askings	Receipts	Askings	Receipts	Askings	Receipts
1982	75,000	54,859	354,051	227,129	not in budget	
1983	90,000	62,862	357,308	216,288	80,000	49,491
1984	90,000	63,971	358,578	219,182	80,000	52,794

The percentages for the distribution of the Wesley Foundation Funds to the Wesley Units are as follows: 51.5% Auburn, 9.5% Livingston, .6% Marion, 13.4% South Alabama, 24.5% Troy. The remaining .5% is held in escrow for grants.

Other special funds receive our endorsement and promotion. These are the Black College Fund, the Hispanic, Asian, Native American Fund, Ministerial Education Fund and United Methodist Student Day. Our churches contributed \$236,905 to these funds during 1984. Our Board participates in the Conference Merit Scholarship Program. United Methodist students attending a United Methodist College are eligible for these scholarships.

EDUCATIONAL MINISTRIES WITH THE CHURCH

HUNTINGDON COLLEGE

Highlights of continuing education programs of Huntingdon College Educational Ministries With the Church include the following completed and/or projected events:

School of Laity

Since its beginning in the spring of 1980, the School of Laity has experienced continued growth with the largest enrollment to date (205) for the current school year. This is a significant increase in the participation of laity seeking a deeper knowledge and understanding of the Bible. A total of 817 laypeople have enrolled in these 16 hour courses with 698 completing requirements for credit.

BIBLE STUDIES FOR ADULTS: Responding to requests for more in-depth study of the Bible, a new series of six courses was designed including three courses in the Old Testament (The Drama of Creation and Redemption, The Kingdom and the Prophets, From Catastrophe to New Hope) and three New Testament courses (The Good News of Jesus Christ; Paul, the Missionary and the Spread of the Gospel; and, The Development of the Church).

SPIRITUALLY SPEAKING — A LAY SPEAKER TRAINING CERTIFICATION COURSE. Co-sponsored by Huntingdon College and the Montgomery District of the United Methodist Church, this course has been taught concurrently in Montgomery and in Auburn under the leadership of Dr. John Van Valkenburg of Montevallo University with Dr. Roger Dick Johns assisting in teaching. Forty-six persons attended the sessions for personal enrichment as well as for Lay Speaker certification or re-certification.

Continuing Education Events

CHRISTIAN STORYTELLING EVENT: "Expressing Our Faith Through the Art of Christian Storytelling" was the theme of a workshop held at Huntingdon on April 20. Taught by Sarah Jane Tackett of Birmingham, the workshop concentrated on expressing faith through the stories in the Old and New Testaments of the Holy Bible, stories found in Church History and the modern church, and personal stories of what God is doing in our lives today.

SECOND BIBLE ALIVE SEMINAR PLANNED FOR 1986: The "Bible Alive Seminar" led by Dr. Jim Fleming of the Jerusalem Center for Biblical Studies held in August received an

enthusiastic response and positive evaluation by the more than 500 persons who attended one or more of the three days of classes.

The Bible Alive Seminar II is planned for August, 1986 when Dr. Fleming is scheduled to return to Huntingdon. The seminar will include both Old Testament and New Testament study.

TEACHER TRAINING AND DEVELOPMENT EVENT: We are currently in consultation with Dr. Roy Ryan of the General Board of Discipleship, The United Methodist Church, and program staffpersons of our Alabama-West Florida Conference Council on Ministries in planning a second Teacher Training and Development Event for training teachers (district level) of teachers in the Sunday School (local church) in understanding and use of the Bible in teaching. Detailed plans will be announced.

CELEBRATING PASTORAL MINISTRY — RENEWAL OF A COVENANT: This one-day event was held in cooperation with the Birmingham Area Board of Pastoral Care and Counseling. Bishop J. Lloyd Knox, Resident Bishop, Alabama-West Florida Conference; Bishop Emerson Colaw, Resident Bishop, Minnesota Area, The United Methodist Church; and Dr. Ralph K. Bates were the featured speakers under the leadership of Rev. Charles Alexander, Executive Director, Birmingham Area Pastoral Care and Counseling. One hundred forty-four, (144), clergy and spouses participated in this event.

DOCTOR OF MINISTRY DEGREE PROGRAM: This degree program of Candler School of Theology, Emory University, hosted on Huntingdon College Campus was completed this year with Dr. Walter Lowe of the Candler faculty teaching the required course. Ministers enrolled in the program from Alabama, Tennessee, Mississippi and Florida are completing final requirements on the Candler School of Theology campus.

Institute of Religious Drama

In the fall, the Pulpit Players performed for the Montgomery Museum of Fine Arts in their featured series, "A Conference of Religious Arts." The Pulpit Players are currently concentrating on enlarging their repertoire of Christian drama.

In response to requests from local church groups for assistance in creating and/or strengthening local church drama for education and worship, the Institute has engaged a professional Christian drama group to come to our area for this purpose.

CHRISTIAN DRAMA WORKSHOP: After Dinner Players, a Christian Drama group from Houston, Texas, will come to Huntingdon June 7-9, 1985, to conduct this Christian Drama Workshop. A professional theater company of gifted performers, the Players share a commitment to Christ and to craftsmanship through the performing arts. Since 1967, the A.D. Players have been offering their fresh, dynamic presentations illustrating Bible truths in every day life as they have performed throughout the United States, Europe, and Canada.

BOARD OF CHURCH AND SOCIETY

Report No. 1

As the Board of Church and Society for the new quadrennium makes its first report to the annual conference, it reaffirms the commitment of the previous quadrennium's Board to seek the application of the total gospel to the lives of men and women and children, all of whom are Christ's brothers and sisters, for whom he died, for whom he rose from the dead, and over whom he reigns as Lord. The present members of the Board believe, like its predecessors on the Board, the Christians must faithfully demonstrate to all persons that the reconciliation which was effected through Jesus Christ involves personal, social, and civic righteousness. The Board members are fast learning that such a theological orientation makes great demands upon its adherents, and is in earnest prayer that it shall not fail to shoulder those demands in a spirit of responsible discipleship.

The Board first convened on September 14, 1984, and spent two days seeking a direction for the years ahead. After much consideration, it became the consensus that its first efforts ought to be toward linking the Board members with the thoughts and needs of local church members. It felt that it would then be in a better position to offer some constructive ways people might approach some of the concerns they had raised.

To pursue that goal, district workshops were set up throughout the conference. In some districts, the workshops were part of a general day set aside for all boards and agencies to be

represented. In other districts, the workshops were independently scheduled. The participants from local churches were asked what they felt were key issues of the day, how they viewed the area of Church and Society, and how they and their churches could best be helped. The responses were very revealing and useful to the board.

A conference-wide weekend at Blue Lake was set up to expose any who would attend, to the overall thrust of the work of the conference Board, and to offer specific helps in confronting issues which the District workshops had shown to be of highest interest among local church people. This event had for its theme "Our Church At Work: Issues and Answers." It was held May 10-11, 1985, and so was beyond the deadline for the submission of this report. The highlights of this event will be presented to the annual conference when the Board's report is given.

Three other major concerns have drawn the attention of the Board in this first part of its 4-year term. First, it has accepted an invitation from the Board of Missions to form with them a Task Force on Hunger, which will become a group with its own officers and agenda. It has supplied five of its Board members for the Task Force and the Board of Missions has supplied five of its members. The Board of Church and Society will help fund the Task Force and support it in any way it can. May it stir the conscience of this conference on this explosive issue.

Secondly, the Board of Church and Society has been concerned with seeking an increased level of funding through the conference budget. It has been woefully low in past years. It made a sincere appeal to have funding significantly raised for 1986 and, if the conference approves the recommendation of the CFA, this will be done. The Board is grateful, and it hopes this signifies a healthy trend for the future.

Thirdly, the Board has attempted to increase the involvement in and support for the Cooperative School of Christian Mission by its members. It is a co-sponsor of the School, along with the United Methodist Women and the Board of Missions. It has always had a good representation at every level of planning and work. But often the overall attendance of Board Members at the school has been slack. The members of the Board covenanted together in January to have every Board member present at one of the sessions of the 1985 School (August 6-9 and August 9-11). Follow-up efforts to make good on this pledge have been undertaken.

The emphasis for the next year, and the next three years, of the Board is in the process of emerging in the aftermath of this year's contact with local churches and the May weekend. As it assesses the results of this attempt to relate the Board to the lives of those it serves in this conference, it is its conviction that it must somehow both honor the input from the people of the conference and keep faith with its own sense of what it is God would have it lay upon the heart of His church. If the Board of Church and Society does that, it should be able to fashion an agenda which will be both responsive and responsible. To that end the Board members devote themselves in the months ahead.

Report No. 2

The Board of Church and Society presented a weekend workshop on May 10-11, 1985 at Blue Lake, open to all. It was entitled, "Our Church at Work: Issues and Answers." The Board spent eight months in planning this event and secured able leadership for it. Dr. James Logan, Professor of Systematic Theology at Wesley Seminary in Washington, D.C., was to keynote the weekend on Friday night, but he severely broke his shoulder in two places just days before the weekend and was immobilized. Under doctor's orders, he canceled his entire schedule for six weeks. Unfortunately, we were victimized by this.

However, a fine videotape on the Social Principles, featuring Bishop James Thomas of East Ohio, was presented and well received. This was followed by a panel discussion led by General Board of Church and Society staff persons from Washington and members of our conference Board. There was good feedback from the audience on this. It challenged us to better understand the spirit, as well as the letter, of United Methodist policy statements on key issues.

Saturday morning, all divided into classes to deal with specific matters: Hunger, led by Foy Campbell; Peacemaking, led by Mary McMillan and Jan Hulbert; Aging, led by Cassandra Johnson of the General Board; and Ethical Choices, led by Carolyn Minus of the General

Board. This gave participants a chance to experience grappling with the details of an issue and trying to come up with insights and help for decision-making and action.

There was a session on Saturday afternoon on applying issue concerns to the local churches. Carolyn Minus led this. She helped us see how we could help our local churches and communities deal with issues in a responsible way as Christian people. Then, we held a closing worship celebration which expanded our view of involvement to include the entire world, all of God's children.

The total attendance was about 40 people, which made this the largest gathering sponsored by the Board of Church and Society in many years. The participants were well balanced between clergy and laity, and they came from every district in the conference. According to evaluation forms they filled out, it seems as though this was an impressive and valuable experience for many. We are encouraged by the response and believe that such efforts can be repeated in the future to good advantage.

We take this chance to commend two things to all churches in the conference, both immediately ahead. One is the observance of World Order Sunday and the collection of a special offering on that day for Peace with Justice work. Half of the offering goes to the General Board of Church and Society, half stays in the conference to be used by our Board for peace work. Any church which has not already observed this day is urged to use July 7 because of its proximity to July 4th. The other matter is the Bishop's Peace Initiative Conference, which is to be at Huntingdon College on June 15. More information on this is available at our Church and Society display table at this annual conference, as well as in the May 31st *Advocate* edition. Our Board fully endorses this.

Spencer Turnipseed, Chairperson

COMMISSION ON RELIGION AND RACE

The church of Jesus Christ exists in and for the world. It is primarily at the level of the local church that the church encounters the world. The local church is a strange base from which Christians move out to the structures of society.

It is the function of the local church to minister to the needs of the persons in the communities where the church is located, to provide appropriate training and nurture of all age groups, cultural groups, racial groups, ethnic groups and groups with handicapping conditions as minimal expectations of an authentic church. (1984 *Discipline*: Par. 202)

It has been said that the closer one comes to the local church, the more difficult it is to find racial and ethnic inclusiveness. It does not have to be the case. It is clear that many church members do not wish to change traditional social and religious patterns. It is equally true that those who have worked long and hard for an inclusive church feel that their good intentions are not appreciated and feel unwanted or rejected. Perhaps you saw the cartoon that pictured two women talking, one white, the other black. One said to the other, "It's not that you are moving too fast; it's that you are moving too close."

"While racism remains a persistent phenomenon in society and church, it can and is being confronted throughout the denomination. However, it is still a truism that the closer one gets to the local church, the clearer are the evidences of racism." (page 1, report of General Commission on Religion and Race to the 1984 General Conference)

The SEJ Task Force on Religion and Race reporting to the 1984 Jurisdictional Conference named Alabama-West Florida as one of those Conferences that does not and has never had a district superintendent who is an ethnic minority member of our conference. The report also points out that we have no ethnic minority staff person. It was further stated that among those chairpersons of committees and commissions there are few if any from the ethnic minority membership. (Daily Christian Advocate, July 17, 1984, page 5)

The Commission is indebted to Dr. Gilbert Caldwell of the Federal Commission on Religion and Race for an inspirational and informative training event held at Blue Lake, August 24-25, 1984. Using the *Discipline* and the Bible, Dr. Caldwell challenged us to sensitize the conference to new strategies of opportunities and responsibilities that belong to each one of us.

Several commission members attended a Joint Meeting of the Board of The Ethnic Minority Local Church Committee, The Commission on Religion and Race and The New Ministries Search Committee of the Board of Missions chaired by Dr. Roy Sublette. Under his able leadership a list of priorities was established. It was recognized that new strategies of creativity

are essential. A cooperative spirit prevailed and it is our prayer that it may spread throughout the agencies of our conference.

I attended the SEJ Training on Religion and Race at Lake Junaluska the first week of December 1984. Members of the General Commission gave us significant leadership further expanding my understanding of the awesome task that is before the conference commission and for every local church. Discussions focused on three (3) major areas of activity: Advocacy, Monitoring and Programming.

Reports made to the General and Jurisdictional Conferences by Religion and Race Task Forces represent considerable work, sweat and tears by those that have been moving against insurmountable odds. The General Conference appropriately placed strong emphasis on the legislation establishing the responsibilities of the Annual Conference Commission on Religion and Race. These documents are only verbal expressions of nothingness unless they are personalized into activity by the particular agency to which they are directed. We encourage every member of this Annual Conference to study carefully the 1984 *Discipline*, paragraph 739, pages 375-378. The Commission will endeavor to fulfill every word of these pages and we plead for your support and cooperation.

The Commission has an uphill struggle if it fulfills all the responsibilities laid out in the *Discipline*. Paragraph 739.3 lists 14 avenues of programing, examining, working with, consulting, serving, coordinating, providing, reviewing and evaluating the steps taken by the Annual Conference to insure ethnic minority inclusiveness at all levels. Problems that plague us will not go away without concerted effort on the part of all of us. We are planning significant programs to be presented in the near future and challenge you to grasp every opportunity to eliminate the barriers that are called racism. Section 3.c says that the commission should "work with Annual Conference boards and agencies as they seek to develop programs and policies of racial inclusiveness."

ADVOCATE

Recruitment

The Report of The Jurisdictional Task Force on Religion and Race pointed a critical finger at The Alabama-West Florida Conference as not having any ethnic minority representatives on the Cabinet, Conference Staff or leadership positions of Boards and Agencies. Perhaps this was unfair considering the limited number of ethnic members of Annual Conference. Only a small number of the ethnic Churches are salaried at the level from which selection for these positions comes. Unless there is an increase in the upper level of appointments available for ethnic ministers, I fear it will be a long time before we will be free from criticism.

We encourage Bishop Knox, the District Superintendents and the Large Membership churches in the urban area to consider:

Establish an associate minister position with primary responsibilities of creating ministry to and with the ethnic community. This could open avenues that could result in new churches being organized. This would add new meaning to the process of recruitment in our Conference.

With some imagination we should be able to name benefits from such positions.

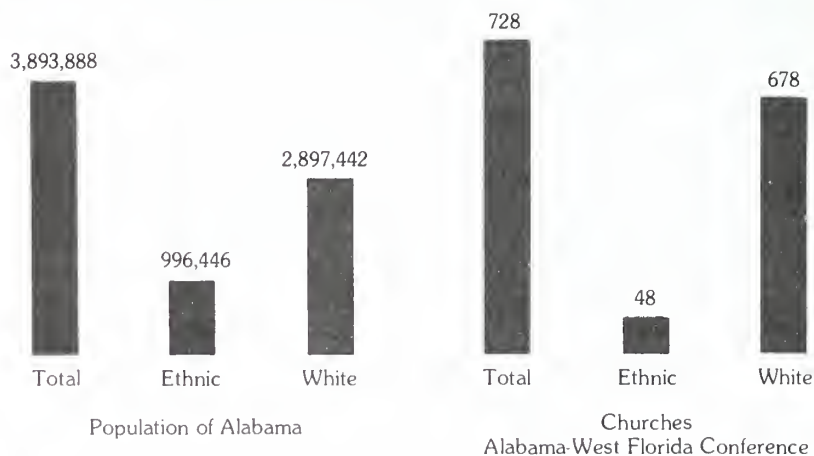

Missions

The Board of Missions has led the conference in World Wide Missions that attract great attention and response. Achieving recognition in reaching the FOUR LANES PLUS TWO goal is an effective vehicle that continues to increase our giving to Missions. Perhaps another LANE could be added to the FOUR making it FIVE LANES PLUS TWO. Designate the fifth lane as LOCAL MISSIONS. It is assumed that every local church is aware of local needs and will automatically respond to those needs. This is not necessarily so in all situations. Under excellent leadership through the Board of Missions, perhaps a Task Force on Local Missions could be established to give leadership in this area. 730 (16) Responsibilities of Annual Conference Board of Global Ministries; Page 350, "To envision and engage in imaginative new forms of Missions appropriate to changing needs and to share the results of experimentation."

Church Extension

There are forty-eight ethnic churches in the Alabama-West Florida Conference: Andalusia District, 4; Dothan District, 0; Mobile District, 3; Pensacola District, 3; Troy District, 3; Demopolis District, 22; Marianna-Panama City District, 0; Montgomery District, 12; Selma District, 1.

With the new church development emphasis in the capital fund drive efforts should be increased to develop new congregations in ethnic communities throughout the conference. The district listings above may give indications where to begin these efforts.

Evangelism

Racism has been cussed and discussed as being a political or social issue. Isn't it time we acknowledge that Racism is a theological issue for racism denies so many of the Biblical truths. Therefore, racism is sin and will plague us until we begin at confession. The Board of Evangelism can give us guidance.

Local Church

The commission encourages every local church to establish intentional Ministries to and with the ethnic minority community. Establish ministries that will meet the need of the people. Every community has the poor, the uneducated, those without skills, those that are beaten and battered by society that has passed them by. Too often we are judges rather than understanders and friends.

We request that you be creative in celebrating Merger, Black History, acknowledge achievements by ethnic minority individuals within the area, etc.

Our conference apportionments are important and we encourage full acceptance and payment of every item. Often those who need us most are the ones we deny.

MONITORING

Plans are being developed for questionnaires to be distributed early in 1986 for the purpose of evaluating the programs and actions of the boards and agencies to determine if the policies are consistent with the meaning of inclusiveness.

739.3 "The Annual Conference commission will assume responsibility for such matters as:

b) Examining ethnic minority representation on all of the conference boards, agencies, commissions and committees as well as the governing boards of related institutions. After such an examination, appropriate recommendations for total inclusiveness shall be made to the Annual conference."

m) "Evaluating the efforts of merger and making appropriate recommendations to the Annual Conference."

n) "Reviewing the Annual Conference practices of employment of Annual Conference programs, business and administration and office personnel and reporting and recommending to the Annual Conference steps to be taken to actualize racial and ethnic minority inclusiveness; reviewing the Annual Conference related institutions such as colleges, hospitals, homes for the aged, child-care agencies, etc., concerning their practice of racial and ethnic minority inclusiveness in clientele and employment and reporting to Annual Conference session."

PROGRAM

We know that everybody is just holding their breath until they hear the exciting plans for programs we have laid out for the near future. Events held by the Commission on Religion and Race do not generate top priority in most of your scheduling. Thank goodness that is going to change.

Committees and Task Forces are being organized to plan and present several positive events that meet the needs of people, such as:

- 1) Workshops in each district on Careers and Employment
- 2) Missions to local areas
- 3) Stewardship in the ethnic church
- 4) Celebrate Merger; success and failure
- 5) Celebrate Black History; Martin Luther King's Birthday; Identify injustices
- 6) Evangelism leading toward new church organization
- 7) Establish a Talent Bank from throughout the conference so that on-going training up-dates skills and abilities for those who seek it
- 8) Gather data on injustices that inflict pain and suffering
- 9) Recruitment of ministers and lay workers who are willing to be identified as Risk-Takers for the sake of Our Lord and His Church
- 10) Power-sharing
- 11) Intentional ministries *to* and *with* the ethnic minority community that is close by every local church in our conference.

SUMMARY

The commission will endeavor to fulfill the mandate given to us by General Conference. We sincerely seek your fullest participation with us. Statements have been made that significant growth in membership will come only through new church development. This may be, but it appears to us that a tremendous opportunity is at all of church's doors. We can put aside old fears and prejudices for the Gospel of Jesus Christ requires it and the Church is moving ahead as agents of reconciliation.

Curtis S. Ford

ETHNIC MINORITY LOCAL CHURCH COMMITTEE

The EMLC Committee has met several times during the Conference Year attempting to study guidelines, formulate goals and priorities, consider applications for funding and implementing plans to make a study of local churches and institutions within the conference that are potential worthy recipients of EMLC support. The process has, of necessity, been relatively slow but considerable progress has been made. Some grants have been awarded. A standard procedure for submitting applications has been instituted and all ethnic minority local churches have been notified and furnished with application forms. A meeting was held at Toulminville-Warren Street United Methodist Church on April 25th to review all applications received through April 20, 1985.

We feel that we are now prepared to be more effective in applying ourselves to our incumbent responsibilities during the remaining years of the 1984-1988 Quadrennium. Plans are being made for a Conference Committee to attend a special training event sponsored by the General Church during September, 1985. The committee solicits the prayers and support of all members of our conference in our effort to achieve success.

Richard Walker, Jr., Chairperson

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

The United Methodist Church is very much involved in the health care concerns and the well being of people all across the world. Genuine concern for human health and welfare, shown at its best in unselfish service, is freedom's best safeguard. So strong was this concern among early Methodists that John Wesley gave his motto of service: "Do all the good you can,

by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you live.”

When we render acts of service in His Name, we are ministering in the Master’s stead — “Inasmuch as you have done it unto one of the least of these my brethren, you have done it unto me.”

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring for all persons. This caring concern is in part reflected by the reports of the United Methodist Children’s Home, the Methodist Homes for the Aging, and Golden Cross, that follow in this report.

For a long time in the church we have had intentional ministries for children, youth, young adults and, more recently, families. We have not had such a ministry for older adults on the assumption they were covered under the heading of adult or family ministries. It appears that we need to develop one.

For the first time in human history many of us will live out much of our life span into old age. We have never been confronted with so many older people who represent such a large proportion of our society and church membership. We need to find and lift up adequate role models for these later years.

Never have older people been so well equipped to make a significant contribution to society and to participate in ministry. For although we are living longer, older people are often healthier, better trained, more broadly experienced, and more active than any other generation of the elderly in any society.

Due to the growing older adult population in our geographic area, our Annual Conference should “address” this intentional ministry with caring concern.

Please read carefully the report on Golden Cross noting the number of persons served and the procedure for applying for financial help from the fund.

GOLDEN CROSS SUNDAY IN OUR ANNUAL CONFERENCE WILL BE OBSERVED ON SEPTEMBER 8, 1985, THE SUNDAY AFTER LABOR DAY. Please encourage your pastor to observe that day with a special offering.

All United Methodists have a share in the free care given by Health and Welfare agencies of the United Methodist Church around the world, which is five (5) times more than the annual budget of World Service and that amounts to several million dollars.

An intentional caring and sharing ministry for all persons should be the goal of every local church, as well as the goal of our Annual Conference.

Report No. 2

UNITED METHODIST CHILDREN'S HOME

The children and their families, the staff and Board of Directors express grateful appreciation to the thousands of loving, caring United Methodists in Alabama and West Florida who made possible the programs and services of the Home which were provided to 661 children during 1984. The totals for each program are as follows:

Children's Village	97	Emergency Shelter Care	419
Group Homes	77	Children's Village	153
Florence	8	Birmingham	266
Huntsville	5	Foster Homes	8
Scottsboro	15	Adoption	0
Tuscaloosa	15	Scholarship	9
Mobile	10	Family Aid	51
Pensacola	12		
Wiregrass	12	TOTAL	661

Agency-wide the total children cared for increased by 26 (4%) and the most stable, productive programs were in the Southern Region under the leadership of Mrs. Kathy Trobaugh Dean. Several key staff were lost in the Northern and Birmingham Regions and at the Children's Village due to retirements, accepting other employment and returning to graduate school. We are excited about the quality of staff recruited and training plans for 1985.

We were saddened by the deaths of long time Board member George Turner of Birmingham and alumnus C.A. "Buzz" Carter, both of whom will be greatly missed.

On a positive note, our 1985 Senior Class numbers 18, we developed a new video presentation, expanded the Scottsboro Group Home and over 100 Alumni gathered for homecoming in August.

Good group care is neither easy nor inexpensive. The Home needs increased financial support to maintain current levels of service. We thank you for what you have done and will do to help "Give a Child a Chance."

METHODIST HOMES FOR THE AGING

"Each major change in our life can be the beginning of a new exciting adventure to be enjoyed to the fullest ... or an unknown tomorrow faced with negative thoughts." "We know that life is more than four walls and a roof." These facts face us daily as we work with those who want so much to continue to live their senior years in grace and dignity. We are grateful that the Ministry of our Homes For The Aging has provided an opportunity for discovering that the older years do not necessarily have to be dark years.

One marvelous lady who recently came to one of our homes lived there for awhile and then transferred to another one of our homes — remarked, "I thank God for the Methodist Homes For The Aging. This has been a life saver for me. I do not have another place to go. I do not know what I would have done without this chance to keep on living." This and many other similar testimonies are received from those who came to us wanting to add "Life to their Years."

During this Conference year we have continued with a full occupancy at Fair Haven, Wesley Acres and Wesley Manor. Our family at Wesley Terrace continues to grow with some of our apartments, health and resident care areas having a waiting list now as the other homes are experiencing. The many requests for Retirement and Health Care accommodations indicate the growing need we encounter throughout this Episcopal Area.

The current resident population is: Fair Haven — 324, Wesley Acres — 105, Wesley Manor — 191, Wesley Terrace — 134.

During the Conference year the new admissions were: Fair Haven — 40, Wesley Acres — 19, Wesley Manor — 34, Wesley Terrace — 49.

During this Conference year we have financially assisted 92 persons at Fair Haven and 46 at Wesley Manor. One church in the Auburn area provided financial support for awhile for one person at Wesley Terrace. Since the residents at Wesley Acres qualify for rent subsidy from the Department of Housing and Urban Development, no funds are requested from the Churches for resident assistance.

The amount of financial assistance given since July 1, 1984 through February 28, 1985 at Fair Haven has been \$115,550.74, at Wesley Manor \$65,584.97 and at Wesley Terrace \$2,400.00.

We are grateful to the membership of the Alabama-West Florida Conference for providing funds through the Conference Apportionments, Mother's Day Offerings and other Special gifts to help make it possible to provide care for those who are unable to pay their monthly care charges at Wesley Manor.

We call upon the Churches and membership of the Conference to help us as we anticipate the need of providing \$85,000 in assistance at Wesley Manor during the year 1985-86. We need your help in order to continue to receive persons who do not have adequate resources and to assist those who now live at Wesley Manor who live longer than their resources last. Your help is greatly needed for those whose funds are depleted, and have nowhere else to turn. *Help us to continue to be there to be their answer.*

GOLDEN CROSS

Golden Cross is the fund of the Alabama-West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1984, twelve families were assisted with a total of \$7,973 or an average of \$665 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to a pastor shall be granted only on the recommendation of his/her District Superintendent or the Conference Treasurer.

(3) The amount of assistance granted to any person shall be limited to a total of \$1,200.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be made or financial aid may be given to the same person twice during the period of a year.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The 1984 General Conference made a provision for A Status and Role of Women Chairperson in each local church. The primary goal for 1985 is to have a functioning chairperson in each local church.

Some training was done in the districts at the officers training in January. Obtaining names of elected local chairpersons has been difficult. This is a new position and we need these names so they can receive materials and training.

Another goal is for the Conference to elect, as the *Discipline* mandates and recommends, to most boards and agencies one third lay women, one third lay men, and one third clergy. (Par. 706.4) The membership of the United Methodist Church is nearly 62% women.

One of the Commission responsibilities is to monitor boards and agencies as to the participation of women. We have about 6% increased in the number of women on Conference Boards and Agencies over 1983 and 16% over 1980. The District Council on Ministries has about 10% increase over 1983 and 17% over 1980.

Attendance has increased at Commission Meetings. The planning and goal setting meeting was held in August. At the October meeting, plans were made for a Seminar, "Women In Church Leadership," held at Blue Lake March 15 and 16. Bishop Knox, Dr. Alice Lee and Rev. Joe Hastings led the training. Attendance almost tripled last year.

Bishop Knox met with the Executive Committee in October. The Commission appreciates his cooperation and support.

The Commission continues to sponsor the Clergywomen's Taskforce which supports and encourages clergywomen.

Many seminaries now have 50% women attending. The Faith in Life Church School material predicts that by the year 2000 50% of the Methodist Ministers will be women. The Commission urges churches to have "Women in the Pulpit Sunday" to help educate congregations to accept clergywomen.

The Status and Role of Women sponsored breakfast will be held at 7:30 AM Tuesday, May 28, in the sectioned off part of the main dining room at Annual Conference. Rev. Carolyn Morris, minister of Trinity United Methodist Church in Atlanta, will be guest speaker. All women attending Conference are urged to attend.

Dr. Alice Lee was honored for being an Outstanding Methodist at the '84 Status and Role of Women Breakfast. She served for the past eight years on the General Council on Ministries of the United Methodist Church.

Betty H. Salter, Chairperson

COMMITTEE ON CAREER/LIFE PLANNING

The major project of the Committee on Career/Life Planning is to provide opportunities in ministry. These experiences may lead to careers in Christian Vocations.

The Summer Vocational Intern Program is a project which matches committed college-age students who are interested in working as summer youth directors with churches within the conference.

Who may participate? (1) Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service in a local church or church agency. (2) Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry.

For students and churches to apply, contact Carolyn L. Stewart, P.O. Box 700, Andalusia, Alabama 36420.

Jimmie R. Spikes, Chairperson

BLUE LAKE ASSEMBLY GROUND COMMISSION

Adults, youth and children came to Blue Lake in record numbers in 1984. More than 15,164 camper days were logged for the year. 136 groups using the Lake for retreats. This does not include the Conference boards and agencies which come for meetings or one day picnic groups.

We look hopefully to 1985 with expectations that we can complete some greatly needed repairs and improvements and chart the course for long range needed development with the continued fine support of the Churches of our Conference.

We look forward to 1985 with expectations that we will move closer to the goal of the new addition which will broaden the sphere of service of your Assembly Grounds.

Due to the continued support of our Methodist people it was not necessary to increase rates for 1985: Groups at Oakwood \$20.00 per person per day (which is three meals and one night lodging), Dogwood and Pinewood \$18.00 per day per person. The rate for non-Methodist and all family reunions at Oakwood \$25.50 per person per day and Dogwood and Pinewood \$23.00.

We are grateful for the support of the Blue Lake Partners. Through their generosity we are able to make much needed repairs at the Dogwood Campsite.

The Blue Lake Fund apportioned to the local churches is essential to the operation of Blue Lake. Inflation and increasing cost of operation make this fund a must. I urge each local church to accept and pay "in full" the Blue Lake apportionment.

Space will not allow me to thank everyone who contributes to the life and well being at Blue Lake, yet I must say a special word to our staff for their faithfulness, to the United Methodist Women for their continued support and to the Blue Lake Commission who give of their time in this ministry of love and service.

Resolution Blue Lake United Methodist Assembly Grounds

Whereas, it is the unanimous decision of the Blue Lake Assembly Grounds Commission in session on May 2, 1985, that the time has come to begin construction and improvements heretofore approved by Alabama-West Florida Annual Conference to be implemented through the Capital Funds Campaign recently held in said Conference; and,

Whereas, it is recommended by the Blue Lake Assembly Grounds Commission that the ground breaking ceremony be held Saturday, June 29, 1985, a date on which the Resident Bishop of the Birmingham Episcopal Area, Bishop J. Lloyd Knox, would be available for such a service:

Now, therefore, be it resolved that the Alabama-West Florida Annual Conference in session this 28th day of May, 1985, in Montgomery, Alabama, direct the Blue Lake Assembly Grounds Commission to begin such construction by obtaining a loan not exceeding the sum of \$1,250,000.00 on terms and conditions to be approved by the said Commission, and to be repaid through the receipts from the Capital Fund Campaign allocated to this purpose.

COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work is committed to the task of planning and implementing programs within our Conference which will strengthen the ministry of the Small Membership Church.

There are five hundred-fifteen (515) churches in our Conference, which have less than one hundred-fifty (150) members. This means that seventy-three percent (73%) of our churches are considered Small Membership Churches.

During the last quadrennium we tried to promote the idea that there is no such thing as a "small church," just churches with small memberships. We need to continue that theme.

The two major events planned for this year are the Minister's Workshop and the Small Membership Church Rally.

The Minister's Workshop will be held at Blue Lake, June 26-29 with Rev. Bill Elwell serving as Dean.

The SMC Rally will be held on Saturday, June 29th at Blue Lake with Bishop Lloyd Knox as our speaker.

We are grateful to Bishop Knox for his interest and commitment to the work of the Town and Country Commission.

Each of the members of our Commission stands ready to assist any local church with their plans for ministry.

However, before assistance can be given, a request must be made. We cannot help without your invitation to do so. Please let us know how we can best serve you.

Winston D. Jay, Chairperson

COMMISSION ON WORSHIP

The conference year 1984-85 has been one of organization and discovery for the Commission on Worship. Since this is the first year of a new quadrennium the new Commission, with only one member held over from last year, has had to discover its new role with a new bishop within the framework of a new conference council on ministries. Added to that challenge is the reality that a new *Book of Hymns* with a revised ritual will be submitted to the General Conference just four short years from now. It will be the Commission on Worship's responsibility to interpret the Annual Conference's concerns to the Hymnal Committee and the Hymnal Committee's proposals in turn to the Annual Conference.

The yearly Convocation on Worship was held at St. Luke United Methodist Church, Columbus, Georgia, on February 22 and 23, 1985. Dr. Richard Eslinger, Associate Professor of Christian Worship at Duke Divinity School was the resource person. Dr. Eslinger's lectures were clear, sharp and attractive presentations that caused many listeners to rethink what they had formerly considered to be "traditional worship." The worship convocation continues to be possibly the best annual opportunity for training worship leaders in Methodism. More Alabama-West Florida pastors, (Conference, district, and local) worship directors and committee members, and church musicians should avail themselves of this yearly opportunity and outright treat.

The Conference Worship Task Force will be working hand in hand with the Program Committee and Bishop Knox to assure that part of the conference delegate's work this year will be that holy work called good liturgy. From the Opening Celebration on Sunday evening to the Commissioning Service on Wednesday afternoon the Commission on Worship gladly stands responsible and accountable.

A national Convocation on Worship, Music and Other Arts will be held July 14-20, 1985 at Syracuse University, Syracuse, N.Y. *Soundings*, as the gathering will be called, is a major training event in a series that occurs every two years. Representatives from the Alabama-West Florida Commission on Worship will be with other United Methodist worship leaders in New York to attend *Soundings*.

In 1985-86 the Commission is planning to help organize a conference chapter of The Fellowship of United Methodist in Worship, Music and Other Arts, and to distribute material on the Season of Epiphany to the local churches.

Joseph H. Reams, Chairperson

COMMISSION ON ARCHIVES AND HISTORY

The 1984-1988 quadrennium membership of the commission met after their election at Annual Conference in May 1984 for the purpose of electing officers for the new commission. These officers are: Reverend Leonard H. Shults, Chairperson; Reverend Dan Rhodes, Vice-Chairperson; Mrs. Julia Norton, Secretary/Treasurer; Mrs. Mary Ann Pickard, Archivist; and Reverend Robert Beckley, Historian.

The first official meeting of the Commission was held June 28-29, 1984 at Huntingdon College, where the new members could tour and see the area that is used for the Archives and History Depository and Center. The Library at Huntingdon College is where the Archivist and Historian are headquartered and all records and histories are kept.

Many programs were planned and shared during the year of our Bicentennial. The previous Commission leadership and members are to be commended for an outstanding year of enlightenment. The highlight, of course, was the celebration of the 200th anniversary of Methodism, our Bicentennial. Under the outstanding leadership of Mary Ellen Bullard, our Conference Bicentennial Interpreter, this event was celebrated throughout the conference in the largest and smallest of churches. Our Annual Conference was keyed to the Bicentennial Theme and as the daily program unfolded, we were made aware of and celebrated our heritage. Mary Ellen Bullard, is to be commended for her outstanding leadership, planning, and directing of the Conference Bicentennial program. Under this fine lady's hand our conference was led through our past and back into our present, and then directed to our future with a greater understanding of our heritage. We say "Thank you, Mary Ellen." The play "At Great Price" was videotaped, as was the opening session of Conference held at Frazer Memorial UMC. These tapes are available from our Conference Headquarters. Other

events were sponsored and highlighted at conference: recognition of those churches 100 years old and older. Each of the nine districts was represented by an authentic Circuit Rider, complete with horse. Bicentennial Moments were reenacted during and between conference sessions.

During the year the commission was partner with The Historical Chattahoochee Commission, in placing a plaque making the Asbury School and Mission Site, at Fort Mitchell, Alabama, a United Methodist National Landmark. A Bicentennial Pan-Methodist Celebration of Worship was held in and hosted by the Mobile District, at the historic State Street AME Zion Church, Mobile. Bishop J. Lloyd Knox was the principal speaker at this gathering. Another Pan-Methodist Celebration was held at Auburn, Alabama where the AME Zion Bishop Isom was the speaker. The reenactment of the historical Christmas Conference of 1884 and the sending forth was not held as planned. But in an effort to join forces with the future and become involved with our Capital Funds program, a gathering of clergy families was held at Blue Lake in January, 1985 and under the leadership of our Bishop we were set forth with our Heritage and sent forth into the future.

Several commission members were involved in training programs this year. Plans are for several SEJ and General Conference leadership and development events to be attended this coming year. The Conference Archives and History Commission has many committees and ongoing programs in the conference. We host the families of all deceased ministers and/or spouses at the Memorial Service and for lunch during Annual Conference. We provide grave markers for all Ministers who have answered the great call during the year. We host the breakfast for our retired ministers, widows/spouses during the conference and assist in organizing their group now called "Wesley Aires" which is self-sustaining and under their own leadership. We are the official conference agency for receiving, recording, and storing church materials, in our Depository.

We are a small commission, with a small budget, with dedicated people and a strong purpose, "To save the history of today for the history of tomorrow." Our plans for coming years are to implement the Shrines and Landmarks committee, reestablish and reorganize the Alabama Historical Society, (a group open to all who have an interest in the preservation of our histories), the development of our new and larger facility within the library complex at Huntingdon College (which has already been granted and is in the plans for the library addition), the establishment of more National Shrines and Landmarks in our conference area as local churches respond to the requirements and necessary reports to qualify their church as such, to work with the Records committee, and establish a listing of church histories and parsonage information to have on and in our recorded system to answer requests as they come in.

Also, to present a plan and proposal to write the History of our Annual Conference. Our last history was written in 1968 by Reverend Franklin S. Mosley, as an update to Lasenby's Church History. We have not attempted to cover the years since. And many outstanding events have occurred that need to be written about for the future. As we continue in our role as keepers of the records, we issue a plea to all who have church records or know of their whereabouts to contact our commission or the Depository (Mrs. Mary Ann Pickard) and let us examine them to determine their value. We will return them if you so desire.

Finally, we, the commission, wish to express our appreciation to Archivist, Mary Ann Pickard, for her labors and expertise in keeping the records and much more. Her position is part-time, yet there are a lot of extra hours spent in her work. And to our District Directors and local Church historians who are so new and uninformed of their jobs, we appreciate your acceptance and dedication to our cause. We plan to enlighten you this coming year, and use your talents to maintain and preserve our histories. Every individual can save the past for the future. Will you help us maintain our histories??

Thank God for our PAST, Praise God for our PRESENT, and help us God in our FUTURE...

Leonard H. Shults, Chairperson

DEPOSITORY AND ARCHIVIST'S REPORT

The Depository of Archival and Historical Materials, housed in the Houghton Memorial Library at Huntingdon College, began its third quadrennium of service at the 1984 annual conference session. In 1976 the Reverend Franklin S. Moseley lived to see the valuable

records he created and collected become the foundation accession of our conference depository. Dr. R. Glenn Massengale guided the establishment of the depository from 1976 until 1984, when he retired as conference Archivist/Historian. Upon his retirement he was named Archivist/Historian emeritus and made a lifetime member of the Commission on Archives and History. Mrs. Pattie Moseley, widow of the Rev. F. S. Moseley, was also named a lifetime member of the commission. We express our appreciation to these persons for their dedication and continuing service.

Last year the position of Archivist/Historian was made into two positions. The archivist is an employee of the Commission on Archives and History with the responsibility of manager of the depository and administrative officer of the Conference Records Program, serving as executive secretary for the Records Committee. The archivist is employed on a parttime basis — twenty four hours a week. The historian is a volunteer position elected by the commission.

Statistical information is gathered for the calendar year. For 1984 the following statistics are on the use of the depository:

Persons coming to the depository to do research	54
Visitors to depository during annual conference	19
Research requests by mail:	
Genealogical	32
Churches	30
TOTAL RESEARCH INQUIRIES	135

Twenty-seven accessions of archival and library materials were received adding almost fourteen feet or records to the collection. Total spent for 1984 was \$5,890.55.

The primary duty and goal of the archival program is to appraise, conserve, arrange, index, and provide reference service for the valuable administrative and historical records of the conference. Quick and efficient processing of records takes top priority and is guided by retention schedules. A manual for conference secretaries and records has been approved by the Records Committee to ensure that important records reach the depository. (See report of Records Committee).

Beginning in March, 1985 new depository hours were set up to accommodate researchers better. The new hours are 8:00 a.m. to 3:00 p.m. Monday through Thursday. The depository is closed on Friday, except for appointments.

Mary Ann Pickard, Archivist

REPORT OF THE HISTORIAN

The Alabama-West Florida Conference Depository of Archives and Historical Materials is one of the finest in all of United Methodism. Much of the credit for this outstanding historical treasury is due to the untiring efforts of Dr. R. Glenn Massengale who served as Archivist/Historian and Director of the depository for eight years until his retirement in May, 1984. We would be remiss if we did not express our sincere appreciation to Dr. Massengale for his superior service and unstinting concern for the rich heritage we share as members of the Alabama-West Florida Conference and the United Methodist Church worldwide.

Since becoming historian last May, I have focused my attention on learning as much as possible about the tasks and responsibilities of the position in addition to assisting the Archivist, Mrs. Mary Ann Pickard, with formulating policies for the collection, maintenance, and cataloguing of conference records.

The historian is responsible for providing the families of deceased conference clergy the bronze plaques to mark the graves of our deceased members. Seven of the attractive plaques were distributed this past year.

The Committee on Records began its third year of service at the 1984 Annual Conference session. It was established in 1982 with the approval of the Conference Records Program. For the 1984-1988 quadrennium the following officers were elected: *Chairman* — Robert H. Beckley; *Vice-Chairman* — Edward Cotten; *Secretary and Administrative Officer* — Mary Ann Pickard; *Treasurer* — Donald Brill.

At its March 2, 1985 meeting the Records committee approved the revision of the Records Policy and Program to accommodate changes adopted by the 1984 General Conference as well as other suggested changes which are included as part of the consent agenda as follows:

1. It is recommended that an official permanent personnel record to include complete public data be approved. This record will be used by the Board of Ordained Ministry. When the

minister is admitted into full connection, the record will be updated and kept by the conference secretary. Upon termination of the minister's membership in the conference, the record will be sent to the depository where it will be permanently preserved.

2. It is recommended that the district directors of Archives and History, the local church historians, and/or boards of trustees along with the help of the district superintendents, see to it that the depository form entitled "Historical Information on Churches" is completed in updating the profile of each local church. From these forms will be created a chronological register of churches which will be invaluable for churches seeking to celebrate anniversaries or other heritage events.

3. It is recommended that the conference approve a "Manual for Secretaries and Records Officers" which will serve as guidelines in the management and preservation of archival records of the conference. Of particular concern and importance is the creation of retention schedules for the various conference officers and agencies.

The committee shall elect a chairperson, vice-chairperson, secretary, and treasurer who, along with the archivist, will serve as the executive committee. The records committee shall be accountable to the annual conference through the Commission on Archives and History.

OFFICIAL DEPOSITORY

2. The Depository of Archival and Historical Materials located at Huntingdon College shall, except when official provision is made otherwise, be the official depository for the records of conference officers and agencies (the term "agency" is a disciplinary term used to "describe the various councils, boards, commissions, committees, divisions, or other units constituted within the various levels of church organizations" as stated in the *Discipline*, paragraph 801.)

3. The archivist shall be the administrative officer of the records committee and director of the depository.

4. Records shall be deposited according to official retention schedules recommended by the officers, agencies, and archivist and approved by the conference records committee.

COLLECTION POLICY FOR DEPOSITORY

5. **BISHOP'S RECORDS:** Responsibility for preserving and maintaining the area bishop's records rests with the General Commission on Archives and History. In consultation with the bishop and/or the general archivist, certain records or copies of records pertaining to the annual conference shall be received for deposit.

6. **LOCAL CHURCH RECORDS:** Responsibility for creating, maintaining and preserving local church records rests with the custodian of records (pastors, recording secretaries, staff secretaries, church historians and the like) in their respective local churches. The conference depository shall receive copies of certain records such as historical sketches, photographs, programs of significant historical events, legal documents, profiles, historical data forms and other records which the archivist deems valuable from each local church. All records of **MERGED** churches become the responsibility of the successor church (Par. 2543-2544). All records of **DISCONTINUED** or **ABANDONED** churches shall be deposited with the Commission on Archives and History in the depository at Huntingdon College (Par. 2546).

7. **DISTRICT RECORDS:** Since local church records are as a rule retained in local churches, certain district records are especially housed for retention in a central place (conference depository) because of the vital information they contain about grass roots Methodist churches. Particularly significant are charge conference records (especially the minutes, official rolls and attendance records, reports of pastors, and other unusually significant reports of historical value.) Other district records having evidential, informational, legal or historical value include the district superintendents' records and certain records from conferences, rallies, preachers' meetings, agency meetings, etc. The district superintendents shall assure that the records of churches **MERGED** during their term of administration are deposited with the successor churches. They shall see that records of churches **CLOSED** during their administration are sent to the official depository. They shall be on the lookout for lost or strayed records from any churches, especially the discontinued churches during previous administrations.

8. **ANNUAL CONFERENCE RECORDS:** Responsibility for the creation, maintenance and preservation of the records of the conference rests with the conference officials and "records officers" of all agencies required by the *Discipline* and the conference standing rules as well as all of the auxiliary agencies of the conference. Each conference official (district superintendents included), unless otherwise specified, shall be his/her own records officer. Each agency shall officially designate one of its members (customarily the secretary) as records officer.

DUTIES OF RECORDS OFFICERS

9. Each records officer shall create or assemble, or cause to be created or assembled, those records deemed necessary for the performance of his/her duties.

10. Such records shall include, but not be limited to minutes, reports, correspondence, legal or other evidential documents, communications, photographs, recordings, memorabilia and the like.

11. Records officers shall retain all such records for as long as they are needed for the current operations of the offices and agencies they represent. When the records are no longer regarded as having current operational usefulness, the records officer shall make a preliminary inventory of the records and recommend a retention schedule using the official conference form. The records officer and the archivist together shall agree upon the disposition of the records guided by the retention schedule.

12. Any restrictions to be made on the availability for use of records placed in the depository shall be determined by the records officer depositing the materials and be recorded on the retention schedule. The archivist shall see that such records are administered according to directions recorded on the retention schedule.

13. In order to provide for an orderly and efficient transfer of records from a records officer to a successor, the records officer shall, immediately prior to the surrender of office, separate the records into three groups as follows: (1) those having continuing usefulness in the on-going operations of the office or agency he/she represents; (2) those non-current records regarded as being worthy of retention because of their continuing or future historical, evidential or informational significance; and (3) those to be considered for discard. He/she shall then deliver them to the successor.

14. Upon receiving the records from his/her predecessor, the succeeding records officer

shall review the records in each of the three groups and shall retain all regarded as having continuing operational usefulness and deliver all others to the depository, having made a preliminary inventory of the records and recommended a retention schedule.

15. The archivist shall review the records and retention schedule and shall consult with the records officer concerning any significant changes to be made in the classification and/or conditions or limitations to be placed on the accessibility or use of the records retained in the depository. The archivist shall notify the records officers of intent to destroy records and shall make sure that the records officer involved approves of the destruction.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission's purpose is to promote understanding, cooperation and unity of spirit among Christians of different denominations and to further dialogue and fellowship with persons of other living faiths.

The following from our church's doctrinal statement is meaningful to us: "...we must also be conscious that God has been and is now working among all people. There is a new sense in which we now must realize that we are given to one another on this fragile small planet, to work out with God the salvation, health, healing and peace He intends for all His people." We begin this quadrennium with a deep sense of the significance of our work in manifesting both the unity of the Church and the unity of all mankind.

Bishop J. Lloyd Knox has been assigned for this quadrennium to the General CUI. Several communications from him have already given us suggestions and guidelines.

The conference is well represented by the composition of our membership which includes both male and female laity, ministers and minorities. A Youth is also included. Our Council staff person is Bill Roy. The Bishop's Council representative is Dothan District Superintendent E. Robert Dickerson. Officers elected at the organizational meeting were: Monza' H. Wilson, Chair; Rev. Charles E. Fail, V. Chair; Dr. Willa Bing Harris, Secretary.

Mrs. Wilson attended the Quadrennial Jurisdictional Training event held at Junaluska in December.

In January each of the nine districts were represented at a one-day program planning and budget preparation meeting held at Blue Lake. Included in the Emphases for this Quadrennium:

1. Provide resource persons for Christian Unity training at each District local church officer training event.
2. Encourage participation in the Week of Prayer for Christian Unity observed in January (18-25, every year).
3. Provide copies of the Lenten ecumenical devotional guide to each local church chairperson of the work area on CUI. *Liberation and Unity* is sponsored by the Consultation on Church Union, the AME, the AMEZ, and the CME Churches.
4. Affirm the Holocaust Days of Remembrance each April.
5. On World Communion Sunday in October we suggest the exchanging of pulpits with a minister from one of the COCU member denominations, using *The Sacrament of the Lord's Supper*, a new text prepared by the Commission on Worship of COCU. The Prayer of Confession included is from *We Gather Together* by The United Methodist Publishing House.

With organizational duties completed, the Commission looks forward to serving the local church work areas on CUI.

A STATEMENT OF AFFIRMATION

The Alabama-West Florida Conference Commission on Christian Unity and Interreligious Concerns affirms the *Youth Religious Emblems Program* that is available to the youth of our area. Young people of every denomination, faith, creed and race may learn more about their religious beliefs by participating. Although the program is used predominantly by Scouts (male and female), it is open to any group, including a member of good standing in a Sunday School class. There are four graded programs for Protestants.

7- 8 yr. olds — God and Me,

9-10 yr. olds — God and Family,

11-14 yr. olds — God and Church, and

15-18 yr. olds — God and Life.

Headed by United Methodists and assisted by the Alabama-Florida Council of Boy Scouts of America, an encampment event is planned for 1986 at Blue Lake.

PASTOR'S ASSEMBLY BOARD OF MANAGERS

The 1984 Pastor's Assembly was held at Oakwood Lodge, Blue Lake October 15 and 16. Building upon the 1984 Bicentennial emphasis of the church, our theme was "Into Our Third Century." Total registration for this conference-wide continuing education event was one hundred fifty-nine.

Bishop Lloyd Knox delivered the opening address and spoke again during the first evening. The Board was delighted with his presentations, his presence, and particularly his availability to all of the participants. For his leadership in the 1984 event we are truly grateful.

The visiting lecturers were Dr. Earl Kent Brown, Professor of Church History at Boston University and Dr. Thomas A. Langford, Professor of Systematic Theology at the Divinity School of Duke University. Dr. Langford's addresses were focused around "Theology in the Wesleyan Tradition." Dr. Brown's addresses shared how significant persons, events, and hymns of early Methodism can inform and enable one "To Serve the Present Age." Feedback to the Board regarding the 1984 Assembly was rewarding, for clergy found the reaffirmation of our strong United Methodist heritage to be helpful in their ministry.

Plans are nearing completion for the 1985 Assembly. The dates have been set as October 14 and 15. Bishop Knox will once again offer the keynote address. Using the theme "The Minister as Person" two very able lecturers have been secured. Dr. Done E. Saliers, Associate Professor of Theology at Emory University, will center his presentations around the minister's development of the spiritual disciplines. Dr. Walker Railey, minister of First United Methodist Church, Dallas, Texas, will offer presentations which address the ways a minister's personal life can inform his or her preaching and ministry. These guests will close this year's assembly with a worship celebration.

A new feature of the assembly will be an audiovisual room. From the conference film library, a variety of films, filmstrips, and videocassettes will be available for viewing. The Board hopes the conference clergy will find these resources helpful as they endeavor to share the messages of the various boards and agencies of the church with their local congregations.

With enthusiasm the Board of Managers look forward to October 14 and 15. Ministers of the conference are encouraged to reserve these dates and include Pastor's Assembly in their continuing education program. Scholarships will be available through each district superintendent for those who have financial need. The support of every member of the annual conference is always appreciated very much by Board members.

THE BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1

PENSIONS, ANNUITY RATES, APPORTIONMENTS

For the year 1986, we recommend that the total annuity rate for service years prior to 1982 be one hundred ninety-eight dollars (\$198.00) per service year as a minister or approved lay pastor with pension credit; the total rate for surviving spouses be one hundred thirty-eight dollars and sixty cents (\$138.60); provided that, for those provided retirement homes by the Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the annual conference be \$1,600,000 for 1986.

We call attention to paragraph 736.4 of the 1984 *Discipline* relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a minister's salary and to the policy of the Board of Pensions charging defaults to ministers

which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of seven per cent annually (7%).

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600.00 be set for travel and \$3,600.00 for utilities. All other compensation to the minister shall be placed under "base salary."

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP-Plus be \$31.00 per year. Payments are to be made in advance of the effective date which is the calendar year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued.

Report No. 3

RESERVE FUNDING OF PENSIONS

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 Journal and subsequent amendments, recorded on page 154 of the 1972 Journal and page 135 of the 1973 Journal, shall be further amended to provide, that effective with the deposit made monthly, the annual level deposit for the purpose of funding pensions through the Ministerial Pension Plan shall be that adjustment required to fund prior years at the rate of \$198.00 per service year.

Report No. 4

HOMES FOR CLAIMANTS

We recommend that \$50,000 be apportioned for Homes for Claimants subject to the approval of the Council on Finance and Administration.

The Conference now owns 40 units, having an insured value of \$1,975,000. Thirty-five of these are in Alabama, and five are in Florida. At the beginning of the year, 1985, the outstanding indebtedness on these homes was \$81,582.94. Payment on this debt is now \$1,362.81 per month with a total of \$13,912.56 paid on this indebtedness in 1984. The cost to maintain and repair these homes and insure them was \$43,284.01.

The Board has on deposit in interest bearing accounts the following:

Commercial Bank, Andalusia (NOW)	\$37,743.38
Commercial Bank, Andalusia, CD	10,000.00
Commercial Bank, Virginia Sells NOW	5,915.74
United Methodist Foundation, Dothan	25,000.00
First Federal Savings, Andalusia	12,035.00
Total of accounts	90,694.12

The Board maintains two annuities to which \$36,000.00 of the above investment is pledged. During 1984, \$3,500.00 was paid on these annuities. The remainder of the invested funds provides funds for the maintenance of our homes.

The Board holds three mortgages on property it has sold to individuals which produce \$901.33 per month. When homes are available, they may be rented. We received \$1,938.50 from rent during 1984.

The Board continually evaluates and studies our homes program. A survey of ministers has been conducted which projects the need for homes in the future, the location and type of housing desired. From this information and from careful study, our program for the future will be planned. The high cost of housing, interest rates, and availability of housing forces us to take a careful look at this program which may cause drastic changes in the way we have functioned in providing homes. Support of the Capital Funds Campaign will benefit us in this area by providing investment income to purchase new dwellings or provide the capital to secure larger amounts of income for multiple dwellings.

One aspect of our housing program we wish to encourage is the continuing emphasis upon homes being left to the Board through wills. We have several homes at the present left to the Board in this manner. Interested persons should contact the director of our homes program for information and assistance in this effort.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the

minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to *the lesser of* (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1984 (722.2)

In keeping with the purpose stated above; the commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from the United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The DISCIPLINE requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the church must pay 80% of the equitable salary schedule for 1986.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance, utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of the report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister himself shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for this purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for three years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development. This recommended provision is effective January 1986. The previous provision of 1/2 of the equitable salary schedule continues in effect through 1985.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries in consultation with the District Board of Missions give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salary, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this accumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission recommends that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents, not the Commission, shall determine all the ramifications of the pastor's circumstances.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference Journal each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each.

18. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages:

Members in Full Connection, 80% of average Conference salary
 Probationary Members, 80% of average Conference salary
 Associate Members, 75% of average Conference salary
 Seminary Students (married), 62.5% of average Conference salary
 Seminary Students (single), 58.5% of average Conference salary
 Full Time Local Pastors, 66% of average Conference salary
 Student Local Pastors (married), 50.5% of average Conference salary
 Student Local Pastors (single), 46.5% of average Conference salary

19. According to the formula in paragraph 18, the Commission recommends the following Equitable Salary Schedule for 1986:

Member in Full Connection	\$16,300.00
Probationary Members	16,300.00
Associate Members	15,300.00
Seminary Students (married)	12,800.00
Seminary Students (single)	11,900.00
Full-Time Local Pastors	13,500.00

Report No. 2

RULES OF PROCEDURE

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the council shall be held. Other meetings shall be on call of the president of the council.
2. All persons interested in presenting a request to the council are invited to do so or to attend any of the council meetings. All council meetings shall be open to all interested persons, except when by majority vote the council elects to meet in executive session.
3. Each agency whose records are not kept by the financial office is required to bond its treasurer, which may be done through the council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the council as deemed necessary by the council. (Para. 713.2; 714.2, 1984 Discipline). Reports to the council shall be in such detail and provided at such times as the council may direct.
4. The Council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.
5. An audit of the complete financial status of the Annual Conference shall be published in the conference Journal.
6. All boards and agencies are required to cooperate with the conference treasurer in the

development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the conference Journal.

7. The conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the Annual Conference shall be allowed to withdraw funds or make expenditures on a monthly basis as needed. Funds available monthly will be equivalent of 91.66% (11/12s) of the allocation to the agency prorated on the basis of benevolence receipts of the prior year. Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the council and the executive director of the conference Council on Ministries.

8. The council shall make emergency program allocations from the Contingency Fund by a majority vote of the council and the executive committee of the Council on Ministries. The Council on Finance and Administration shall make expenditures derived from interest on investments of the current balances.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the area for an area-wide appeal; or the council for a conference-wide appeal. (Para. 710.5, 1984 Discipline).

10. The adoption of reports and recommendations of the council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or check accounts, and no such deposits shall be made by any agency without approval by the council.

12. A Committee on Investments and Audits within the council will be responsible for reviewing, approving, and supervising all banking relationships of the council with special attention given to investments including conference agencies. Report No. 5

POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to them.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

Report No. 6

SPECIAL FUNDS AND COLLECTIONS

We make the following recommendations for those causes for which no funds are allocated:

- 4. That support for Golden Cross Ministries be given through a special offering on the Sunday following Labor Day, and support for Homes for the Aging be given through a special offering on Mother's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.
- 5. That the Committee on Experimental Ministries and the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

Report No. 8

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even

greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267:3c of the 1984 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

Report No. 9

DISCIPLINARY REQUIREMENT

Paragraph 714.1 of the 1984 *Discipline* requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

Report No. 10

FORMULA AND ALLOCATIONS

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. A tentative apportionment schedule will be mailed June 26, 1985, to be reviewed for errors and corrections. A final apportionment schedule will be mailed August 21, 1985, to be used for budgeting purposes in the local church, after which no corrections will be made.

4. Attention is called to the closing of the books of the Conference Treasurer January 8, 1986. All funds to be applied to 1985 receipts must be in the office of the treasurer on that date.

5. Preparation of the Statistical Tables for 1985 shall be handled in the conference office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1986, for preparation of the Statistical Tables on the computer.

Report No. 11

MINISTERS MOVING EXPENSE

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to the first place of retirement or disability. This policy with special regard to the adequacy of the amounts is to be reviewed by the Council after careful examination of the annual experience.

AREA BOARD OF COMMUNICATION/ADVOCATE

The Area office of Communication/Advocate can count 1984 as a good year. It was a year filled with successes as well as disappointments, with growth as well as some retrenching. All things considered, it can be added to the plus column.

1984 was a successful year financially. The office operated with expenses amounting to \$187,851.42 and income in the amount of \$189,450.28. Any year in which the year-end report is written with black ink is a good year.

A great deal of the extra effort of the Advocate staff centered around the Bicentennial celebrations. The staff published a 100 page Bicentennial Edition of the United Methodist Christian Advocate. In addition to this edition, the regular editions of the area newspaper continued "Bicentennial Moments" to commemorate the special year. The editor also appeared in four churches in a portrayal of Francis Asbury.

In cooperation with the Boards of Evangelism from both conferences, the Communication Office assisted in the production and distribution of a T.V. spot. This was aired during prime time over a span of several weeks.

In its fall meeting the Board of Directors of the Office of Communication/Advocate decided upon a change of format for The Advocate. The new format beginning in January 1985 is a 12-16 page paper published bi-weekly.

The changes in personnel saw Mrs. Jeanne Glasgow move into the position of Administrative Assistant and Mrs. Mary McFarland become the Circulation Manager. Mrs. McFarland has previously held a similar position with the Virginia Advocate. Mr. Robert Walston continued as Business Manager.

The Area Board was pleased to have our editor serve as a staff member (reporter) for the General Conference Daily Christian Advocate. The local Advocate office, for the first time, obtained a telephone modum for hook-up to the daily computerized report from General Conference. The editor also attended the Jurisdictional Conference.

The Advocate staff members continue with numerous on-site coverage of news events in both conferences. The editor also conducted training sessions for new church officers (communicators) in both conferences. Attendance at preachers meetings and district rallies also became part of the routine.

The Area Board of Communication/Advocate wishes to express its appreciation for the support afforded it by the District Superintendents, Bishops Frank Robertson and J. Lloyd Knox, as well as all United Methodist clergy and lay persons.

1984 was a good year. It was a growth year in a series of many growth years and used only as a means to plan and to work for greater years to come.

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

June 1, 1984 to May 31, 1985

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

1. Norris-Allen Fund	\$44,000.00
2. Hattie B. Norred Fund	25,000.00
3. C.B. Gilmore Fund	20,000.00
4. Mary Lloyd Reynolds Fund	28,680.00

The first three funds are invested with the Board of Missions of the Alabama-West Florida Conference, and the income is used for scholarships by the Board of Ordained Ministry for students preparing for Christian Ministry or other full-time church related vocations. This is in keeping with the wishes of the donors.

The fourth fund is new. This is a gift from the estate of Mrs. Mary Lloyd Reynolds of Brantley, Alabama. At her request, the Trustees are to invest the funds and use the interest for national and world missions. This Fund has been placed in a long-term Certificate of Deposit with the Commercial Bank of Andalusia.

The Conference Trustees also hold title to the following real property:

1. Conference Headquarters Building, East Three Notch St., in Andalusia, AL
2. Staff Parsonage, Valleyview Drive, Andalusia, AL
3. Staff Parsonage, Prestwood Bridge Road, Andalusia, AL
4. Staff Parsonage, Redbud Drive, Andalusia, AL
5. The Wesley Foundation Building, Auburn, AL
6. Wesley Foundation Parsonage, Auburn, AL

During the year we received a gift of \$11,000.00 from Lida Malone of Pensacola to be distributed as gifts to 170 teachers in Liberia, Africa. This was turned over to the Conference Board of Missions to be administered by them. Miss Malone also gave the Trustees 275 shares of stock valued at some \$12,000.00 to be used for Teacher Training in Liberia.

Trustees have sought to keep all properties in good repair. The drive and parking lot at Headquarters has been resurfaced. Extensive repairs had to be made to heating and air conditioning at the Wesley Foundation, but the main unit is inoperable for cooling due to lack of funds. The Trustees are studying renovations and repairs needed at Wesley Foundation to make the building more efficient and usable. This will require considerable funds and will likely be a long-term project.

Funds for the work of amortizing indebtedness and maintaining our property come from the Conference apportionment called and Maintenance and Amortization Fund. It is very important that every local Church pay their asking in full to enable the Trustees to do the best possible job.

We are happy to report that all our properties are now free of debt.

PREACHERS AID SOCIETY

President — Rev. John Bryan

Vice President — Rev. Charles B. Craddock

Secretary — Rev. Paul M. Higdon

Treasurer — Rev. Fred L. Davis

Directors: Rev. Stephen L. Smith, Rev. Olin L. Rowe, Rev. Alva Beers, Rev. Jesse Joyner, Rev. Johnie W. McCurdy.

The Preacher's Aid Society has been in existence for more than a century, having had its beginning in the Methodist Protestant Church, continuing its ministry in the Methodist Church, and now serving in the United Methodist Church. It began as, and continues to be, a "helping hand" to the brothers and sisters in the ministry.

Every minister under appointment is asked to pay \$1.00 per year dues. This money goes into a Loan Fund which is available to ministers in good standing (dues paid up-to-date), at an interest rate of 6% per annum. Loans are limited to \$600 to any one person, and are due in full at the end of two years from time of note. The 6% interest is to be paid annually.

The interest from the loans is used annually to assist ministers/families who have had unusually large medical bills or other unexpected emergencies. In order to be eligible for consideration for this aid, a person must be recommended by his/her District Superintendent and must have his/her own dues paid up-to-date.

As can be seen in the report below, the interest from loans in 1984 (Cash Donation Fund) amounted to \$471, which will be given away by Annual Conference. We urge continued support of this organization by the ministers in the conference, so that we may continue to "reach out" to those of our ministerial family who need help.

CANDLER SCHOOL OF THEOLOGY

Greetings from Candler. Our 1984-1985 academic year has been one of major accomplishment. This year our enrollment has reached a record 699. Of that number 475 are in the Master of Divinity Program, preparing for local church ministry.

Candler has begun to develop a plan to strengthen its offerings in preaching. We are particularly concerned about basic speaking skills of students and are launching a program to assist each incoming student in need of improvement in public speaking.

Candler has also laid plans to increase its supervision of student pastors who serve churches while attending seminary. Atlanta businessman O. Wayne Rollins, chairman and chief executive officer of Rollins, Inc., has contributed \$1 million for a program in pastoral supervision and church ministries at Candler. The gift will establish a professorship in practical theology and church ministries, provide scholarships for student pastors and endow continued funding of these programs. Dr. John Freeman has been appointed to direct field supervision in the North Georgia Teaching Parish and to serve as an assistant professor of practical theology.

Scholars Press, a nationally recognized publishing consortium which specializes in printing and distributing scholarly works in religion and related fields, will affiliate with Emory and Candler this year. They are expected to move to our campus this fall.

Candler has made significant headway in its efforts to support students, particularly as a result of the Sherman Scholarship Fund. The donors to this fund, Mr. and Mrs. Frank Sherman, wish to assist those who are committed to an evangelical, biblically based ministry in our denomination. By 1986, 150 Sherman Scholars will be receiving major assistance as they prepare at Candler for Christian ministry.

The Pitts Theology Library continues to build its collection of African Christian Church material and is fast becoming the leading repository of this material in the world. Total volumes in this library now exceed 388,000.

The Institute for World Evangelism, which we co-sponsor with the World Methodist Council, has plans for a major seminar on evangelism in the summer of 1985 in Australia. The work of this Institute continues to bless those who wish to improve the outreach of the Church in a world in need of Christ.

I am pleased to report to you on our progress and to thank you for the sustaining help which comes to us from the Ministerial Education Fund. Without that assistance Candler could not hope to continue to accomplish all it has for the life of the Church.

AREA BOARD OF PASTORAL CARE AND COUNSELING

The newly organized Area Board of Pastoral Care and Counseling met at Huntingdon College on Friday, September 14 and 15 with 38 Board members, two Consultants, two Residents-in-training and two Staff members present. The Board is divided into five committees:

1. Program and Planning — Michael Stewart, North Alabama, Chairperson
2. Personnel — Kay Knowlton, North Alabama, Chairperson
3. Systemic Issues — T. Michael Morgan, North Alabama, Chairperson
4. Finance — John Trobaugh, Alabama-West Florida, Chairperson
5. Public Relations — Mary Stephens, Alabama-West Florida, Chairperson

One of the major goals of the Board has been to broaden the effectiveness of the Board. Our first attempt was to establish a resident-in-training in Decatur, Birmingham and Pensacola. Secondly, the Board voted to move the Director's residence from Montgomery to Birmingham for the following reasons:

1. Reverend Alexander was spending three days a week in Birmingham at Carraway Medical Center and two days a week at Huntingdon College.
2. The travel time was a problem plus taking the Director away from his family.
3. The case load was heavier in the North Alabama Conference.

One of the major concerns of the Board is how to have a more effective presence in the Southern part of the Alabama-West Florida Conference, namely in Pensacola, Marianna, Mobile and Panama City. In order to move toward this concern constructively, the Board made the following recommendations:

We are asking that there be two Co-Directors, with the understanding that Dr. Alexander will be the Senior Director due to his tenure and experience. There should be one Director based in each annual conference, one will be based at Carraway Medical Center in Birmingham. The other Director will be based in the Pensacola area. The trainees will be located in Decatur, Birmingham and Montgomery.

This recommendation will be carried out within the confines of the present budget. The salaries of the Co-Directors will be supplemented by expanding our ministry to include counseling lay persons.

Some advantages of this recommendation are:

1. There will be a greater presence of the Director in each conference. More time can be spent with persons instead of so much travel time.
2. In the Alabama-West Florida Conference, the Director will spend three days working with clergy-persons instead of two. The office will be located in the population center of the Alabama-West Florida Conference.
3. We as ministers will have a referral source of the laity. Our laity will have the benefit of the Director's service.

We also recommend that the Area Board concept be kept intact and that the Board continue to be the planning and supervisory agent for both Conferences.

The task force led by Annie Mae Turner has met twice with the Joint-Concerns Committee and with the Cabinets of the Alabama-West Florida and the North Alabama Conferences.

The first part of our plan for expansion has been accomplished. Reverend Alexander and his family moved to Birmingham on January 18, 1985. Our next move is to appoint a search committee to look for a Co-Director to be located in Pensacola.

The Area Board of Pastoral Care and Counseling has met twice during this Conference year: September 14, 15, and March 9th. The executive committee met on December 12th.

We have sponsored an Area Board event at Huntingdon College. Bishop Lloyd Knox, Bishop Emerson Colaw and Dr. Ralph K. Bates were our speakers. One hundred and twenty-two registered attendance.

Our continued goals are:

1. To provide better service to the Birmingham Area.
2. To study the needs of Burn-Out by clergy. To study minister and spouse life styles. To follow-up on the Study of Divorced Clergy Families.
3. There will be a major educational event in 1986 in North Alabama and 1985 at Huntingdon College.
4. To work toward helping clergy families to become more effective in meeting their own needs and the needs of others.

Search Committee for the new staff position: Roy Sublette, *Chairperson*, Norma Mitchell, Cliff Abbott, Karl Stegall, Wayne Vickery, Ralph K. Bates, Charles Alexander, Harriet Huckaby, Kay Knowlton, Annie Mae Turner, Libba Stinson, Johnny Trobaugh, Bob Dickerson.

ALABAMA-WEST FLORIDA METHODIST FEDERAL CREDIT UNION

May 16, 1985

The Credit Union has enjoyed steady growth since the last Annual Conference met. The assets of the Credit Union are now some \$570,000. We have about 460 members. Since our organization, we have made 695 loans.

The Credit Union is currently paying 8% on shares on deposit with the organization. Dividends are paid semi-annually on June 30, and December 31. All ministers, their families, local church employees, and those working for United Methodist Institutions within the bounds of the Annual Conference are eligible to join the Credit Union.

A free life insurance coverage up to \$3,000.00 is provided on deposits made up to that amount, if this is done before one reaches the age of 55. Lesser amounts are matched dollar for dollar.

If you are not a member and desire to join, you need only to complete an enrollment card and make a minimum deposit of \$6.00 — one dollar for enrollment fee, and five dollars for one share in Credit Union. ORIENTAL UNITED METHODIST CHURCH and FAR EAST EVANGELISTIC MISSION

1599 East Burgess Road
Pensacola, FL 32504

The Oriental Church and the Far East Evangelistic Mission wishes to express its thanks and appreciation for the recognition and support which has been given by the Conference and the various churches of the Conferences and especially to the individual Pastors and Laypersons who have accepted the challenge of putting the Gospel of Jesus Christ into Mainland China. Without your continuing support it would be most difficult to carry out the task to which I feel I have been called.

As you can see, I am Chinese, native born. I was converted to Christianity by a Methodist missionary and was serving as a pastor of a congregation in Nanking. That congregation raised the funds to send me to the United States to attend Seminary. While I was in Seminary the Communists took over our country and I could not return to my homeland without becoming a Communist. NO WAY. I completed my Seminary training and entered the ministry in the Missouri Conference where I served some thirty years. I took early retirement to answer the call to go to Pensacola and provide a church setting for the Chinese of that area and at the same time start a program by which I could help train other Chinese to become ministers. This being a small way to repay those who had helped me to walk with Him over the years.

The Oriental Church meets on Friday nights at the Cokesbury UMC in Pensacola and each first Friday night is English speaking night and our English speaking friends join with us for worship. The Chinese ladies provide a Chinese snack/goodie buffet for our Fellowship time after service. The choir is outstanding and has given several concerts which were greatly

enjoyed by the congregations where they were presented. This is a great potential in the development of this church but it is going to come slowly. Chinese do not do things in a hurry, we have been around a long time. We are developing our youth; the younger youth are, by far, the easier to motivate and develop. This may well be where the greatest thrust must be put for the greatest results.

The Far East Evangelistic Mission now has seven (7) full-time students in four (4) Seminaries. The goal for the FEEM is to be able to put twenty (20) students in the systems on a continuing basis. This can be done with just a little help from each of you. A contribution each month would help us meet this goal very quickly. This is the most cost effective training operation we know about; all of the support and all of the normal administrative help is donated. We send a greater percentage of each dollar collected to the field to train ministers than any other organization. We just pray that we can continue to serve Him and receive your support.

We thank you for your courtesy and your support. Please remember us when you need a Mission Thrust, a guest speaker, or an evangelist. You call, we come.

Rev. Joshua D. T'ien
Pastor/President

COMMITTEE ON EPISCOPACY

The Birmingham Area of The United Methodist Church was signally blessed when, at the conclusion of the 1984 Southeastern Jurisdictional Conference, James Lloyd Knox was assigned as the episcopal leader of this area. An air of excitement prevailed when some six weeks later, he and his wife, Edith, came to live and work among us. Presentation Services were held in Montgomery and Pensacola on Sunday, September 16, and at each of these our beloved former bishop, now retired, Carl J. Sanders, presented our new bishop and his lady to the enthusiastic crowds who had gathered from throughout the conference to meet and greet their new spiritual leaders.

From the day they arrived in our midst, with their warm smiles, their boundless energy, and their deep expression of faith, the Knoxes have been warmly received and loyally followed. Bishop Knox became acquainted with the people of our conference quickly through his involvement with the Capital Funds Campaign in which he was the featured speaker at each district rally; and through his systematic plan of visiting all of the districts where he and Edith had get-acquainted sessions with the ministers and their spouses and where the bishop would speak in several churches on Sunday.

Bishop Knox has identified very quickly with the various boards and agencies, the institutions, and the Conference Council on Ministries; and his participation in their meetings, along with his wise counsel, has given a sense of direction sorely needed. The avenues of communication which he uses so well give to both laity and clergy the good feeling that their bishop is available when they need him.

A priority of our new bishop is to work toward building bridges of understanding, trust, and love among all segments of our conference. All of us need to unite our efforts and sincerely pray, with him, for God's guidance to realize this goal. His desire to see a deepening of the spiritual life among United Methodists of Alabama and West Florida has resulted in the establishment of a position for an Assistant to the Bishop For Spiritual Formation; which position is to be filled at the sessions of the area conferences this week and next. This emphasis can do much to bring our clergy and laity to a renewed and deeper personal commitment to Jesus Christ; and provide the dynamic for a more dramatic witness to the world.

Having celebrated our past through our bicentennial observance, we now stand ready to move into our Third Century under our new episcopal leader who has shown us the qualities needed to be an excellent leader, and the capacity to gain the respect of those being led. Let us, then, sing together as we go on our way, "Lead on, O King Eternal, the day of march has come — — —"

Clifford M. Abbott, Chairperson

COMMITTEE ON COURTESIES

Bishop Knox and Fellow Members of the Conference:

As the 1985 session of the Alabama-West Florida Conference draws to a close, it is the Courtesies and Introduction Committee's responsibility to express the heartfelt gratitude to the many people who have done so much toward making this a meaningful and significant and comfortable time for us.

Of course, we want to thank those who have provided for our physical comfort and needs. We are grateful to the people whose work behind the scenes facilitated the carrying out of the business of the Conference. Dr. Allen Jackson and the Huntingdon College staff have gone the second mile in providing for our needs. We say a special word of thanks to our registrar, Rev. Tom Sheppard and his staff. They have worked with exceeding diligence.

The Ordination Service would not have been as meaningful if it had not been for the preparation and hospitality of Dr. Karl Stegall and the wonderful people of First United Methodist Church of Montgomery.

Because the work behind the scenes involved so many people, we cannot name everyone individually. The Conference is grateful to each of those unnamed persons.

We want to express gratitude for the emphasis on the preaching of the Word, the study of the Scriptures and the worship of God during our days here at this Conference. These emphases have added a significant dimension to the experiences of the 1985 session. Dr. Maxie Dunnam preached the Gospel with fervor and this inspired everyone of us. We gained new insights and understanding of the Scriptures through the messages of Rev. Carolyn Morris. We would also express thanks to Bishop Joel McDavid for his messages at the Ordination Service and the Laity Banquet.

We are grateful to the Committee on the Episcopacy of the Southeastern Jurisdiction for having assigned Lloyd Knox to our area. As Bishop Knox now comes to the close of his first time of presiding over an Annual Conference session, we express thanks to him for his ability to give presidential leadership to the administrative and business matters. At the same time, we applaud the installation of the Bob Vaughan "red light" — we hope that this same "timer" might be used by our fellow-Conference in North Alabama. We are grateful to Bishop Knox for many things, but we are most indebted to him for his coming and leading us in a dynamic way as our spiritual leader.

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1984 and the statement of investments at December 31, 1984. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1984 and the investments held at December 31, 1984.

JIMMY LEON ALLEN

1943-1984

The Reverend Jimmy Leon Allen was born on February 4, 1943 in Alexander City, Tallapoosa County, Alabama, the youngest of three sons in a family of five children born to Reverend and Mrs. L.L. Allen. He is a graduate of the 1962 Senior class of Coosa County High School in Rockford, Alabama. He attended Gulf Coast Junior College in 1963 and later attended Candler Theological Seminary at Emory University. He entered the Alabama-West Florida Conference in 1964 with his first appointment being St. Mark in Panama City, Florida. He went on to serve the Clanton Circuit, Bashi, Kingston, Shady Grove, Williams-Tennille, Ramer-Pine Level, Gainsville Charge, Mt. Hermon Charge, Coffeerville Charge, and he was serving the Jemison-Thorsby Charge when the Lord called him to live forever in Glory on August 15, 1984. He is survived by his wife, Rena; four sons, Jimmy Leon Allen, Jr., Harold Eugene, Carl Edward, and Travis Brooks; one daughter-in-law, Anita; one granddaughter, Crystal Lynn; his mother and father, Levi Leon and Aurelia Allen; two sisters, Nova and Nell; and his two brothers, Billy and Bobby.

Both my Dad's father and his two brothers are Southern Baptist preachers. All of the Allen preachers are known throughout much of Alabama. Because of my Dad's leadership, guidance, prayers, and love and, most importantly, by God's call I entered the ministry.

My Dad was always an inspiration for me. He helped pick me up when I was feeling down and out. He encouraged me in my school work, my family, and in the church field. I knew that if I had a problem I could always call him and he would always have an answer. He was unable to attend my first sermon but he called me that morning and he was more nervous about my first sermon than I was. When I first started pastoring a church he would call almost every Saturday to make sure I was prepared for Sunday. He would always tell me what he was going to preach on and he would give me a few ideas for sermons even if I already had my messages prepared for Sunday. We would talk very often about our goals and I can remember what he has told me many times. He said, "Son, all I have ever wanted to be is what I am now, a simple United Methodist preacher. Whatever you do in life you make sure to give it your all and do your best and I'll be behind you and support you all the way." He always kept his word.

My Dad accomplished his goal. He was just what he wanted to be, a United Methodist minister. He put his all into his ministry and he faithfully served the Lord for many years. In his ministry he encountered many different situations and he always handled each one with a great deal of love and patience. He loved all of his church members, fellow ministers, and, most of all, he loved the Lord. Now as I think of him I remember the words Paul wrote in his second letter to Timothy (4:7);

"I have fought a good fight, I have finished my course, I have kept the faith."

We shall all miss the Reverend Jimmy Leon Allen, Sr., my Dad.

Jimmy Leon Allen, Jr.

WALLACE GRADY BARNES

1892-1984

Wallace Grady Barnes was born in Fayetteville, Tennessee on December 8, 1892, the son of John and Alice Mae Barnes. While in college he served churches in the North Alabama Conference. On June 22, 1922, Wallace and Alice Tyler were married and four children were born of that union: Ernestine, Annette, William, and Carolyn. Wallace was received into full connection in the Alabama-West Florida Conference in 1927 where he served faithfully until his retirement in 1959.

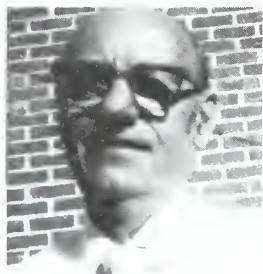

The churches that he served in the Alabama-West Florida Conference included Salem, Billingsly, Chisholm-La Place, Coffeetown, Echo, Jay, Burnt Corn, Uriah, Columbus, Autauga-ville, Deatsville, Butler, Samson, New Brockton, Eclectic, Trinity in Panama City, Lynn Haven, Grand Bay, and Blountstown. Following his retirement, and in association with the Dexter Avenue United Methodist Church, Montgomery, he visited shut-ins and hospital patients until his health made such visits impossible. In 1972 he and his wife moved to Belleville, Georgia, where he died on August 16, 1984. The Reverend Bob Norwood, South Georgia Conference, reminded those attending Wallace's funeral in the Belleville United Methodist Church, Belleville, Georgia, quoting John 1:6 that "There was a man sent from God whose name was Wallace Barnes. He was a man of single purpose — to serve God and humanity — and he found many ways to achieve his purpose." Interment was in the Brewton Cemetery, Claxton, Georgia.

HAROLL MARQUETTE DEVANE

1932-1984

Haroll Marquet DeVane was born the son of Francis A. and Elva DeVane on January 31, 1932 in Elba, Alabama. After attending Klitzing College (1950), Owassa College (1951) he enrolled at Troy State College in 1951, graduating from there with a B.S. degree in 1955. Although Haroll did not attend a seminary he completed the Conference Course of study and was licensed to preach on March 8, 1949 by the Troy District Conference. After achieving Approved Supply status in 1953, he was admitted on trial in the Alabama-West Florida Conference on May 31, 1956 and into full connection in 1960. On June 26, 1953 Haroll and Jo Ann Fuller were married. They had two children, Sheryl Ann and Leigh.

LUDIE ESTELLE HARRINGTON

1903-1985

Ludie Estelle Harrington, born in St. Stephens, Alabama to John Alexander and Lula Leonard-McKay Shoultz, was the seventh child of the family. The family moved to Pine Hill, Alabama when Ludie was very young; it was there that she grew up. She was a good student and in high school was active in basketball. She was active in the Methodist Church in Pine Hill. Her interest in music, stimulated by the study of piano and violin, continued throughout her life.

Ludie and Robert Harrington were married November 8, 1925 in Coxheath, Alabama. Two years later their first son, Robert L. Harrington, was born on September 8, 1927. Four years later their second son, Jerry Hill Harrington, was born on August 6, 1931. While in Coxheath, Ludie was active in church work, Bible studies, and playing piano for revival services. She and her family moved to Sweet Water, Alabama, where they owned and operated a store, farm, and other businesses. Ludie was very active in all of this but still she was active in the church and was active in PTA Local State District.

In 1958 something significant happened. Their son, Bob, had a Pauline conversion. He started giving testimonies in churches in Sweet Water and other places of his faith in Jesus Christ as his Lord and Savior.

Ludie saw that Bob had something that she did not have, so within the week she, too, accepted Christ as her Savior. Two weeks later her husband and son, Jerry, also accepted Christ as Savior. So Ludie and Robert, with their new found joy, started a new work in Bible study and prayer meetings with church and un-churched people in different homes, but always present in their own church services. In 1960 it was obvious that God called Ludie and her husband to the ministry. Robert was licensed to preach in 1962 from the Mobile District. Ludie was licensed to preach in 1963. Their first church appointment was Government Street Church in Greenville, Alabama. Ludie said it was like floating from Mobile to Greenville. They loved the people there very much; and were loved by them. Ludie was loved by all the churches they served. She never did take a church, but served as her husband's associate. She worked with the music and young people. She was a versatile person of beautiful character and personality, as a star shining to the entire family and community where they resided. The Harringtons enjoyed sharing the good news of what Christ had done for them. They served Government Street from 1963 to 1964; the Beatrice Charge, 1965; Brent Charge, 1966-1974; Verbena, 1975-1976. Retiring in 1976, they moved to New Orleans, Louisiana and worked for their son, Bob Harrington, who was nationally known as The Chaplain of Bourbon Street. They worked as counselors and in other capacities as well, with Robert preaching on

the streets and in the Bourbon Street chapel. Then from 1981-1984 they supplied Ebenezer Church, Wagarville, Alabama and Georgetown, Chunchula. Because of Ludie's poor health, the Harringtons did not take an appointment in 1985. Ludie entered the Mobile Infirmary on January 6 with chest pains which turned out to be a heart attack. The Lord called her home January 10, 1985. Ludie was ready to go, and entered into the Lord's rest with the other Saints.

Reverend Ludie Estelle Harrington's funeral services were conducted at 11 A.M., Saturday, January 12, 1985, Sweet Water United Methodist Church. Interment was in Aimwell Cemetery with The Reverend Coy Gaddis and The Reverend Eddie Young officiating. Survivors include her husband, The Reverend Robert Harrington of Mobile, two sons, The Reverend Robert (Bob) Harrington of Clearwater, Florida, and Jerry Harrington of Thomasville, Alabama, a sister, Mrs. Frank Palmer of Tuscaloosa, Alabama, five grandchildren, and seven great grandchildren.

JACK CLIFFORD HIGGINS 1918-1984

Jack, the son of C. Perry and Anna Lee Stout Higgins, was born in Pleasant County, West Virginia on April 5, 1918. As a child he attended the Waverly United Methodist Church, West Virginia. After graduating from the Parkersburg, West Virginia High School he served in the U.S. Armed Forces from which he was discharged in 1943. Following his conversion, he joined the West Virginia Evangelical United Brethren Conference where he was accepted as a probationary member in 1950. During this period, while attending Marietta College (Ohio), he was instrumental in establishing churches in Sand Hill and Ogdenville, West Virginia. Following his graduation from Asbury Seminary (Kentucky), with an M.Div. degree in 1956, Jack served churches in Point Pleasant and Parkersburg, West Virginia. While in the West Virginia Conference (E.V.B.) he served on various boards and as a delegate to two General Conferences in addition to serving as a delegate to The 1968 Uniting Conference held in Dallas, Texas. Jack transferred from the West Virginia Conference to the Alabama-West Florida Conference in May 1978 where he served the Bagdad-Mae Edwards Circuit and the Hope Hull United Methodist Church until his death on August 6, 1984 while en route to an education meeting where he was to have the invocation.

Funeral services were held in the Hope Hull United Methodist Church, Hope Hull, Alabama. The Reverend James Dannelly, Superintendent of the Montgomery District, conducted the service along with Major Kenneth Johnson, Officer in Charge of the Salvation Army, Salisbury, Md., the brother-in-law of Reverend Higgins.

On September 15, 1956 Jack and Marion K. Jones were united in marriage in the Vienna Evangelical United Brethren Church, Vienna, West Virginia. Four fine sons were born of this marriage: Daniel C., Michael P., Mark P., and Philip C.

Jack's great love was preaching. He was never happier than when he was in the pulpit. His strong insight into the scriptures was reflected in his evangelistic sermons. Jack loved his family and took time along the way to enjoy them with camping trips, traveling, boating, and skiing. He was never so busy that he could not become involved in his boys' Little League games, PeeWee football, and the numerous outdoor sports and school activities. His Christian outreach is demonstrated by his service as a Ham Radio Operator by which he often talked with missionaries from various countries as they joined together in a prayer and Bible study net. Surely Matthew 25:21 sums it up when our Lord said: "His Lord said until him, 'Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy Lord.'"

EARLINE OWEN

1908-1985

Not many people begin a whole new career at the age of sixty-one, but Earline Owen, better known as Nannie, did just that when she became a Methodist minister and a student at the Candler School of Theology.

Nannie was born in New Brockton, Alabama, July 6, 1908, one of five children. Her mother, Margaret Bloodworth, died when she was seven. Her father, Hugh Shealley Owen, died when she was fifteen. She graduated from Geneva County High School at the age of fifteen and began teaching when she was only sixteen.

Nannie was married to Ralph Solomon Bedsole on August 6, 1925, and had two children: Margaret Bedsole Shelley and John Owen Bedsole. She had five grandchildren and three great-grandchildren.

She received her education through her own efforts, attending college during the summers. In 1950 she received her B.S. from Troy State University; in 1956, her M.A. from the University of Alabama, and continued Post M.A. studies in psychology and reading.

Nannie's thirty-nine years of teaching included first-grade, high school, and girl's basketball coaching. During her years of teaching, she received many superior awards. While teaching, however, she still found time to become deeply involved in her beloved Methodist Church: teaching Sunday school, playing the piano and organ for services, directing the choir. After she became involved in lay speaking, she made the decision to go into full-time Christian service and become a minister. She completed the course of study at Candler School of Theology in 1974.

She became a Lay Pastor in 1970 and was ordained as a Deacon in 1972 by Bishop Kenneth W. Goodson. In 1975 she became an Associate Member. During her ministry, she served on the District Staffs as Director of Missions and Director of Worship. She was on the conference Commission on Worship and wrote a guidebook of worship for Methodist churches. How proud she was of her Methodism!

Her appointments included Kinston, 1970-74; Seale, 1974-78; and Elizabeth Chapel, 1978-80, when she "retired."

Nannie was strong-willed, determined, fiercely loyal, competitive, eager, generous, and positive. She looked for and found the good in everyone, and truly lived her life for others. Her love of God and her ministry touched many, many lives. Yes, my Nannie was a most unusual woman who accomplished more than I could ever tell.

We celebrated her life on April 9, 1985, at Elizabeth Chapel, Route 2, Milton, Florida, with the Reverend H. Paul Mathison conducting. Assisting were the Reverends C. Jonathan Couey and Joseph H. Reams.

The following poem, written by Nannie, reflects the philosophy of one who spent much of her life serving God and others. We love her and we miss her, but we feel her presence as we read:

Do not stand at my bier and weep;
I am not here, I do not sleep.
I am God's child — His very own.
Here in His world, I've lived and grown.
I am a part of wafting winds that blow,
Or the murmuring ripples of streams that flow.
I am in rays of sunlight on golden grain;
I am hiding in the gentle, falling rain.
When you awake in the morning's hush,
I am in the swift upflung rush
Of singing birds in circling flight;
I am in the star-shine and moonglow of tender night.

I am part of the myriads of flowers that bloom.
 They're the richness of color chasing away gloom.
 I am a bit of humanity on the flotsam of life
 I am no stranger to toil, sorrow, and strife.
 I share your lives, our Church, our Church to be.
 God touched us, loved us, gave us eternity.
 Do not stand at my grave and cry.
 I am not there; I did not die!
 I AM!

DANIEL W. RHODES

1914-1984

Daniel Whitfield Rhodes was born in Reeltown, Alabama, November 8, 1914, the son of Henry Clay and Bessie Pertete (Robertson) Rhodes. Much of his early years were spent in the area of Tallapoosa County.

He felt the call into Christian ministry at a late age but remaining true to that call, was appointed to the Williams-Tennille Charge in 1968. During the next three years, he was a student in the Course of Study School at Emory University. He served Rutledge for 1969-1971 and was ordained a Deacon in 1971. Other appointments included Sepulga, Coffee Springs, Dozier, Bashi, and Allen. While serving the Allen Charge, illness forced him to retire from the active ministry.

He married Thea Olean Walls. They had five children, one son is a member of the Alabama-West Florida Conference.

In retirement, Daniel W. Rhodes and his wife returned to their home near Lake Martin. He stated many times that he would never retire from sharing the "gospel."

He was called to join the Church Triumphant on Saturday, June 2, 1984. The funeral service was held at the Union United Methodist Church at Union, Alabama, on Monday afternoon, June 4, 1984, with his friends, The Reverend Lewis Doan, The Reverend Marquis Wingard, The Reverend Cecil Coleman, and The Reverend Alton Pitchford, officiating. In his service, the tremendous urgency of sharing Jesus and his dedication to doing just that was the message that rang out loud and clear just as it did throughout his earthly ministry.

His earthly body was buried at the church cemetery. He is survived by his wife, five children, 14 grandchildren, and two great grandchildren.

He often sang a song "What A Day That Will be!," that tells of the great hope and promise that all Christians share. He has truly experienced that already.

FRANCES POWERS McLEOD

1891-1985

December 16, 1959 was an eventful day and a thrilling day for one of the most hospitable and best loved ladies that ever graced a parsonage in the Alabama-West Florida Conference. For on that day, Frances Powers McLeod and her husband, Dr. J. Fletcher McLeod, were honored at a reception on the occasion of their 50th wedding anniversary, hosted by their daughter, Lena McLeod Street — a day to be remembered and cherished. Less than three years later, Dr. McLeod entered the Church Triumphant.

Frances Powers McLeod was born in Georgiana, Alabama on July 24, 1891, the daughter of William Ira Powers and Louberta Moody. Frances attended Alabama Conference Female College (an earlier name for Huntingdon College) graduating in the class of 1909. Later that year she married a young Methodist

preacher whose ministry was to cover 47 years of distinguished and dedicated service. The McLeods had four children — John Fletcher, Lena, Lionel Powers, and Wallace Norman. Their son, Powers, retired in 1981 after 31½ years in the ministry.

Frances was an outstanding person on her own right. She provided a loving atmosphere for her children and husband. However, she found time to participate and hold office in numerous college and conference organizations. She served on the Huntingdon College Alumni Board for many years. Through her dedicated efforts the college was able to locate and maintain contact with many of the older alumni. Before the uniting Conference in 1939, Frances held several responsible positions in the Conference Woman's Missionary Society of the Methodist Episcopal Church, South. In 1941, she served as the Conference secretary of missionary education and service. In 1950, she was appointed as Chairperson of Research for the Southeastern Jurisdiction Woman's Society of Christian Service of the Methodist Church, a position she held for seven years.

This great lady died on May 2, 1985. At the graveside, following the funeral service, her family released a host of colored balloons which soon appeared to be heaven bound — a loving tribute for one who will be long remembered as a faithful servant of Christ and His Church — for one whose vibrant spirit was a joy to behold and whose friendship was a treasure to cherish.

She married O.T. Mason in 1956. Mrs. Mason was the mother of three children: J. Walter, Cecil M., and William H. Her eldest son, J. Walter Ellisor, is the Superintendent of the Marianna-Panama City District. Mrs. Mason was a lady of grace and beloved by all who knew her. She passed away on February 8, 1985 and the large number of folks who attended the graveside interment at the Greenwood Cemetery in Montgomery attest to her many friends throughout the conference.

ELEANOR COOK GRAHAM NICHOLS

1915-1985

Eleanor Cook Graham was born on December 14, 1915, in Toronto, Canada. Her father, William Creighton Graham, was a Canadian Methodist minister who became a theological professor, serving at McGill University in Montreal and the Divinity School of the University of Chicago. She had a strong Wesleyan ancestry on both sides of her family. Her mother was Ella Cook.

Eleanor was graduated a Bachelor of Arts from the University of Chicago in 1938. She received her degree on one day and was married the next day to John Bransford Nichols of the Alabama-West Florida Conference. Their married life covered forty-seven years, forty in pastorates and superintendencies, and seven in retirement after 1978. Four children were born to them: Judith Creighton, Ellen Cook, Marcia Tyler, and Madeline Bransford. Six granddaughters, one grandson and two step-grandsons also survive her.

Eleanor was a stellar wife and companion, peerless parent, brilliant thinker, avid scholar, competent writer, gifted speaker, capable leader, devout believer, and faithful servant of our

Lord Jesus. In her own distinctive career she served in many capacities as teacher in local churches and in conference Schools of Missions in the southeast, and as District and Conference President of United Methodist Women.

Her life ended on January first, 1985, two weeks after her sixty-ninth birthday, and her mortal body rests in Bayview Cemetery, overlooking Pensacola Bay.

RESOLUTION No. 1

BACKGROUND—

During the meeting of the Board of Trustees of Auburn University on March 17, 1975 at 2:00 P.M. under item 13 the following resolution was passed:

- (1). That, effective with the beginning of the Summer Quarter, 1975 all students entering Auburn University from out of the state who are dependent sons and daughters of ministers will be charged the usual out-of-state fee.
- (2). That all dependent sons and daughters of ministers currently enrolled will be permitted to waive the fee until their graduation.

Note: (This would cost a minister \$2,000.00 extra the first year of enrollment.) Now, Therefore, Be it resolved by the Alabama-West Florida United Methodist Church Annual Conference

- (1). That the above resolution should *exclude* ministers of the Alabama-West Florida Conference who reside outside the state of Alabama because when the school which is now Auburn University was given to the State of Alabama by this Annual Conference it was agreed by the parties that no minister of the Annual Conference serving an appointment outside the State of Alabama would be charged out of state fee for dependent boys and girls in the minister's household attending Auburn University.
- (2). We the Members of the Annual Conference in the 1985 session respectively request the Trustees of Auburn University to make this correction in Item 13 of the March 17th meeting.

RESOLUTION No. 2

RESOLUTION CONCERNING CHARITABLE DEDUCTIONS FOR FEDERAL INCOME TAX

February 26, 1985

WHEREAS, recent tax proposals within the Treasury Department may seek to severely limit or abolish the charitable deduction for federal income tax purposes; and

WHEREAS, it has been public policy for the government to encourage philanthropic giving and charitable work through the maintenance of a charitable deduction from federal income tax since the inception of the federal income tax law; and

WHEREAS, it is reported that among proposals under consideration are the elimination of the charitable deduction for non-itemizing taxpayers originally enacted in 1981, the elimination of deductions for charitable gifts for gifts under 2% of the taxpayers adjusted gross income, and the limitations of charitable deductions for gifts of appreciated property to actual costs plus an inflation factor, or actual market value, whichever is less; and

WHEREAS, studies indicate that the impact of such proposals would be to decrease the total of charitable gifts, as well as to significantly reduce the leadership gifts to charitable causes;

WHEREAS, in light of proposals to curtail or cut back government programs in support of education and for the provision of social services, it is expected that churches and other non-profit organizations will move to take on a greater role in these areas; and

WHEREAS, in order to assume such a role, such organizations will need to make greater demands upon their constituencies for financial support; and

WHEREAS, the tax proposals as reported would have a negative impact upon the levels of such support, therefore:

BE IT RESOLVED, that the Alabama West Florida Conference of The United Methodist Church hereby records its strong support for maintenance of the existing rules regarding income tax deductibility for all charitable contributions, continuation of the charitable deduction for non-itemizing taxpayers, and continuation of the current rules concerning gifts for appreciated property at market value.

BE IT FURTHER RESOLVED, that the Conference instruct the Secretary to send a copy of this resolution to President Reagan, Secretary of the Treasury Baker and Congressional leaders.

RESOLUTION No. 4

WHEREAS, the Social Principles of The United Methodist Church recognize that "gambling is a menace to society, deadly to the best interests of moral, social, economic, and spiritual life, and destructive of good government"; and

WHEREAS, the 1980 General Conference resolved that The United Methodist Church oppose the legalization and state promotion of gambling, that United Methodists abstain from gambling practices, and that we should work to influence the repeal of existing laws that give gambling a place in our society; and

WHEREAS, the sentiment in the States of Alabama and Florida appears to be in favor of legalized gambling as a means of revenue, even at the expense of the moral life of its citizens; and

WHEREAS, the establishment of Dog Tracks is evidence of the growing dependency upon legalized gambling for revenue in local and county government; and

WHEREAS, we are alarmed at the possibility of state lotteries and the granting of authority to establish other dog and horse tracks in the States of Alabama and Florida.

BE IT RESOLVED that these concerns be referred to the Board of Church and Society of the Alabama-West Florida Conference for a study of gambling in the States of Alabama and Florida, and that a report of this study be presented to the pastors and churches of our Annual Conference;

BE IT FURTHER RESOLVED that the Board of Church and Society formulate, plan for, and lead our Annual Conference in opposing any future expansion of gambling in the States of Alabama and Florida.

STANDARDS FOR CONTINUING EDUCATION

Alabama-West Florida Conference
 The United Methodist Church

I. CONTINUING EDUCATION FOR THE MINISTER

A. THOSE REQUIRED TO MEET MINIMUM STANDARDS

1. Members of the conference in full connection — including all who are appointed or employed in active ministry.
2. Probationary members who have completed educational requirements and are appointed full-time.
3. Associate members.
4. Full-time Local Pastors who have completed the course of study plus 60 hours.

B. THE FOLLOWING AREAS ARE INCLUDED AS APPROPRIATE CONTINUING EDUCATION

1. Growing in professional competency.
2. Growing in the knowledge and skills of spiritual disciplines through which spiritual formation is an ongoing part of one's total life and ministry.
3. Growing in self-awareness including an understanding of life goals, strengths and weaknesses, and personal characteristics.
4. Growing in skills that enhance the selection and use of support systems. Examples are: relationship building and time management.
5. Growing in non-professional competencies that are essential for effective Christian discipleship; i.e. home and family, leisure, civic, cultural, social, health, etc.

C. PLANNING THE INDIVIDUAL MINISTER'S CONTINUING EDUCATION

1. It is largely up to the individual minister to plan his/her own personally designed learning program of continuing education.
2. Continuing Education plans which meet annual conference minimum standards, should reflect a well integrated, systematic method of meeting the individual minister's needs, both strengths and weaknesses; and should show movement in ministerial effectiveness.
3. Help in determining strengths and weaknesses should come from the PPRC in its annual evaluation of the minister. Along with this evaluation should come the local church's willingness to grant study leave and financial assistance to the minister for Continuing Education.
4. Ministers are encouraged to take advantage of life-assessment and growth analysis workshops which will be scheduled annually in the conference.
5. The minister may seek help from the conference Continuing Education Panel, when attempting to match future continuing education events with current needs.

D. MINIMUM STANDARDS FOR THE MINISTER'S CONTINUING EDUCATION PROGRAM

1. The measuring unit shall be the C.E.U. (Continuing Education Unit).
2. Definitions:
 - a. **ONE CONTINUING EDUCATION UNIT:** Ten contact hours of participation in an organized Continuing Education experience, under responsible leadership, capable direction, and qualified instruction.
 - b. **CONTACT HOUR:** A typical 50-minute classroom instructional session, or its equivalent. Ten instructional contact hours are required for one Continuing Education Unit (CEU). A Continuing Education event must have a minimum of five contact hours to be considered a CE event, and to be able to grant .5 CEUs.
 - c. **RESPONSIBLE SPONSORSHIP:** C.E.U.s offered by approved agencies such as United Methodist agencies, Clinical Pastoral Education agencies, Institutions of Higher Education, and approved professional agencies will be accepted by this conference.

The sponsor must assume administrative responsibility for the program, including the assignment of direct supervision of the activity to a professionally capable program director or educational administrator, and the maintenance of a permanent record system. (The reputation and organizational integrity of the sponsor are reflected in the quality of the education experience which is provided.)

- d. **CAPABLE DIRECTION:** The elements of capable direction include professional educational leadership in program planning and development; selection of the most effective educational format for the intended purpose and objectives; assignment and administration; and the design applicable to both individual participants and the total program.
- e. **QUALIFIED INSTRUCTION:** The instructional staff should have the following qualifications: competence in the subject matter; ability to transmit educational content to the participants; understanding of the program objectives; and knowledge and skills in the instructional methodology and learning process to be employed.
- f. **CONTACT HOURS SUITABLE FOR CONTINUING EDUCATION:** Classroom or meeting session hours with direct participation between the learner and the lecturer or discussion leader; laboratory sessions; clinical experiences; field trips and activities using non-traditional methods of instruction (such as independent study, directed reading or correspondence courses). The last three items must be balanced with an equal number of classroom hours, as determined by the director of the program.
- g. **ACTIVITIES NOT TO BE INCLUDED WHEN CALCULATING CONTINUING EDUCATION:** Meeting time devoted to business or committee activities, meeting time devoted to announcements, welcoming speeches or organizational reports; time for study, assigned reading reports, written

assignments and other related activities outside of the class or meeting schedule; scheduled time allocated for social activities, coffee hours, luncheons, dinners, etc.

- h. **LIMITATIONS ON AWARDING CEUs:** The following are examples of types of activities for which CEUs are NOT awarded to individual participants: Any program carrying academic credit to complete first professional degree or other academic requirements; committee activities; attendance at cultural performances, entertainment or recreational meetings or activities, and participation in travel groups except those tours which grant CEUs or University credit; on-the-job training, apprenticeships; the independent writing of articles or research reports; individual, self-directed studies; and the teaching of CE events, unless balanced with equal number of direct class hours under responsible leadership in that event.
- i. **MINIMUM CEUs REQUIRED:** Four earned CEUs biennially (occurring once over two years). A total of four CEUs must be reported by 1985 Charge Conference for those appointed full-time the years of 1984-85 or longer.

E. APPLICATION FOR CEUs

1. Individual ministers wishing to receive CEU credit for their Continuing Education must apply in advance of the event or study in order that their work may be valid. (Check CEU space on Event Registration form; or see #4 below).
2. Ministers planning reading programs under proper accountability structures shall report their plan to the charge conference and the Continuing Education Panel prior to the beginning of the program, and to the Continuing Education Panel at the conclusion of the program for .5 CEU. One reading program for credit is allowed each year.
3. Organizers of Continuing Education events in the annual conference shall make application to the Continuing Education Panel for CEU accreditation. The Panel shall supply forms, available upon request, which must be approved before any advertisement of CEUs may take place on event brochure. Brochures of approved Continuing Education events must carry the following statement:

THIS CONTINUING EDUCATION EVENT IS APPROVED BY
THE BOARD OF ORDAINED MINISTRY'S
CONTINUING EDUCATION PANEL FOR C.E.U.s

4. Ministers who wish to attend Continuing Education events which meet minimum standards, but which do not offer CEUs, may apply to the CE Panel for credit prior to attending the event. If the event is approved, a certificate or letter from the event coordinator must be sent to the CE Panel for credit to be awarded upon completion of the event.

II. CONTINUING EDUCATION AND THE CHARGE CONFERENCE

- A. The basis of Continuing Education planning and the integrity of the minister's accountability lie with the charge conference and the presiding elder. The annual meeting provides opportunity for launching and debriefing, for planning and evaluating, for dreaming and reporting results. It shall be the duty of the presiding officer of the charge conference to receive the minister's Continuing Education report and to offer recommendations and observations.

Request For An Episcopal Ruling

We request an episcopal ruling regarding the powers of the Administrative Board as set forth in paragraph 256.1 of the 1984 Discipline:

Since there is some ambiguity concerning the relationship and accountability of the Committee on Pastor Parish Relations to the Administrative Board. We ask for clarification of accountability and relationship of the Committee to the Board.

Presented by T. Leo Brannon

Not Supported by the Annual Conference, but later the Bishop agreed to make a ruling Bishop J. Lloyd Knox's ruling (must be reviewed by the Judicial Council):

Summary of Decision:

Since there is already a precedent in the matter of whether the Pastor-Parish Relations Committee is amenable to the Administrative Board in Judicial Council Memorandum No. 509, and since the paragraphs in the 1984 *Book of Discipline* which refer to this matter are substantially unchanged from the 1980 *Book of Discipline* it is my decision that the Pastor-Parish Relations Committee is not amenable to the Administrative Board of a local church.

The Pastor-Parish Relations Committee of a local congregation is basically advisory with regard to ministerial appointments, which are the responsibility of the cabinet. The PPRC is advisory to the congregation, the pastor(s), the district superintendent and the bishop.

James Lloyd Knox

PASTORAL LETTER
FOR FIRST DAY OF ALABAMA-WEST FLORIDA CONFERENCE

The Alabama-West Florida Conference is a growing, vibrant expression of the Christian faith. Our sessions of the Annual Conference help us to focus on the mission and ministry of our Lord Jesus Christ.

We have had a good year with district conferences and missions rallies, spiritual formation retreats for pastors, input from districts on the Bishops Peace Initiative, and a marvelous Convocation on Preaching.

It is good to be together at these sessions — to see each others' faces, sing the great hymns of the faith, honor our retiring pastors, and ordain our new ministers.

Let us pray for harmony and joy at this conference. We can have healthy debate and loving respect for each other, even when we disagree.

As we celebrate yet another milestone in the history of this great conference, may we covenant together to show forth Jesus Christ in facing the future with great hope and expectancy.

Faithfully yours,
J. Lloyd Knox

Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

Symbols used *before* each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R—1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference, ROM—Retired Member, Other Conference.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment).
*—No Record of Attendance at Annual Conference.

NOTE—Beginning in 1983, the service years listed with each person are "years under appointment" until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Conference Council Staff member assigned to the Board of Pensions.

—The Conference Secretary

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry has worked closely with the District Committees in receiving and processing the names of persons who are candidates for various levels of ministry. The Registrars for the Conference Section and the Local Pastors Section have done a commendable job in keeping accurate records on the fulfillment of the responsibilities of each candidate. Members of the Board of Ordained Ministry have been available for advice and counsel as persons make progress toward their goal in ministry.

The Board of Ordained Ministry has sought to establish a closer tie with seminary students. Annual visits are made to Candler, Duke, and Asbury. Our Conference is extremely proud of the fine work being done by our seminary students. We are looking for new ways to stay in close communication with them and offer encouragement and counsel.

One of the newest changes in our work has come in the area of continuing education. This past year Huntingdon College and the Board of Ordained Ministry signed a contract to work together in this area. The two parties agreed "to establish the Office of Education Units . . . and to record said awards in a permanent depository." Henceforth, all continuing education correspondence will be sent to this office which is directed by Mrs. Mary Ellen Bullard who is in charge of continuing education for Huntingdon, a member of the Continuing Education Panel, and donating her services on behalf of the college. She will process routine "group" and "individual" requests forms and confer with the chairperson and/or the panel on questions and policies for newer areas of continuing education. An equivalent program is taking place between the North Alabama Conference and Birmingham Southern.

This team ministry with Huntingdon will enable the Board to do a more effective work in continuing education. With the ever-increasing volume of ministerial correspondence and continuing education events, this will enable us to keep more accurate records, and the Conference better informed about sponsored events.

We continue to urge churches to pay the full apportioned amount of ministerial education fund. This money is used both for ordained and diaconal ministers. With the continuing increase of the cost of seminary education, this fund is vital in helping persons who will be serving in our Conference in the future.

We ask for the prayers of the people of this Annual Conference as we strive to fulfill our responsibilities in helping people respond to God's call for ministry.

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry completes its tenth year and continues to be responsible for the diaconal ministers and those who have professional certification within our conference. This year there are 22 diaconal ministers, 18 certified Christian educators, and 10 certified church musicians that our board is responsible for. In addition we are working with 8 candidates for consecration as a diaconal minister and 10 candidates for certification. We are also working with over 10 persons who have expressed interest in consecration or certification, but who have not yet entered the candidacy program.

The Mentor Program for Diaconal Ministers continues to go well. This particular program is utilizing 5 diaconal ministers within the Alabama-West Florida Conference to serve as mentors to guide all candidates through the process of consecration. Within the next Conference Year, the board hopes to have a conference wide training event to train additional personnel to be mentors to lighten the load on the existing 5 mentors.

At the suggestion of Bishop Knox, a new program entitled "Multiple Staff Start-Up Seminar" was co-sponsored by the Board of Diaconal Ministry and the Board of Ordained Ministry. This particular seminar was designed to help build staff relations within those staffs where change of appointments is taking place.

Every two years the Board of Ordained Ministry and Board of Diaconal Ministry co-sponsor a Multi-Staff Seminar for existing staffs. This seminar will be at Blue Lake on February 2-4, 1987. We hope to have Bishop Roy Clark, of South Carolina, as our resource person.

The board also encourages everyone to read the new guidelines as proposed for diaconal ministers in the *Discipline*, especially paragraph 315 which reads "The employing agency in which a full-time diaconal minister is serving shall provide:

1. Adequate salary, pension benefits, with an opportunity to participate in the United Methodist pension and benefits funds, health care insurance, and continuing education. It is expected that these will be guided by the Annual Conference standards for ordained elders.
2. Social Security benefits as required by federal legislation."

You are reminded that the 1984 Session of Annual Conference adopted the following guidelines:

1. **SALARY:** To provide a starting salary for diaconal ministers that is no less than the minimum financial compensation of ordained elders (base salary, plus travel, utilities and housing).
2. **HEALTH CARE:** To provide a health care insurance plan for diaconal ministers equivalent to the conference health insurance plan.
3. **PENSION BENEFITS:** To provide a pension plan for diaconal ministers equivalent to the Cumulative Pension and Benefit Fund, a reserve pension plan for United Methodist lay employees.
4. **CONTINUING EDUCATION:** The employing agency shall provide annually adequate time and financial support for continuing education. It is also urged that the employing agency provide adequate sick leave and vacation time.

The board joins the Conference Board of Pensions to encourage all churches to provide pension benefits for all diaconal ministers and lay employees in the Cumulative Pension and Benefit Fund.

Rudy Heintzelman, Chairperson

BOARD OF LAITY

During the Conference year 1985-86, the Board of Laity has come to a renewed understanding of its unique role in the ministry of The United Methodist Church. The Board has realized that regular meetings of the Board not less than four times each year, attended by substantially all of its members are essential to the leadership of the laity in the Church. In order for the laity to exercise its proper role in the Church, it is necessary for lay members of The United Methodist Church from all over the Alabama-West Florida Conference to meet

together on a regular basis and establish a warm, Christian relationship and friendship in order to effectively carry out the ministry of the laity in the Church.

The role of the Board of Laity is to provide dedicated Christian services to the Church. Our role is not only to establish policy, but to establish processes to further the purposes of The United Methodist Church.

A knowledgeable body of lay persons who know each other, who know the policies and institutions of the Church and are thereby familiar with the structure of the Church and the personnel of the Church is essential to the sound functioning of the Church.

The Board of Laity is striving to be supportive of each of its constituent groups; i.e., United Methodist Men, United Methodist Women, United Methodist Youth, the Lay Speaking Program and the Stewardship Program. We are attempting to be supportive of each of these important functions as well as to be supportive of all other ministries of the Church.

The Board of Laity realizes that sound district organization in accordance with the requirements and suggestions of the *Book of Discipline* are necessary in order for the Board to implement its communicative and interpretive functions.

Accordingly, the Board has attempted to assess its own strengths and weaknesses, to be informed of the strengths and weaknesses of its constituent groups, and to be informed of the strengths and weaknesses of the district organizations in each of the districts, including the constituent groups in each of the districts.

The Conference Lay Leader, as Chairman of the Board of Laity, has travelled extensively throughout the Conference in an attempt to promote an understanding of the unique role of the Board of Laity as well as to establish the essential role of leadership of the Conference Lay Leader. The Board of Laity realizes the importance of providing a high degree of visibility both within the Church and within the community of lay persons in positions of leadership in the Church and in positions of leadership in the Church community.

UNITED METHODIST WOMEN

With the 1985 theme, "Mission Alive — The Ongoing Journey," 525 United Methodist Women of the 11,599 membership of the Alabama-West Florida Conference Organization assembled in the gymnasium, Blue Lake Assembly Grounds on October 5, 1985, to celebrate the past year's accomplishments and challenge the on-going journey into the future. Mrs. Leora Hatch, President of the Southeastern Jurisdiction Core Planning Group and Director with the Women's Division, as speaker for the annual event, challenged the group with "We are called to be all that we are meant to be!" The business conducted at the conference meeting included (1) pledging \$168,026.78 to undesignated giving, (2) recognizing units with increased membership and newly organized units, (3) electing eight conference officers, (4) presenting twenty-three certificates to local units who completed three mission studies with action in 1985. Guests greeted included: Bishop and Mrs. Lloyd Knox, Laura Roy, Sue and Haniel Jones, former missionaries; Paul Woolley, Carlton Caruthers, Fred Toland, and Jim Rains, Directors of Conference Specials; Dr. and Mrs. Roy Sublette, Conference Council Director; Reverends Lamar Brown, William Calhoun, Billy Gaither, Cecil Bradley, District Superintendents, and their spouses; Jane Weekley, Sue Jones, Gwen Rogers, past Conference Presidents; Jo Walton, President of Alabama Church Women United; Dr. Harry Newman, Southeastern Jurisdictional Field Representative of United Methodist Church; Dr. Paul Rouark, editor of the *Christian Advocate*; and Dr. J.B. Nichols, his daughter, Judith Talley, and grand-daughter, Kathryn Talley. The 1985 Annual Day Meeting was dedicated to the memory of Eleanor G. Nichols, past conference president who went to be with the Lord on January 1, 1985.

On Friday night, prior to Annual Day, a Mission Fair was held. Districts displayed by the use of posters the work of local units. A panel made up of Harry Newman, representing the World Division, Sue Jones, representing the National Division, Leora Hatch, representing the Jurisdiction and the Women's Division, Eloise McGucken, representing the conference organization and Dr. Annie Mae Turner as moderator, discussed the connectionalism of the United Methodist Women Organization and the relationship of the organization with The United Methodist Church.

The Annual Meeting Love Offering was \$1,047.21 given as undesignated giving to missions. To implement the Purpose "to Know God," a Conference-wide Spiritual Enrichment Retreat was held in the spring. 189 women gathered under the leadership of Mary Johns Dye, an ordained minister from the North Mississippi Conference, with the theme "To Know God," and acted out their faith. Throughout the districts were held "Day Apart" meetings and overnight retreats to deepen their commitment to God.

To experience freedom as whole persons through Jesus Christ the members participated in the Reading program, the Bishop's Peace Initiative programs and made items that were sold in the SERRV Shop at Annual Day that netted \$1,392.90 which was sent to mission giving undesignated.

Expanding concepts of mission continues to be dominant in trying to fulfill the PURPOSE of the United Methodist Women.

The Alabama-West Florida Conference hosted at Huntingdon College, Montgomery, Ala., the South Atlantic Regional School. The fifteen elected conference officers, Sue Jones, Women's Director from the Alabama-West Florida Conference, and Bishop Lloyd Knox attended the school. Ruth Heyne, Coordinator of Spiritual Growth of the Conference organization served on the Regional School Planning Committee, and one conference officer, Eloise McGucken, was certified to teach in the conference schools. The Conference Organization participated in the Conference Cooperative School of Christian Mission with leadership, attendance, and financial support. Mary E. Carter served as dean and Bess Evans served as associate dean. Studies presented were: "Daniel: A Track For Troubled Times," taught by Dr. Gordan Goodgame; "Native Americans," taught by Ms. Barbara Campbell; "The Earth is God's," taught by Richard Bauer. A seminar on "Women and the Law" was given to United Methodist Women and others by Mae Frances Spencer, Women's Director from Atlanta, Georgia. Laura Roy and Monza Wilson attended New Officers Training Event in New York City, New York, in December.

Eloise McGucken attended the Fall Meeting of the Board of Global Ministries, Women's Division in New York, New York in October.

Twenty members of the Conference Executive Committee attended a Leadership Development Workshop held at Blue Lake by the Women's Division under the leadership of Sarah Claridy, Murden Woods, and Freda Hasley from the Board of Global Ministries, Women's Division.

Twenty-six district officers attended the "Share the Vision — Say Yes" workshops sponsored by the Women's Division under the leadership of the Jurisdiction Core Planning Group. Demopolis District officers attended the Atlanta, Georgia, workshop, and the Dothan District officers attended the Lake Junaluska, North Carolina, workshop. One hundred-fifteen conference and district officers attended the Conference Leadership Development Workshop held at Blue Lake Assembly Grounds on Nov. 3, 1985. The Conference Organization continues to keep before its membership pertinent issues in today's world, such as, hazardous waste, apartheid, nuclear developments, racism, legislative issues pertaining to women and children; aging, civil liberties confronting women and children, and human rights and dignities especially involving women and children.

Through the many aspects of the organization, the members expressed their purpose with their varied interests, talents, and giving of \$246,653.07 to missions, locally, nationally and globally. As a Conference organization, the membership endeavored to be the "Christ" in the world through serving Him and their fellowman through the fulfillment of the PURPOSE of the organization which is: "The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church."

UNITED METHODIST MEN

James 1:22—*"Be ye doers of the word and not hearers only"*

This has been a good year for Alabama-West Florida U.M.M. in that we have finished the organization of our council with the exception of the four districts that do not have scouting chairpersons.

The U.M.M. spiritual retreat at Blue Lake was a great success in that we doubled our attendance from the 1985 retreat. It was led by Dr. Rex Mixson and the past conference layleader, Mr. John Sherrer. They challenged us to be Christ-like in everything we do and in all of our lives and to place God at the center of our every day actions. All the men then came forward and recommitted themselves to God's work.

The chairperson conducted workshops in five of the Districts' Super Sundays. They were well attended in all Districts.

The council has set goals of 300 fellowships and 7000-10,000 UMM by 1988 in the conference. With a lot of hard work and with God's grace, we shall reach our goals. Praise God.

We have two new district presidents, one in Dothan and one in the Montgomery District. We are proud of these men because they have committed themselves to the work of God through UMM.

We have had three District Presidents attend the workshop for the United Methodist Men's section of the General Board of Discipleship in Nashville.

We give God the praise and glory for all good work.

Joe R. Garriss, Sr., Conference President

CONFERENCE COUNCIL ON YOUTH MINISTRIES

The year 1985 was, in a sense, a new beginning for the Conference Council on Youth Ministries. With our new Conference Youth Director Bill Roy, we have taken a fresh look at our old ongoing ministries and we have embarked on some new projects that we hope will turn into strong ministries for youth.

Through the Youth Service Fund the youth of the conference continue to support several mission projects both in and out of our conference. One of these projects is our very own Y.E.S. Mission Camp held in both Mobile and Montgomery.

Last July the Alabama-West Florida CCYM sent four representatives to the National Youth Ministries Organization (NYMO) Convocation in Fort Collins, Colorado. Those who attended were Jennifer Story, Doris Roach, David Villars, and Bill Roy. Harrison Black, a member of the NYMO Steering Committee, is also from our conference.

Fall Rally, held last October, proved to be as great a success as always. The theme was "We Are The Hands Of God," the featured speaker was Greg McKinnon from Montgomery First United Methodist Church, and the featured singer was Lisa Whelchel ("Blair" on TV's "Facts of Life"). This conference-wide event was held at Blue Lake where around 2,000 youth and adults gathered for a day of games, music, fun, and fellowship.

Camping opportunities for youth this past summer were abundant. The Y.E.S. Mission Camp was held at Inner City Mission in Mobile. Plans are being made to continue a camp at that location and to start another Y.E.S. Mission Camp in Montgomery as well. The "In Search of Christ" camp, Junior High Camps, and Choir Camp continue to prosper.

The CCYM has spent much of its time not only putting into action activities for the youth of our conference, but also planning many exciting events for the future. We are pleased to present this report of a productive 1985 and to predict an even more productive 1986.

Jennifer Story, CCYM President

COUNCIL ON YOUNG ADULT MINISTRIES

The activities sponsored by COYAM in 1985 were the following:

1. January Retreat: held at Blue Lake, January 25-27, 1985 with Rev. Mark Rouch as the speaker. Thirty young adults from around the conference attended this retreat on communication.
2. June Retreat: held at Blue Lake, June 5-7, 1985 with Rev. Bill Mallard as the speaker. Twenty-five young adults from around the conference attended this retreat on Wesleyan theology. COYAM's fourth president and executive council were elected at this retreat.
3. COYAM Mission Trip: COYAM's first mission trip was to Oaxaca, Mexico, August 3-14, 1985. Six young adults, led by Rev. Ted Hoagland, worked on the Bugambillas Methodist Church, making concrete bricks, cutting support rods and painting. Sight-seeing in and around Oaxaca, and in Mexico City, were also a part of the trip.

COYAM had two planning meetings, one in April and one in November. At the November meeting it was decided to plan on a second trip to Oaxaca in August 1986.

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

June 1, 1985 to May 31, 1986

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

- | | |
|--|----------|
| 1. Norris Allen Fund | \$44,000 |
| 2. Hattie B. Norred Fund | 25,000 |
| 3. C.B. Gilmore Fund | 20,000 |
| 4. Mary Lloyd Reynolds Fund (as of 3/5/86) | 33,422 |

The first three funds are invested with the Board of Missions of the Alabama-West Florida Conference, and the income is used for scholarships by the Board of Ordained Ministry for students preparing for Christian Ministry or other full-time church related vocations in keeping with the wishes of the donors.

The fourth fund is a gift from the estate of Mrs. Mary Lloyd Reynolds of Brantley, Alabama, who requests that the interest derived from the corpus be used for National and World Missions. It is invested in a Certificate of Deposit in The Commercial Bank of Andalusia.

The Conference Trustees also hold title to the following real property:

1. Conference Headquarters Building, Andalusia, Alabama.
2. Staff parsonages in Andalusia, located at: 1202 Valley View Drive, 1403 Prestwood Bridge Road, and 100 Redbud Drive.
3. The Wesley Foundation Building, Auburn, Alabama.
4. Wesley Foundation Parsonage, 675 Scottswood Drive, Auburn.

The Trustees maintain all the properties. The Headquarters Building has been completely painted inside. The kitchen area of the building has been changed allowing for better use. A wall has been added to the computer room providing more compact working space and greater storage area for records and supplies.

A greater problem is the Wesley Foundation at Auburn where extensive repairs are urgently needed. The Trustees have provided for the development of plans for a complete new roof and the removal of asbestos from the interior of the building. Plans are needed for the remodeling of the building providing better space utilization and new heating and air conditioning equipment. The estimate for the accomplishment of these minimum needs is approximately \$300,000.00. A resolution providing authority to borrow up to this amount for the above plans will be presented to the Conference.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance and Amortization Fund. It is incumbent upon our local churches to provide funds for the proper maintenance and development of our property and the full payment of each asking is essential to this process. We are grateful for the response of our people that enables us to maintain our property in a way in which we can be proud.

FEASIBILITY STUDY COMMITTEE

The Feasibility Study Committee on the Relocation of Conference Headquarters has carefully considered the possibility of moving the headquarters of the Alabama-West Florida Conference from Andalusia, Alabama, to Montgomery, Alabama. Since July of 1985, we have met five times (three times in Andalusia, and two times in Montgomery). We have recognized the importance and significance of our recommendation to the conference, and we have taken our responsibility seriously.

The committee has considered the advantages of relocating the Conference Headquarters in Montgomery, but it does not feel that it is in a position to recommend this move, until further studies are made as to the efficiencies to be gained by such a major move.

Inasmuch as the information before the committee at this time is inconclusive, the committee recommends that additional time be given to study the total feasibility of a move from Andalusia to Montgomery. Much more study needs to be done to determine the economic feasibility of such a relocation.

COUNCIL ON MINISTRIES

The Council on Ministries continues in its varied dimensions of service under the quadrennial theme for 1985-88, "Third Century Visions, Faith in our Future."

There is no way to adequately express the gratitude which we feel for all of those lay and clergy women and men, across the Alabama-West Florida Conference, who give of their time and energies to further God's Kingdom through the connectional system of our conference.

We have continued in this past year, under the very capable direction of our full time staff in Andalusia and lay volunteers in our boards and agencies to coordinate and administer all of the varied ministries of our conference. We express with gratitude a special thanks for the ministry of Roy Sublette, Executive Director of the COM, and all of the associate directors — Mark Stewart, Gerald Maddox, Bill Roy, and Linwood Lewis.

We are pleased to announce a new staff person, The Reverend Terrence Hayes. Reverend Hayes will focus on Ethnic Minority Local Church concerns, although his portfolio will include involvement in a number of other ministries in our conference. He comes to us from Morristown, Tennessee, where he is currently pastor of the Bethel United Methodist Church and Bewley's Chapel. He also serves part-time as Director of Religious Affairs and Counseling for Morristown College. We are pleased to welcome him to our conference and we anticipate that this will be a significant step forward in improving the ability of the COM staff to be of service to a growing church.

Under the 1984-88 quadrennial theme of "Third Century Visions — Faith In Our Future" and the 1987 emphasis of "A Ministry of Education and Outreach," our various program boards and agencies met in an experimental joint Program Planning Session at Blue Lake, February 7-8, 1986, for the express purpose of developing and coordinating specific plans and opportunities for the program year 1987. The response to this effort by all groups of our conference was tremendously supportive and the excitement of sharing ideas and program proposals was electric. The enthusiasm for the event was succinctly summed up by Dr. Ross Freeman, Southeastern Jurisdictional Conference Council on Ministries Executive Secretary, who was present at the invitation of our Conference Board of Evangelism, when he stated in the SEJ publication, "United Methodist," referring to the event, "The experiment for the Conference was an unqualified success." Next year, plans are to schedule this exciting planning and sharing session a bit earlier on January 9-10, 1987, at Oakwood Lodge, Blue Lake. All boards and agencies should make their plans accordingly.

Among the many outstanding program projections in 1987 are plans by the Conference Board of Evangelism to implement the SEJ College of Bishop's and SEJ Council on Ministries' evangelistic program, "Offer Them Christ — A Blue Print for Evangelism." Other impressive efforts include the Conference Board of Education's emphases on Sunday School expansion; marriage, family, and singles' ministries, and the continuing efforts of the Conference Board of Church and Society in the areas of peace, gambling, adequate Department of Pension and Security funding and the curtailment of the avalanche of pornography and sexual violence in our society.

Plans are also underway for our Conference Council on Ministries to offer more practical and helpful training opportunities, such as the one on May 1-3, 1986, entitled, "The Enlistment, Care and Feeding of Volunteers," which was led by Marlene Wilson, internationally known authority on volunteer involvement. It is felt that in this way the Conference Council on Ministries and its staff can fulfill its primary role of "enabling the local church to be in more effective mission and ministry."

Another interesting development and project, initiated by the Conference Council on Research and Planning, is the appointment of a Task Force on Computer Management, headed by Dr. Marvin Grunzke, Montgomery District Lay Leader. This committee is charged with the responsibility of laying the groundwork for an initial effort to link district and conference offices and officers in a computer network, which will facilitate communications, reporting, record keeping, etc. The ultimate goal will be to connect local churches into the basic computer communications system which will open up gigantic potential for information, mission and ministry.

Once again, our plans are to put together a multi-media composite report for the proposed 1987 Conference Council on Ministries program. Last year's initial effort received such an

overwhelming positive response that it is our feeling that we will never go back to the era of "read reports" or even that of merely lifting up sections of a printed brochure. We are convinced that the multi-media presentation, along with the Consent Agenda and program brochure instruments, have facilitated our conference way of doing business and informing our people, from which we will never retreat. It has given our people a taste of the future that is quite contemporary and up-to-date, with the exciting response of both ministers and laity dictating our implementation of future developments in the field of communication.

We look toward that future with faith and enthusiasm.

Henry S. Roberts, CCOM Chairperson

Roy T. Sublette, CCOM Executive Director

THE BOARD OF MISSIONS

Report No. 1

The Board of Missions of the Alabama-West Florida Annual Conference has been active during 1985. Under the leadership of our Bishop, J. Lloyd Knox, Fall Mission Rallies were held in conjunction with the District Conferences beginning in November with the Demopolis District and moving all the way to the Marianna-Panama City District. A goal of \$67,500 was set for projects selected by the districts, and for the El Recreo de los Chiles church in the northern zone of Costa Rica. The offering far exceeded this goal so that the goal for 1986 was set at \$81,000. The projects will be again work in the districts, and in the Southern Conference of Mexico.

During the year the Board of Missions and the Board of Church and Society have jointly formed a Hunger Task Force. This group has filed a report for this copy of the journal.

We have continued to promote Advance Special giving throughout the Conference, and it has increased during this past year. This year we will also honor the Cokesbury Church, and the Perry Hill Road Church for their work with Ethnic Minority Local Churches. Cokesbury is host to the Mandarin Speaking Congregation in Pensacola, and Perry Hill is host to the Korean United Methodist Church in Montgomery.

Below is the report of the work of the committees of the Board, and of the agencies related to the Conference through the Board. We have had a good year, and are proud of our work.

NEW MINISTRIES SEARCH COMMITTEE — Report No. 2

The New Ministries Search Committee looked into a ministry in the Pensacola Area called Children's Resource Center Of Northwest Florida. It is a ministry to children with very special needs. The Center is bursting at the seams with its ministry and is seeking to move to a new location. Our committee recommended to the Board that the District Mission Secretaries promote this ministry through the Conference, and that the Board support their effort to become a National Advance Special. We further recommend that we seek a grant to give support to the project.

John K. Dickinson, Jr., Chairperson

THE COMMITTEE ON CHURCH EXTENSION — Report No. 3

During the year our committee has recommended and we have granted funds to the following churches: Loans to Ramer United Methodist Church in the Troy District (\$25,000), Wallsboro United Methodist Church, Montgomery District, (\$6,000). Grants: Ramer, Troy District (\$2,000), St. Luke, Pensacola District (\$4,000), Wesley Memorial, Pensacola, (\$4,000). We are also working on guidelines for the disbursement of the Capital Funds Campaign moneys which are coming in slowly at the present. Both the grant and loan money must clear through the Board of Missions, and we will have guidelines for application for this, as well as for the Board's grant and loan funds, and for Advance Special status, and \$10.00 club application. These last two come under the Committee on Promotion and Cultivation.

COMMITTEE ON URBAN MINISTRY — Report No. 4

The Committee on Urban Ministry is planning for a Conference-wide Consultation on Revitalization for March 21, 1987. This consultation will build on other consultations planned by other boards of the Conference, and will be for District Superintendents, Pastors, and specific lay persons from churches needing revitalization.

COMMITTEE ON PROMOTION AND CULTIVATION — Report No. 5

The Committee on Promotion and Cultivation is made up of the District Secretaries on Mission. This past conference year brought a new promotion in Alabama-West Florida — The Fall Mission Rallies. The committee very bravely set a goal for these rallies of \$67,500. The proceeds were designated for half to go to El Recreo de Los Chiles in the Northern Zone of Costa Rica and half to go to a project chosen in each district. There were nine very well attended rallies. The speakers included Bishop Knox and Raleigh and Louisa Pickard. When the rallies were finished and the offerings complete our goal was exceeded. The final total was \$71,000.

The rallies are planned again for Fall 1986. The District Secretaries have visited the Southern Conference of Mexico, which will be the recipient of this offering, and will promote the specific projects in each district prior to the rallies. The offering goal for 1986 is \$81,000.

The "Third Century Missions" booklet has been updated and distributed to each local church. This booklet is for the promotion of Advance Specials selected for our Conference. Each local church should use this booklet to become a THIRD CENTURY MISSION CHURCH. This is accepting and paying all World Service/Conference Benevolence and giving at least \$10.00 in each of six areas — World, National, & Conference Advance Specials; UMCOR; African Church Growth & Development; & World Hunger.

The \$10.00 Club has been reinstated. A new brochure has been sent out and new members are being registered. There will be two calls per year for members to contribute \$10.00 for church extension. A brochure is included in the Annual Conference delegate packet. The churches selected for 1986 are Trinity UMC, Semmes, Alabama, Mobile District and Wesley Memorial UMC, Milton, Florida, Pensacola District.

THE COMMITTEE ON UNITED METHODIST VOLUNTEERS IN MISSION — Report 6

During this year seven teams of volunteers from our conference went in to Mexico; Costa Rica; Haiti; Vashti, Georgia; Mountain Top in Tennessee to assist with construction, remodeling, and other projects on a short term basis. These work teams involved at least 120 persons from most of the districts of our conference as well as representatives of the Conference Youth Council and Conference Young Adult Council.

The Pensacola District has formed a Partnership-In-Mission with the Jamaica District which will result in work teams and tours in to that area of Methodism. Methodists from Jamaica will be visiting in our conference as well.

Volunteers in Mission is a growing ministry that offers a unique growth experience to every person who becomes involved as a volunteer.

TASK FORCE ON WORLD HUNGER — Report No. 7

This task force was charged with the responsibility to develop strategies for informing our people about how they can work in our world to eliminate world hunger (p. 258, 1985 *Journal*).

The elimination of hunger in our world seems so large a goal, but Christian conscience demands no less of us. We have responded to crises with emergency food supplies and with continuing programs aimed at preventing food shortages.

We face formidable obstacles in our war on hunger, but they are not always logistical, that is securing and transporting of food supplies. They are economic and political and it is impossible to deal with one apart from the other. Offerings to buy food and send it to starving people are not enough.

We must insist that our government bring to bear its considerable power and influence in order to affect those changes in political and economic structures that consistently deprive people of the basic necessities of life — not to mention "Liberty and the pursuit of Happiness."

We should also use whatever influence we have to compel those institutions operating in countries whose politics and economic policies contribute to the problem of hunger to use their influence to affect changes that will address the problem. Divestiture may be an appropriate weapon in this arena.

As for informing our people, we suggest an ongoing campaign, using information and materials provided by our own church agencies and any other sources available, to keep this problem before our people. The media supply us with appeals from other agencies, but our people need to know that we have a better alternative.

We have been able to say that nearly 100% of what we send to U.M.C.O.R. goes to the people for whom it is given. We want to continue to say this, so we suggest that any funds necessary for administration and promotion be raised in some other way. An alternative would be a slight increase in the asking for interdenominational cooperation or additional funds for U.M.C.O.R. channeled through the Board of Global Ministries.

We recommend continued study in areas having to do with hunger in churchwide mission studies and that bulletin boards, newsletters and other internal communication structures be used to inform our people about the problem and what we can do about it.

Finally, we ask that this Annual Conference designate November 2, 1986, World Hunger Sunday. We suggest that our people be asked to fast for one day prior to that Sunday and give what would have been spent for food on that day to the special offering for hunger on that Sunday. We further suggest that the time usually spent at meals be spent reading about and praying for solutions to the problem of hunger.

We encourage you to adopt the ongoing practice of fasting at such times as you will, one day each month or week, one meal each week, etc. Youth might deny themselves a snack or soft drink. Again, mealtime would become study time to become better informed about hunger and prayer time to pray for the hungry and for ways to help. Money thus saved would become a part of your continuing offering for the hungry people of the world.

THE CHILDREN'S RESOURCE CENTER OF NORTHWEST FLORIDA, INC. — Report No. 8

Children's Resource Center is a Therapeutic Educational Facility and is an Advanced Special of the Alabama-West Florida Conference. It is the home mission placement of its founder and Executive Director, Dottie Sarver, Deaconess. It is a non-profit center for children with special needs. Over the years, Children's Resource Center has grown into an outstanding facility offering special children a year round therapeutic/educational facility. We offer our students the benefit of a team of Special Educators, Speech Therapists, a Physical Therapist and a Certified Clinical Psychologist, all under one roof. Our goal for the children who attend our center is for each child to achieve his or her unique potential by utilizing our special facility. We take each child where he or she is functioning and move them forward through education, remediation, therapy, positive motivation and love to a point where they are ready to leave us and make their way in a regular environment. Our daily program presently handles 64 children and our outpatient enrollment continues to grow. Our present facility of 5,800 square feet is inadequate for our growing needs and waiting list. We are therefore in the process of planning to increase our facility through the purchase of land and adequate building space and a continued care home for special children, so that we may assure the needs of these, God's little children.

We need your continued prayers and support as we move out in faith in this venture. Any church that is interested in this ministry to children and would like us to speak to your church, please call (904) 456-9095 to schedule.

Dottie Sarver, Deaconess

THE UNITED METHODIST INNER CITY MISSION/ MOBILE METRO MINISTRY — Report No. 9

The United Methodist Inner City Mission/Mobile Metro Ministry completes 20 years of ministry and moves into the third decade of service with more need for this ministry than ever before.

Problems of hunger, housing, utilities and medical aid are not diminishing. They are increasing and effecting more people. Government efforts to balance the budget by making severe cuts in services to the poor and elderly is increasing the demands placed on this ministry. As government cuts back we are faced with the need for significant increases in United Methodist funding to take up part of the slack. The church is increasingly being called on to feed the hungry, clothe the naked, and visit the sick and imprisoned, provide the housing, exhibit the love, understanding and caring that Christ has commissioned us to do.

This ministry:

(1) Meets the spiritual needs of the poor and elderly by including worship, Bible Study and spiritual emphasis as a regular part of the program.

(2) Provides for special physical needs by repairing and weatherizing homes of the poor and elderly, providing homemaker services for the sick and elderly, offering opportunities for meaningful use of leisure time by operating a city park and providing involvement in organized sports, swimming and numerous other recreational programs.

(3) Teaches Inner City families how to spend their food dollar and how to prepare the food, offer a "helping hand" to children and youth struggling with school studies, and offers space for Adult Basic Education classes.

(4) Sponsors a youth group, organized to offset the "gang" influence, and this youth group cleans vacant lots, helps maintain an overgrown city cemetery and provides services to the elderly. They are known as "The Oakdale Christian Youth Service Club."

(5) Works with a community service club in fighting for a more beautiful neighborhood, for more job training and opportunity, and for improved housing for the community.

(6) Witnesses to special seasons with a "walk in" Thanksgiving Dinner and worship at noon on Thanksgiving Day for over 200 elderly and poor who have no place to eat. A live nativity presented by community youth speaks to the neighborhood about the true meaning of Christmas, and this year local business leaders commissioned the mission to find the poorest of the poor and provide them with the best Christmas of their lives. They raised almost \$20,000 and the mission found the families.

(7) Is a witness for the Christian Faith through a total ministry of love for all people.

The mission operated on a budget of \$95,000 United Methodist dollars in 1985 and provided service valued at almost 1 million dollars by using city, state and federal funds. Yet it is dependent only on United Methodist moneys for the basic Christian programs and loss of any or all government dollars will not diminish these basic ministries.

This ministry is prepared to accept the challenges of an accelerated ministry to meet these increasing unmet needs of our elderly and poor and remains dependent upon United Methodist people within the Alabama-West Florida Conference for the funds to grow and minister in the name of Jesus Christ.

More information is available by writing Rev. Fred Toland, Jr. at 913 S. Broad St., Mobile, AL 36603 or by calling 205-432-1122. This ministry is anxious to let our conference members know what a caring church can do.

THE AREA DISASTER RESPONSE COMMISSION — Report No. 10

This is a joint effort of the Alabama-West Florida Conference and the North Alabama Conference to more effectively meet the needs of people suffering because of natural disasters. The commission works closely with United Methodist Committee on Relief and Church World Service in responding to the hurts of these people.

The Commission this year is chaired by Rev. J. Fred Toland, Jr. and Rev. Gerald Maddox of the Alabama-West Florida Conference and Rev. Paul Owens of North Alabama coordinating responses in the two conferences.

The Commission worked in three hurricanes effecting these conferences in 1985 — a record year. This ministry provides counseling, temporary repairs, consultation, food and clothing as well as other needed services.

The United Methodist Church was present in areas devastated by floods and tornadoes in 1985 as well as doing extensive work following Hurricane Elena and Hurricane Kate.

The Commission can be reached at 205-432-1122 or by calling either Conference Headquarters if you have a disaster or if you desire to become a volunteer

This ministry is a total volunteer effort.

NELLIE BURGE COMMUNITY CENTER — Report No. 11

We begin our eighty-second year of service to God's people in the face of severe reductions in publicly funded programs with threats of even more drastic cuts looming on the horizon.

Our day care for 32 children is designed to assist the young mothers in our GED classroom. These students are ADC recipients and as such qualify for federally funded day care assistance. Our hope and expectation is that they will complete their education which will help them find gainful employment and thus become self-supporting citizens of the community. Some day care slots for their children have already been terminated and the balance is threatened with termination. The result is the mother will be forced to drop out of class to care for her child. We are desperately attempting to make it possible to keep these children and mothers in the center until the mother can earn her certificate. Support of churches is sorely needed to accomplish this.

Otherwise, our programs continue to go exceptionally well. We are blessed by having a dedicated staff of ladies whose goal is to assure a happier, more fulfilling life for our children than would otherwise be possible. It is thrilling to see the positive changes in attitudes which take place in so many of the children and youth who are with us each day. We thank God for the opportunity to extend the mission arm of our church into the lives of so many.

We continue to utilize the facilities of the former Burge church to full advantage. A number of regular on-going programs originate there as well as special neighborhood projects such as a Health Fair and Karate classes. More recently an eight week series of parenting programs was sponsored by the Department of Pensions and Security. It is a blessing to have this available extra space. The formation of a new congregation continues to move forward since its beginning in October.

The Federal Nutrition Home Day Care Program is progressing beautifully. There are well over 200 homes under agreement with more than 1,200 children involved. Our hope is that federal budget problems will not seriously curtail this most worthwhile service.

In spite of the strong possibility of diminished public revenues we are steadfast in our determination to offer wholesome Christian service to all who come to us. This has been our primary mission for well over three quarters of a century. You may be assured we will continue to be a beacon of hope offering an opportunity for a better life for all.

DUMAS WESLEY COMMUNITY CENTER — Report No. 12

The highlight of the year of the eighty-third year of service by the Dumas Wesley Community Center was the burning of the mortgage on our new property by the Board of Directors of the agency. Approximately two hundred friends of the agency gathered to share in the celebration. Dr. Stephen Dill, pastor at Dauphin Way United Methodist Church, Mr. Oliver H. Delchamps, Jr., Campaign chairman, and Mrs. James Bledsoe, President of the Board of Directors of the Center, presided and participated in the activities of the day. It was a great day in the life of the Center.

The service agenda of the Center has greatly increased over the past four years. The term "multi-service community center" has been a long time goal and dream. Our new facility has made it possible for the dream to become a reality.

In our attempt to serve the entire family and enhance the quality of life of our neighborhood, the Center provides the following programs and services:

- (a) Child Day Care for ninety children three and four years of age
- (b) Family Home Care Nutrition Program for one hundred forty homes in Mobile County. This food service is provided for more than nine hundred children
- (c) Congregate feeding program (S.A.I.L.) for senior citizens
Hot meals for sixty-five people a day
- (d) Adult Basic Education classes (day & night)

- (e) English as a Second Language (geared for people from other countries)
- (f) Athletics for young people and adults
- (g) Gameroom activities daily
- (h) Arts and Crafts
- (i) Outreach services for those in need
- (j) Emergency food and clothing assistance
- (k) Camping (two weeks of resident camping)
- (l) Youth and Adult Aerobics
- (m) Concerned Citizens of Crichton
- (n) Special events like Christmas Toy Store and Family Night activities

Other agencies providing services in our facility are:

- (A) Mobile Pre-School for the Sensory Impaired (Services for hearing and vision impaired)
- (B) Mobile United Cerebral Palsy Association (Pre-school)
- (C) Department of Pensions and Security (Aid for Dependent Children)
- (D) Mobile Community Action (Cheese and butter distribution)
- (E) Legal Counsel for the Elderly (Through the University of Alabama)
- (F) Senior Citizens Travel Club
- (G) Catholic Service Center (Annual city wide Christmas toy distribution Center)
- (H) DOVS (Volunteer Service)
- (I) JTPA (Jobs Training and Placement Act) Youth placement in our Center

As you can tell from these listings, the agency is used (more than four thousand people in 1985) but much more can and will be done in the days ahead. Of course, our ability to serve is directly related to the extent of support from our supportive community. Keep us in your thoughts and prayers as we continue in mission by serving and loving our neighbor in many ways.

Please make an effort to see our facility. You are always welcome.

NOAH'S ARK — Report No. 13

Noah's Ark was conceived as a new form of ministry in 1970, began in the fall of 1972, and opened in the summer of 1973. Its purpose was two-fold: (1) To provide opportunity for Methodist Christians to witness in a new and different manner, and (2) To bear witness to the gospel of God's presence on the beaches at Panama City, Florida. Since the humble and uncertain beginning in an abandoned theatre, this ministry of witness and service has continually and steadily grown to become an established part of the Panama City Beach community. We now occupy more adequate, debt free facilities. Ours is a year round ministry.

Each summer thousands of tourists attend our free musical witnessing concerts, presented twice nightly at 8:00 and 10:00 p.m., featuring "Two by Two" with special guests and musical groups. Retreat groups also participate in the ministry of service and music.

Each winter hundreds of retired "winter visitors" participate in the many and varied daily activities provided as a witness of service. These include worship services and Bible study; numerous art and craft classes, recreational activities, travel program, choral groups, social, and fellowship opportunities.

The summer and winter ministry has made our witness well known throughout most of the United States and Canada.

For church groups desiring to visit the beach for retreat, and/or recreation, we offer dormitory style sleeping, cooking and dining facilities fully equipped for groups of varying sizes. Our facilities and rates are: 5 bedroom house (20 single beds) maximum 20 — \$190 per day; Small dorm (bunks) 12 male, 12 female, maximum 24 — \$200 per day; Motel (6 rooms, 6 bunks each) maximum 36 — \$300 per day; Large dorm (bunks) 40 — \$380 per day/over 40 — \$8.50 per day per person (maximum 60).

Groups staying at the Ark are invited to participate in our ministry and attend our nightly concerts. During the summer of 1985, 70 church groups of five denominations were in retreat at Noah's Ark for a total of 6,601 camper days.

LAW ENFORCEMENT MINISTRIES — Report No. 14

Law Enforcement Ministries started in 1969 by H. Paul Mathison, has grown to the point where it is being recognized as something unique in prison ministries, a Church-in-the-Jail. The Church-in-the-Jail performs and carries out the same activities as an "outside" church; except, of course, our parishioners are much easier to locate! Each week the Church-in-the-Jail has three Sunday Morning Services, with regular guest preachers, two Bible Study classes, a Christian Advocate class and a Christian Arts & Crafts class. Our chaplains counsel daily, run a weekly library service and do marriages, burials, baptisms, and sickbed visits. They coordinate guest appearances for Revivals, Gospel sings, Drama groups, and whole Church Choirs. Our volunteers have an active outreach to two other local Correctional Facilities and the County Hospital. One particularly effective activity is the Sunday Evening Visitation, where 20-40 members of one local church community visit cell-side with the inmates. Their visits are usually in answer to requests from inmates who have attended one of the Church-in-the-Jail activities. These one-on-one communications, between an offender and a concerned community member, often have far-reaching effects in terms of changed behavior and in establishing a church relationship on the outside. To staff the Church-in-the-Jail we have two full-time chaplains, three part-time chaplains and 25-30 regular volunteer workers. All of our chaplains and volunteer workers are deeply committed to that part of our Lord's admonition that says, "that which is done to the least is done to me." Matthew 25:31-40

THE BOARD OF EDUCATION

Report No. 1

The work of the Board of Education of the Conference is coordinated by the elected members, however, the actual program work is done by the many lay and clergy volunteers who serve as committee chairpersons and members. We are grateful to each and everyone of them. Among these volunteers, we would like to single out a few for special recognition and appreciation. The Diaconal Ministers have given of their time and talent willingly when needed and called. Our educational staff in the Council on Ministries, there is Mark Stewart, Bill Roy and Dr. Roy Sublette who give of their time, energy and talents far beyond the call of duty.

The report of the Ministry of the Board of Education is noted in the following committee reports.

Linwood A. Lewis, Chairperson

SUNDAY SCHOOL COMMITTEE — Report No. 2

The Sunday School Committee is pleased to report on the success of the fifth annual Sunday School Weekend, held at Blue Lake, September 20-21, 1985. This event continues to be the major project of this Committee. There were over 400 attending this year. The theme was "Evangelism in the Sunday School" and Bishop Knox was the keynote speaker. He also taught a class for ministers which enabled them to earn CEU credit. We will continue to recruit the most capable leadership available and to plan courses that will meet the variety of needs of the local churches. A class for CEU credit will be offered in 1986. The 1986 SS Weekend will be held September 19-20 at Blue Lake. The theme is "Faith in the Changing World."

Under the sponsorship of this Committee, a motivational workshop "Sunday School Teacher — Gifted and Called" from the Board of Discipleship was held April 5, 1986.

This Committee has presented to the Board of Education a Sunday School growth plan to offer to the conference in 1987 as a part of the conference theme "Education Outreach."

It is our recommendation that Christian Education Sunday continue to be observed on the fourth Sunday in September. The local churches are encouraged to emphasize the importance of Christian education and to express to teachers and leaders their appreciation for their gifts of time, talent and understanding love.

CAMPING COMMITTEE REPORT — Report No. 3

The Camping Committee Program continues to be a challenging and successful branch of the Board of Education. The Camping Committee focuses its work on evaluation, planning, and budget building for the total camping program. The camping program provides a great ministry for children, youth, and adults in our Conference. The camps are well-planned with the major concern being the development of spiritually sound children, youth, and adults in the beautiful setting of Blue Lake.

The camping season of 1985 involved 1,118 campers and staff from our regular camps: six Elementary, four Junior High, Youth, Mission, and Choir. 420 campers and staff participated in the special ministries camps: 4-L, Sunshine, Discovery, and Bell camps. The total enrollment for all camps in 1985 was 1,568 persons.

The Camping Committee, in conjunction with the Conference Council Staff, has planned a full slate of camps for 1986. We hope you, as delegates, will study the program calendar of the Annual Conference and encourage your church to participate in the camps in the coming summer.

CHILDREN'S COUNCIL — Report No. 4

The Children's Council became a council during 1985 instead of a committee. It has been responsible for and held numerous events which address the spiritual growth of children and the pressures of daily living as experienced by children.

The first event in 1985 was the Summertime Ministries With Children held January 19 at Blue Lake. It dealt with eight areas including Outdoor Education, Intergenerational Vacation Bible School, Early Methodist Celebration — Alternative To Vacation Bible School, Enrichment Programs, Day Camping, Sunday School Specials, "Who Me, Teach Vacation Bible School?," In Conversations and Questions With Cecile Bean who was the keynote speaker from the Board of Discipleship.

In February the council sponsored a Parenting Weekend, "Sounds of Love," led by Dr. Charles Britt who shared the "Traits of a Healthy Family: Wholesome Family Relationships and Christian Parenting Through Love and Faith." The Parenting Weekend included children's activities concurrent with the adult theme.

During the summer another excellent Camp Quarter Note was held in Oakwood Lodge. The camp was directed by Steve Lee from Shalimar, Florida. The Clinician was Richard Searson from Birmingham. They did such an excellent job that the council has asked them to repeat their duties for the 1986 camp.

Many of the Conference Children's Council members as well as District Children's Coordinators and others attended Focus '85 in Nashville in July. This was a national conference on children's ministry where many new ideas and methods were received by those in attendance. From this event the council is planning a "Focus On Children's Ministry In '86" event to be held July 11-12, 1986 at Blue Lake. It will deal with the theme, "Strengthening Your Children for Life." A number of workshop sessions will be held dealing with stress, separation and divorce, sex education, family devotional life, latch key children, the sacraments, and others.

Already held in 1986 was "Keys To Effective Ministry With Children" under the leadership of Stan and Pauline Stewart from Perth, Australia. This was an excellent event and already the council is making plans to try to bring the Stewarts into our conference in 1987.

The Confirmation Celebration in March used the theme, "The Great Parade." A celebrative event, it was attended by members of confirmation classes and those who had been confirmed since the last celebration in 1984. It was under the leadership and direction

of Cathie Wilbourne and Gorman Houston, with the release of love balloons and liturgy led by Bishop Knox. This celebration is held every other year.

The council is well on its way of plans for 1987 which includes another Summertime Ministries Fair on March 28, 1987, publication of a brochure on "You, Your Church, and The Battered Child," training events for parents and teachers on the faith development of children to be held in three of four locations around the conference, another February Parenting Weekend with emphasis on blended families and single parent families, the development of leadership in the children's ministries area in our conference as well as another Camp Quarter Note.

A loose leaf notebook for the local church children's coordinator on "Children's Ministries — Persons — Services — Resources" was developed in '85 and distributed early in 1986. The council invites suggestions from local church children's coordinators as to those program areas that would be helpful in children's ministries.

CAMP QUARTER NOTE — Report No. 5

The 1985 Camp Quarter Note, a choir camp for older elementary children, was held in Oakwood Lodge, Blue Lake, on July 15-20. The theme was, "Celebration Singing," and classes were offered on the liturgical year, music theory, and handbells in addition to choir rehearsals and a variety of other fun activities. Outstanding musical leadership was given by guest clinician Richard Searson, Diaconal Minister of Church Growth and Development, East Lake UMC, Birmingham. Many of our own conference musicians contributed their talents and knowledge to make this year's camp one of the best ever. Plans are underway to expand and even improve the camp for the summer of 1986.

LEADERSHIP DEVELOPMENT COMMITTEE — Report No. 6

The Leadership Development Committee made plans for the special workshop, "The Enlistment, Care and Feeding of Volunteers," to be held May 1-3, 1986 at Blue Lake. This seminar, led by Marlene Wilson, one of the foremost authorities on volunteer management, should aid participating churches in this very important area of working with volunteers. And, as a result, each district should have a team of persons that attended the workshop to help other local churches discover and utilize the valuable human resources available.

The Leadership Development Committee is also looking into possibilities for recertification opportunities for lab school leaders and the organizing of lab school throughout the conference. Other goals include organizing a conference-wide handbell festival at Blue Lake, training/motivating local church leadership in singles and family ministries as well as other age-levels, and compiling guidelines for those in the local church responsible for new member orientation.

OLDER ADULT MINISTRIES COMMITTEE — Report No. 7

Older Adult Ministries is very exciting! As years are added to the life expectancy, the opportunities for fellowship and service is given to God's older children. We encourage every local church in the Alabama-West Florida Conference to give emphasis to Older Adult Ministries through the program of the local church. If there are ways that the Older Adult Ministries Committee can be of help to you in your local church, we stand ready to help by contacts made through the Conference headquarters, in Andalusia, Alabama for referral to the Committee.

Again, the two highlight events during this Conference year included the trip to Lake Junaluska, North Carolina to participate in the Fall Fling, October 14-18, 1985. The program provided by the Southeastern Jurisdiction was well planned and very informative. Side trips for sightseeing and fellowship made us aware of God's presence in the breathtaking beauty of the Great Smoky Mountains in the fall. The other event was the Older Adult Assembly held at Blue Lake Assembly Grounds near Andalusia, Alabama, May 12-15, 1986. Dr. J. Syd Lock, pastor of the First United Methodist Church in Fort Walton Beach, Florida was our inspirational speaker. The theme this year was "Great Expectations," dealing with oneself, the church, the Bible, and prayer. This year's banquet speaker was the Reverend Robert Vaughn, pastor of the Shalimar United Methodist Church of Shalimar, Florida. The banquet

theme was "A Children's Birthday Party," with those attending dressing in costumes to depict a major event in the month of their birthday.

We encourage every local church to see that Older Adults from every church have an opportunity to attend this Assembly which is held each year, beginning on the Monday after Mother's Day and concluding with lunch on Thursday. Also, to be sure their Older Adults are aware of Fall trips available in October or early November, and help them to register as early after the dates of these trips are announced. We hope in a few weeks to mail out brochures on the trip being planned for this fall.

FAMILY MINISTRIES — Report No. 8

The Family Ministries Committee has some exciting plans for 1986 and 1987. On October 31-November 1 (Friday evening through Saturday), a Family Camp is planned at Blue Lake. For those interested in a Halloween alternative which is both safe and fun, this is it. Kathryn Tucker Windham, the author of *Thirteen Alabama Ghosts*, will be our "Story Teller" and Resource Person. This is for *all* the family.

On January 16-17 (Friday evening and Saturday), a very special learning event is planned, again at Blue Lake Camp. Esco McBay, from the Family Ministries section of the General Board of Discipleship, will head an outstanding team of resource persons leading a workshop on Family Ministries. This is primarily for District and Local Church Family Ministries Coordinators, but will be open to anyone interested in becoming more aware of the limitless possibilities in the area of Family Ministries. In fact, parents could benefit greatly from this workshop in planning their own family activities and involvements.

It is the intention of the Conference Family Ministries Committee that the Family Camping Weekend become an annual affair, as well as future training events similar to the one planned for January 1987.

BOARD OF CHURCH AND SOCIETY

Report No. 1

At the beginning of this report to the 1986 annual conference, the Board of Church and Society reaffirms yet again a commitment that has been its guiding star for many years. The Board seeks to apply the total gospel to the lives of women, men, and children, all of whom are Christ's brothers and sisters, for whom he died, for whom he rose from the dead, and over whom he reigns as Lord. The Board believes that Christians must faithfully demonstrate to all persons that the reconciliation which was effected through Jesus Christ involves personal, social, and civic righteousness. Such a theological orientation makes great demands upon its adherents, and Board members are in earnest prayer that they will never fail to shoulder those demands in a spirit of responsible discipleship.

Following the standards implied in the statement just made, the Board has undertaken some very hard but very essential work during the conference year just ending. Much of this work will now be presented, after which some further reports will focus on some parts of the work for a closer appraisal, including recommendations to the annual conference.

Bishop J. Lloyd Knox asked the Board if it would help to promote the Bishops' Peace Initiative, which is the effort by the Council of Bishops of United Methodism to put the issues of peacemaking (especially in the international arena) in front of United Methodists with new vigor and intensity. The bishops began a study of this in 1984 and, by late spring of 1985, they were asking all episcopal areas to give them some guidance on what such a study should include, looking toward the issuance of a Pastoral Letter on peace by them later on. The Board has worked constantly since late May of 1985 on this matter. Further details are given in Report No. 2 below.

At the 1985 annual conference, the Board was assigned by the conference the task of implementing a resolution on legalized gambling in Florida and Alabama, as passed by that conference. The resolution called upon the Board to "study" the issue in both states, and to "formulate, plan for, and lead" the conference in opposing future efforts to expand gambling in those states.

At its September 17-18, 1985 meeting, the board voted to form a special committee, made up of one Board member and several non-Board members who had special interest or expertise in this area, and give this committee the power to investigate, gather further information and data, and draw up suggested lines of approach to this issue for the Board to consider. The Rev. Daniel Morris, pastor of the East Tallassee-Carrville Charge, is chairman of this committee. Other members are: Mary Elizabeth Carter (from the Board), Dr. Annie Mae Turner of Union Springs, AL., and Mr. Billy Joe Rish of Port St. Joe, FL. The chairman of the Board, the Rev. Spencer Turnipseed, has stayed in close touch with the committee since it was formed.

The highlights of the committee's work so far are: 1. gathering good information on gambling practices and results from a variety of reliable sources; 2. spearheading the Board's opposition to the proposed state lottery in Alabama; 3. gearing up to help Floridians oppose casino gambling. For more on gambling, see Report No. 3 below.

In the summer of 1985, Board members were disturbed by cuts of a severe nature in the funding for the Alabama Department of Pensions and Security. At the Sept. 17-18 meeting, the Board endorsed a restoration of crucial funds to the D.P.S., and pledged its help to a Joint Legislative Committee of the Alabama Legislature, which was then holding public hearings across the state on this crisis. Subsequent to that, several Board members attended regional hearings of the Joint Legislative Children and Youth Study Committee in October and November, expressing support for efforts to restore funding. Our chairman, Rev. Turnipseed, gave prepared testimony to the hearing held in Enterprise, AL. Another Board member, Col. Warren Kynard, our conference's representative to the General Board of Church and Society, gave similar testimony to the hearing held in Greensboro, AL. Much follow up on this has been done. Please see Report No. 4 below.

The issue of apartheid in South Africa has been addressed by many religious bodies in the United States, and the General Board of Church and Society issued a strong statement on apartheid in March 1985. At our meeting in Sept., we felt that it was appropriate for us to endorse the statement of the General Board, but with the addition of a perspective of our own, growing out of the experience of segregation in this state and the South generally. That perspective was written out, and then submitted to the *Christian Advocate*, the newspaper of this episcopal area, which published it in the Oct. 18, 1985 issue. Also, it was sent to all chairpersons of Boards of Church and Society in the Southeastern Jurisdiction, and to the General Board in Washington, and to a nationwide coalition of groups working against apartheid.

Questions about pornography and sexual violence in our society are increasingly being asked, and answers demanded. The United Methodist Church has taken a bold step in responding to the increased glut of obscene materials all too readily available to the public. The General Board of Church and Society called a national conference on this whole area of concerns at Asbury College in Wilmore, Ky. on Nov. 22-23, 1985. Co-sponsors included the Good News Movement, the National Federation for Decency, and United Methodist Communications. Others involved were the Commission on the Status and Role of Women, the Methodist Federation for Social Action, the Board of Global Ministries, and the Methodist Family Life Committee. Our Board endorsed this conference and has received much material from it, and has promises of more results to be sent out soon. The Board feels that some study and/or action on this significant moral problem, done by or led by the Board, may well be appropriate in the near future.

The Board has continued in close relationship to the following: the Cooperative School of Christian Mission, Impact, and the Ethnic Minority Local Church priority. In 1985, after a diligent campaign to increase the participation of our own Board members in the Cooperative School, which we co-sponsor, there was a significant upsurge in the attendance of Board members at the School sessions. The Board's secretary, Mary Elizabeth Carter, was Dean of the 1985 School and did a superb job. The same Mrs. Carter is also the new state president of Alabama Impact. The Board has recommitted itself to cooperation with Alabama and Florida Impact. The continuing need for work in the area of ethnic minority local churches in this conference is apparent, and Frances Johnson of our Board serves on the EMLC Committee for the conference. Also, we invited the Rev. Frederick Outlaw, pastor of the Bowen UMC in Tuskegee, to give a report to our Feb. 7-8, 1986 meeting on his recent EMLC-related experiences at a conference held in Atlanta. This he did, and very effectively.

Along with "old" relationships, some "new" ones have been established. We are hopeful about the work of the new Hunger Task Force, which we co-founded with the Board of Missions. The Rev. Edward Cotten from our Board (pastor at Grove Hill, Al.) was selected as chairman of this Task Force when it organized itself in January 1986. We will continue to help fund it and will be vitally interested in its progress. (The report of this Task Force appears elsewhere in this brochure.)

Another new venture for the Board is establishing good contacts with the Alabama Legislature. On Feb. 20, 1986, Bishop Knox was the main speaker at a legislative prayer breakfast at the Madison Hotel in Montgomery, sponsored by ALCAP (Alabama Citizens Action Program). This was set up by the Bishop and by our Board. Our chairman, as well as the chairman of the North Alabama Board, Deborah Walker, were featured and gave short talks to the assembled crowd. There were several members of our Board present as special guests, and some other United Methodists of the Montgomery area also came.

There were nearly 75 people present, a large number of them being legislators. Bishop Knox opened the legislature with prayer, in both House and Senate, later that morning. Several Board members remained on "the Hill" for all or part of that day, seeing various legislators and legislative staff persons about some of the issues the Board has been speaking out on. It is our aim to strengthen this legislative arm of our work in years to come, in Alabama and Florida, and to make our presence more constantly and constructively felt.

We are anticipating a good leap forward in all our endeavors in 1987, with a projected budget increase, if approved by this conference, that will allow us to do more and do it better. In addition, the money from the World Order Sunday/Peace with Justice Offering, half of which remains in this conference to be administered by this Board, increases our ability to expand our horizons with respect to peace-related work.

There is no disagreement within the Board that great strides were made this past year in developing and carrying out a mature, responsible, yet bold agenda. In the report of the Board to the 1985 annual conference, it expressed its desire to "somehow both honor the input from the people of the conference and keep faith with its own sense of what God would have it lay upon the heart of His church." That balance, we now feel has been reached. We intend to keep it. We intend to serve, compassionately and prophetically, in whatever ways God seems to be putting before us. We greet the coming year with hope.

BISHOPS' PEACE INITIATIVE — Report No. 2

The first effort in our conference in the Bishops' Peace Initiative came on June 15, 1985 at Huntingdon College. About 60 people from across the conference came together to hear presentations, to receive information, and to give their own views. Bishop Knox called the session and keynoted it. The Board helped with logistics and with program personnel. After the session, the results of its, including participants' viewpoints, were sent to the Council of Bishops.

Soon, sessions similar in nature to the Huntingdon meeting were being planned for all nine districts of the conference for September. The Board assisted Bishop Knox in planning for these. Our chairman met with several district superintendents during the planning process. Also, in July, he attended public hearings on peace in Washington, D.C. conducted by the Council of Bishops through its Committee on Episcopal Initiatives for Mission and Ministry, which has done most of the background work in preparation for the Bishops' Pastoral Letter on peace. Bishop Dale White of New York is chairman of that committee. Theologians, psychologists, scientists, diplomats, political institutions, citizen groups, etc. were represented in the testimony given, thus providing the Bishops with a wide variety of input for their consideration. Our chairman wrote a report on these hearings which appeared in the *Advocate* on Aug. 23, 1985. This article was also shared with Bishop White.

In September, the district sessions were held on each district. When all were concluded, over 500 United Methodists, lay and clergy, from all types of local churches in all parts of the conference had participated in these attempts to face squarely as Christians the great international tensions of our age. The results, including the views of all persons attending who had comments and suggestions, were typed up and sent to the Council of Bishops via Bishop White. This was the largest grass-roots response in all Methodism to the Bishops' Peace Initiative prior to the November 1985 Council of Bishops meeting. At that meeting,

a first draft of the Pastoral Letter was drawn up, entitled: "In Defense of Creation: The Nuclear Crisis and a Just Peace." An 87-page "Foundation Document" was approved to accompany the Letter. We believe the influence of the people of Alabama-West Florida was truly felt in that process. Our thanks to Bishop Knox for his constant encouragement to move ahead and follow through.

Soon after the first draft of the Letter appeared, the Board began a study of it and a critique of it which lasted about a month. This was part of a process by which the Council of Bishops solicited comments on the draft from people around the country, in order to have advice and insight on how best to finalize the draft into a letter ready for dissemination to all United Methodists by the spring of 1986. The Board completed its review of the draft on Feb. 8, 1986 and its composite critique was sent to Bishop White. Now the final draft of the letter has been written and published, and it was in the packet of each delegate to this Annual Conference.

We ask that all people in Alabama-West Florida United Methodism give the Bishops' Letter a careful and prayerful reading. We further ask that local churches begin to highlight the Letter in such settings as worship, Sunday School classes, youth groups, UMW meetings, UMMen meetings, etc. We are aware that to get the most from this Letter, it will be necessary for some to study it with appropriate study guides and present it in an effective way to others. Such study material will be available as of June 15, 1986, and can be obtained through Cokesbury. This Board vows to lead the effort to eventually have the letter carefully and effectively considered.

The last comment we would present on the peace issue concerns a special Southeastern Jurisdiction Convocation on the Church as Peacemaker, Aug. 3-7 this summer at Lake Junaluska. The Southeastern Jurisdiction College of Bishops has helped guide this, and the planning has been done by jurisdictional leaders of Church and Society, Religion and Race, and Christian Unity and Interreligious Concerns, along with the Council on Ministries staff of the SEJ. Our chairman is on the design team. The convocation will focus on how we can be better peacemakers, and will include discussion of the Bishops' Pastoral Letter, as well as training on how to deal with these matters educationally in the local church. The leadership for this unique event will be of national stature, including several bishops and top leaders of several agencies of The United Methodist Church, as well as acknowledged experts in a variety of fields. We urge as many people to go to this convocation as possible. To register, contact Rev. Spencer Turnipseed.

COMMITTEE ON GAMBLING/LOTTERY — Report No. 3

The Board's special committee on gambling — the Rev. Daniel Morris, chairman — began watching the emergence of a lottery proposal for the state of Alabama last fall. By December, a statewide meeting of religious leaders opposed to the lottery was planned and held in Homewood, Al. Strategy was discussed. It was agreed that ALCAP (Alabama Citizens Action Program) would inform the Board, and other interested groups, of legislative developments.

Meanwhile, the Board supported Bishop Knox in sending a letter to each pastor in this conference in January, asking for his/her help and the help of her/his church in opposing the lottery. Copies of resolutions to be presented to Administrative Boards and other church groups were enclosed. This began to bear fruit as the debate heated up in the legislature. In addition, Rev. Morris wrote a lengthy, specific piece for the *Advocate* on the lottery, which received widespread attention when it appeared on Jan. 24, 1986.

The Board itself has written to legislators strategically placed to influence this proposal, such as members of the House Ways and Means Committee. Board members have lobbied legislators by letter, visits, and other means. Our Chairman and the chairman of our special committee have conferred frequently, sometimes daily in the midst of crucial periods, about what to do and who to see.

Thanks to the efforts of many, the lottery was never brought out of committee and therefore died in this session. We are grateful to all our allies in this fight.

The Board asks that the annual conference do three things: 1. Officially go on record as being specifically opposed to a state lottery in Alabama or Florida at any time. This will eliminate the need for the conference to speak to this each year, in the event it resurfaces again and again. Such opposition would be well within the intent of the resolution on gambling passed by the conference in 1985. 2. Urge all United Methodist legislators in Alabama to take

note of the position of this conference on the lottery, and to incorporate this into their consideration on how they will vote on the matter if it comes up again. 3. Urge local churches in the conference in Alabama and Florida to use proper channels — Administrative Boards, Council on Ministries, Administrative Council — to pass resolutions condemning any lottery proposal, and send these to their particular Governors, Lt. Governors, and Speakers of the House, and the state legislators in each church's legislative district. Since there will be changes in the leadership in Alabama and Florida after the elections this year, we recommend that churches use the resolutions to influence those in office now, and those running for office now. Then, when the elections are final, we recommend that the resolutions be sent to the newly elected executive and legislative leadership in the two states *before* the 1987 Legislatures convene.

ALABAMA DEPARTMENT OF PENSIONS AND SECURITY — Report No. 4

The funding problems for the Alabama department of Pensions and Security are not new. This agency has long been in financial trouble. But the severity of the effects of the 1985 cutbacks in funding was startling. So many case workers were let go at county levels that many families were left without workers assigned to them. This resulted in increased abuse and deterioration of life among the poor, especially the children and the elderly. Also, day care centers for children and elderly were threatened with being closed.

The Board began to communicate with some D.P.S. personnel in the field to let them know of its concern for their impossible burden. Correspondence was begun with Sen. Danny Corbett, who chairs the Joint Legislative Children and Youth Study Committee of the Alabama Legislature. He welcomed the participation of the Board in helping to solve this crisis. That led to the appearance of Board members at regional hearings held by the Joint Legislative committee in Oct. and Nov. This activity was described above in Report No. 1.

Growing out of all this were some proposals introduced as bills in the House and Senate, with the intent of restoring enough funding to D.P.S. to allow the rehiring of some workers and the continued operation of day care facilities. The Board immediately endorsed these proposals and went to work to encourage legislators to take favorable action. Our chairman has used phone calls, letters, and personal visits to the State House in Montgomery to reinforce the Board's position. He has made it clear that the Board endorses the strongest possible relief for D.P.S., with funding made absolute and not conditional.

Fortunately, this work bore fruit. In the final budget plan adopted by the Legislature, D.P.S. was one of the few departments not cut. Money was appropriated for helping to keep day care centers open and for rehiring critical case-work personnel, which will enable at least some minimally satisfactory level of oversight to be provided, especially for children.

The Board asks the annual conference to go on record as supporting the Christian principle that fiscal difficulties of any department or agency of state or national government should not translate into arbitrary policies that victimize those least able to live and function without special help. Further, the Board asks the conference to specifically say the following to the executive and legislative leaders of state government in Alabama: 1. While long-term solutions to the financial problems of D.P.S. are being sought — as they should be — it is unconscionable to allow the temporary solution to be a drastic curtailment of essential services to the poor of this state. Such a policy should never be considered. 2. As long term solutions to the financial problems of D.P.S. are being weighed, one option that ought to be rejected from the outset is a state lottery. This would deceive the public and compound the problems, because a lottery could not be counted on to generate the money necessary for the permanent financial soundness of the agency, and other state programs would be vying for large shares of the lottery income. In addition, the poor would eventually be further entrapped by a lottery, rather than well-served by it, as they succumbed to its phony hopes and promises.

COMMISSION ON RELIGION AND RACE

In keeping with the Annual Conference directive adopted by resolution at the 1984 session, we remind the Conference that we are to restrict the sale of United Methodist properties in the inner city areas of our conference to those situations that have changed from a residential community to a strictly commercial district. So often the reason for church

relocation is that the members of the local church move to the suburbs. However, the population surrounding the church remains stable and in need of ministry.

Being an inclusive, evangelical church, we recommend that our inner city ministry needs to be given financial support from the District Boards of Missions and Church Extension, the Conference Board of Evangelism, and, if the situation warrants, support from the Capital Development Fund, and/or the Ethnic Minority Local Church Fund and the Equitable Salary Fund.

If our United Methodist properties are to be sold, the District Superintendents will show the Annual Conference why it would not be feasible to carry on a viable ministry for our Lord Jesus Christ in that location.

We commend those local churches, including Frazier Memorial United Methodist Church, for following up on our recommendation in our report of last year to "establish an associate minister position with primary responsibilities of creating ministry to and with the ethnic community." In terms of recruitment, we urge other churches to seek similar or other avenues that could result in new churches being organized or ministries being performed.

Missions:

Being traditionally a mission-minded church, we feel a very strong need for more involvement in local missions, especially in the ethnic minority community. U.S. Representative William Gray of Pennsylvania, in an editorial appearing in the January 19 edition of the *Mobile Press Register*, quoted the following statistics: "Today the black family median income is 56% of white family income. Thirty-two percent of black families lived in poverty in 1980. Today forty-two percent of black families live in poverty." Being committed to a society where all have equal opportunities, we strongly encourage the promotion of those ministries devoted to the equality of personhood.

Church Extension:

While acknowledging the need for an inclusive church, we recognize the possibility in some areas for establishing new ethnic minority congregations. That portion of the Conference Capital Fund Campaign, New Church Organization and Revitalization, is one possible avenue of financial assistance.

Evangelism:

We request the Conference Board of Evangelism to develop guidelines, proposals, and suggested ways that the local church can eliminate racism and establish a truly inclusive community. As the General Conference has set a goal of 20,000,000 members by 1992, we encourage both the Conference Board of Evangelism and the local church to follow every avenue possible in achieving this goal, including evangelistic efforts to ethnic minority individuals.

Local Church:

The commission encourages every local church to establish intentional Ministries to and with the ethnic minority community. Establish ministries that identify the Methodist's spirit of inclusiveness and that will meet the needs of all people. Every city, town and community has the poor, the uneducated, the unskilled, and those that are beaten and battered by society that has passed them by. Too often our congregations are judgmental of their plight, feeling no responsibility, rather than showing compassion and love.

We request that the Annual Conference designate for our Conference the Sunday nearest the national holiday honoring Dr. Martin Luther King, Jr., as a special day of celebrating Merger, Black History, achievements by Dr. King and others from the ethnic minority. This would also be an appropriate Sunday to lift up the significance of the budgeted apportionment, the Black College Fund.

We commend those local churches, including Covenant United Methodist Church, for setting us examples of Pulpit Exchange and Worship with other denominations. Opportunities surround us.

Monitoring:

In keeping with the General Conference directive (739.3) for our Board to be the monitoring agent of all the conference boards, agencies, commissions, and committees as well as governing boards and staff of our Conference institutions, etc., our board, during the present year, will develop and distribute a questionnaire to these groups to effect this directive.

Summary:

The commission will endeavor to fulfill not only the mandate given us by General Conference, but the mandate given us by our Lord. The great commission commands us to include all people in the activities of the Kingdom. We sincerely seek your fullest participation with us to fulfill these responsibilities. There are tremendous opportunities of inclusiveness throughout our conference, we must be about the task. Reconciliation is your privilege and ours. The Commission stands ready to assist you in your programs.

Curtis S. Ford

COMMISSION ON THE STATUS AND ROLE OF WOMEN

One of the mandates in the *Discipline* for the Commission on the Status and Role of Women is to monitor committees, boards and agencies of the Conference as to the participation of women. According to the 1985 Conference *Journal*, we still have five committees, boards and agencies with *no* women, ten with only one woman and four with only two women.

Discipline paragraph 706.4: "Insofar as possible, the membership on councils, boards, and agencies of the Annual Conference shall include one-third clergy, one-third laywomen and one-third laymen except the Board of Ordained Ministry."

Women serving on District Councils on Ministries in this Conference now averages about 30%. This is an improvement over 1980 which had 24% women.

"Growing Toward Wholeness" was the theme of the 1986 Commission sponsored retreat. Bishop Marjorie Matthews, first woman to be elected bishop in The United Methodist Church. Rev. Phyllis C. Roe, Pastoral Counselor from Atlanta, Rev. Martha Wright, Associate Minister, First Church Marianna and Nancy Wingard, teacher, Birmingham Southern College, provided the leadership. Ninety-seven women and men attended. This is more than 25% increase over the '85 retreat.

The 1987 retreat will be January 23rd and 24th at Blue Lake. The Rev. Carol Cotton Winn of Houma, LA will be part of the leadership.

A new brochure has been published on the clergywomen in our Conference. Copies can be picked up at the Commission on the Status and Role of Women display in Delchamps Center Lobby or contact Secretary of the Commission, Ruth Ann Powers, 712 31st Street, Phenix City, AL 36867, Phone 205-298-6405.

Dr. Annie Mae Turner has prepared a new slide presentation on the work of the Commission on the Status and Role of Women for the local church. This presentation can be viewed at the CSRW display at the Delchamps Center during Annual Conference.

The 30th Anniversary of women being ordained in The United Methodist Church is being observed this year. Churches are urged to observe "Women in the Pulpit Sunday" during the year.

Inclusive Language workshops are being planned. The Commission recommends the booklet, "Words that Hurt, Words that Heal," for study. It is available for \$1.25 from Cokesbury.

Last May over 150 attended the Commission sponsored breakfast with the Rev. Carolyn Morris as speaker.

The Rev. Cheryl Pingel, minister of Snyder Memorial UMC, Jacksonville, FL will be the featured speaker at the Commission Breakfast on Tuesday, May 27 at 7:00 a.m. during Annual Conference in the sectioned off part of the dining room at Huntingdon College. Everyone is invited to attend.

COMMITTEE ON CAREER/LIFE PLANNING

The major project of the Committee on Career/Life Planning is to provide opportunities in ministry. These experiences may lead to careers in Christian Vocations.

The "Summer Opportunities in Ministry" program is a project which matches committed college-age students who are interested in working as summer youth directors with churches within the conference or as summer youth counselors at Blue Lake.

Who may participate? (1) Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service

in a local church or church agency. (2) Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry.

For students and churches to apply, write Summer Opportunities, P.O. Box 700, Andalusia, Alabama 36420.

Other goals for this committee are (1) develop a plan of action and specific guidelines that are realistic for local church career/life planning programs, and (2) identify resources and develop resource packets for use at the local and district level.

Jimmie R. Spikes

COMMISSION ON TOWN AND COUNTRY

The Commission on Town and Country may have less visibility than other commissions within our conference, but the work of this body ultimately affects all churches of all sizes.

The training provided for beginning ministers helps to assure capable pastoral leadership for small membership churches as well as provide a sound foundation which will be reflected in future leadership as these ministers go on to serve larger churches.

The Minister's Workshop for 1986 will be held at Blue Lake, June 23-26, with Reverend Bill Elwell serving as dean. This event is planned and supported jointly by this commission and the Board of Ordained Ministry.

The second major event planned for this year is the Small Membership Church Rally, which will be held on August 16 at Blue Lake. Our program will feature Reverend Walter Ellisor, who is District Superintendent of the Marianna-Panama City District, and our Conference Lay Leader, Judge Dale Segrest, as the speakers.

In addition to the two addresses, special music will be provided by several choirs from small membership churches. We solicit your support in making this year's rally a great success.

We are grateful to Bishop Knox and the entire Cabinet for their interest and support of the work of this Commission.

Each member of our Commission stands ready to assist any local church with its plans for ministry, but we must be extended an invitation before we can respond. Please let us know how we can best serve you.

Winston Jay, Chairperson

COMMISSION ON WORSHIP

The conference year 1985-86 has been one of continued reorganization and discovery for the Alabama-West Florida Conference Commission on Worship. Some clergypersons and laypersons who have skills, abilities and interests in planning services have been added to the Commission as consultants. This innovation has already enabled the Commission to consider more projects in our area of responsibility.

A work area composed of the Reverends William Grant, Marcus Smith and Martha Wright has been appointed to begin work on a calendar with scripture lessons for services based on the new Common Consensus Lectionary. Along with the calendar will come printed guidelines explaining the rationale behind adjustments that have been made in the Church Year.

The yearly Convocation on Worship was held at St. Luke United Methodist Church in Columbus, Georgia on February 21 and 22, 1986. Dr. Kenneth Kinghorn, Academic Dean of Asbury Theological Seminary and Dr. James White, Director of Graduate Studies at the University of Notre Dame were the resource persons. The convocation theme was "Evangelical and Liturgical Worship as One." The discussion was most relevant to the age in which church people presently find themselves. The worship convocation continues to possibly be the best annual opportunity for training worship leaders in Methodism. More Alabama-West Florida pastors, district and local worship chairpersons, committee members, diaconal ministers and church musicians should avail themselves of this yearly opportunity and outright treat.

The Conference Worship Task Force will be working with Bishop Knox and the Program Committee to help assure that annual conference worship will also be good liturgy. Three

early morning worship opportunities will be offered at conference at 7:00 a.m. Monday through Wednesday. The newly ordained elders will lead in their first celebration of the Holy Eucharist on Tuesday morning at 7:00 a.m. From the Opening Celebration on Trinity Sunday evening to the Commissioning Service on Wednesday afternoon the Commission on Worship gladly stands responsible and accountable.

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

Archives and History, Prologue to our Third Century Vision, 1784-1985, was the theme for our commission for 1986. This kept in faith with the Annual Conference Theme. Our display in the lobby of Delchamps Center reflected this theme and our heritage. The commission hosted for breakfast the Wesley Heirs. This tradition was begun some years ago by the Archives and History Commission and has become a high point for the retired ministers, their wives and surviving spouses of our clergy family. This conference we were delighted to have eighty-eight in attendance as well as our newly-appointed Bishop and our retired Bishop.

The 1985 Service of Commemoration, Reverend Dan Rhodes, Vice-Chairperson of the Commission, presiding, was conducted on Tuesday of Conference. The Reverend Karl Stegall was the Memorial Sermon Preacher. The families of the brother and sisters departed this past conference year were invited and attended as we celebrated the lives of our family. These family members were also guests of the commission for a lunch after the service in the private dining room. Bishops Lloyd Knox, Joel McDavid, and Carl Sanders were present for the luncheon also.

The Archives and History Commission continues to provide historical preservation information and direction to the conference and local churches. It also continues to provide the Grave Markers for the families of deceased ministers of our conference. The commission also supports many requests for assistance and support in projects, programs that deal directly with the conference and other agencies trying to maintain their historical heritage.

In recognition for her outstanding leadership and service during the Bi-centennial celebration, the commission presented to the conference for an expression of gratitude and a token of appreciation, Mrs. Mary Ellen Bullard, who was escorted to the platform by the Reverend Cecil Bradley, cabinet representative to the commission. Reverend Leonard Shults presented Mrs. Bullard to the Conference and gave her a gift of bicentennial bookends.

During 1985, the commission members shared in many opportunities of learning and sharing our histories and experiences. The SEJ Historical Society held its meeting on the campus of Rust College, Holley Springs, MS. The chairperson attended this meeting as did several members of the Historical Society. The Archivist and others attended a Workshop at Lake Junaluska, NC dealing with methods of properly caring for historical material and instructing others to do likewise. A similar program is in the planning for our conference District Directors and local Church Historians.

In February of 1986 the commission met with the other commissions and the CCOM at Blue Lake for a planning and working session for the 1987 program. This was a very productive and valuable experience. A lot of important work was accomplished in a short period of time.

For 1986 the commission has supported projects dealing with histories and church historical shrine/landmark establishments. Several people have undertaken projects to write specific church histories dealing with certain periods of time, when these are presented to the commission they are reviewed and some funding is granted. We will be supporting Dr. Annie Mae Turner's project concerning the history of the Union Springs Church this year and next. The goal to have a person write the History of the Annual Conference is still in our plans. It is our hope and prayer that this position can be created and appointed or filled by the conference of 1988.

The General Board will be hosting a program and session to prepare for General Conference and the SEJ will conduct its Historical Society meeting in July at St. Simons Island, in celebration of the 250th year of the Wesleys in America.

During this past year many local churches and groups realized the need to establish and properly care for their records. Many have placed their records in the Depository for maintenance and clearing. Many churches are searching for their past to be placed on the Shrines and Landmarks listing, and others have filed for the State Historical register. We hope to establish and have available in the future a list of our churches that are 100, 75, or 50 years old. We hope to create a VCR/video production of our oldest churches and provide this to the conference. We can only accomplish this by all the churches helping with their histories and getting this information to us. The commission encourages everyone to continue to record and preserve their records and events. This is the only way our future generations will have knowledge of our experiences and witness of our faith.

An invitation to again visit our Depository and center for Archival, Historical Materials in Houghton Memorial Library is made to all. Mary Ann Pickard is our Archivist and would love to escort you through our center. We continue to receive libraries from retired ministers and often many of these books are available for free to anyone who wishes to have them. This is possible because they were donated to us, and are duplications of those we have. Please come by and visit.

Remember, before you destroy it, check with the Archives and History Commission, or the Archivist. It may just be that this is the Missing Link, and can help connect our history together. It is always valuable in the sense of keeping. The past enlightens the present, to illuminate the future.

REPORT OF THE DEPOSITORY FOR 1985 — Report No. 2

1. EVALUATION OF YEAR 1985.

a. Goal No. 1: to process records received as quickly as possible as the top priority responsibility. Many records have been sent to the depository, including 16 years of bishops' records, 50 years of the Pensacola district records, and sixteen other accessions. Following is a statistical report on the materials processed during 1985:

Paper records	148.75"	(linear measurement)
207 Photographs	2.62"	
16 Books for Library	5.75"	
4 artifacts: Replica of one room church		
Replica of Lambuth Memorial Church		
Model of Circuit Rider		
Seal Embosser for Alabama Conference,		
Methodist Episcopal Church, South		

I have described the records in the Accession Register and have indexed the Accession Register as a primary finding aid.

b. Goal No. 2: to organize a volunteer corps. I now have three volunteers. One is helping with genealogical research when needed (Miss Nancy Weems.) One is coming each week to do filing (Mrs. Ida Grace Gastinger). Another is helping with the library (Mrs. Elizabeth Black).

c. Goal No. 3: to establish a chronological register of churches. This has not been accomplished for all of the districts. To accomplish the task each church has to fill out the "Historical Information on Churches" form with documentation of its date of origin. Three districts have most of these forms filled out. This project has been delegated to the District Directors of Archives and History with a goal of completing a chronological register by annual conference 1987.

d. Goal No. 4: to publish a list of the holdings of the depository. This has been accomplished by describing the records in the accession register and making copies of the register available. The index to the register provides an alphabetical subject list of the records preserved.

e. Goal No. 5: to work with the Records Committee in establishing retention schedules to aid in the appraisal of records. See report of the Records Committee.

2. USE OF THE DEPOSITORY: The statistical report below shows the number of persons using the depository either by mail, phone or personal visit.

Research requests by mail	40
For information on churches.....	13
For genealogical information	27
Visits to the depository	28

3. MEETINGS ATTENDED. Mrs. Pattie Moseley and I attended three workshops at Lake Junaluska, N.C. September 30 through October 4 sponsored by the Jurisdiction Commission on Archives and History. The first workshop was on establishing an archival program in the local church with Dr. Charles Yrigoyen leading the sessions. The new "Guidelines for Church Historians" were gone over in detail. Dr. Yrigoyen stressed the importance of "contextualizing" local church history within a wider frame, such as events in the denomination as a whole and happenings in the community and/or nation.

The second workshop was on oral history with Dr. Brooks Little and Dr. Annie Mae Turner leading the sessions. Emphasis was on how to use the tape recorder effectively. As an exercise before the class, I interviewed Pattie Moseley about her husband Franklin S. Moseley, and that tape is now in the jurisdiction archives.

The third workshop was on writing history, led by Dr. Kenneth Lile. He dealt with the philosophy of history as well as writing history. He pointed out that the biblical term for history in the New Testament was "visitation." Part of the "visitation" in Hebrew means "standing in." The second part means "horizon." History, then, is a person standing in the midst of reality but always seeing the horizon. He also stressed our "Holy History" — *Heilsgeschichte* in German — as being different from much history that can be forgotten or is only valuable to a small group. July 4th is remembered in America but not in Lebanon, for example. However, Holy History is remembered by all who would be saved. Everything pertaining to wholeness is in the knowledge and understanding of Jesus, whose story is the Holy History of the New Testament. Holy History brings together the human reality with the divine horizon, enabling us to gain a new perspective on the meaning of life and salvation. He noted that the historian can accomplish the goal of generativity. Rather than simply conserving the old, the historian creates new symbols and generates a new spirit.

4. GOALS FOR 1986:

a. To increase efficiency in processing records by getting more agencies and officers acquainted with retention schedules so that they can send records to the depository in good order.

b. To recruit more volunteers to help in the depository.

c. To offer workshops for local church historians on establishing archival programs, possibly at district training events.

d. To publish a brochure with a brief description of the services of the depository, office hours, and general description of holdings.

This has been a busy, fruitful and enjoyable year. My excitement continues as more records come in and people discover the value of having a central place to preserve the records of the conference where they are accessible and protected.

REPORT OF THE HISTORIAN AND RECORDS COMMITTEE — Report No. 3

The Alabama-West Florida Conference Depository of Archives and Historical Materials, one of the finest in all of United Methodism, continues to grow with new accessions arriving almost daily. Along with this growth is an increased utilization by various individuals and churches of the Depository itself.

The Committee on Records, established in 1982, met at the Blue Lake Assembly Grounds, 7 February 1986 as part of the meeting of the Conference Commission on Archives and History. The following recommendations were presented:

1. That the District Directors of Archives and History take on the goal of establishing a chronological register of churches by 1987 Annual Conference. Recommendation passed. Dr. Cecil Bradley, Superintendent of the Andalusia District, moved that a form for the local church historian be included as part of the forms submitted by each local church at the Charge Conference. Motion passed.

2. Recommended that a new logo be adopted which may be used on the stationery and other official documents of the Records Committee and Commission on Archives and History. Recommendation passed.

In addition to the recommendations of the Committee on Records, the following items related to the work of the historian were presented in keeping with the general theme, "A Ministry of Education and Outreach."

1. That the emphasis on education include the establishment of a Local Church Historian Workshop in each District.

2. Promotion of a Heritage Sunday in each local church. Heritage Sunday could be the annual Homecoming Sunday.

3. Utilization of VCRs to record Landmarks and Shrines to use in local church promotions.

The "Manual for Secretaries and Officers" approved by Annual Conference was published and distributed to the various offices and agencies.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

Many ongoing ecumenical projects are being carried out over our conference. Several articles in the *Christian Advocate* from the districts have shared experiences and given ideas.

In November 1985, at Forest Park United Methodist Church in Panama City, a district wide workshop was held for local chairpersons of the work area on Christian Unity. Leadership was provided by Mary Anne Burke, the Marianna/Panama City District lay member of the conference CUIIC. She was assisted by Martha Wright, associate minister at Marianna First. Martha is available to go into the other districts to conduct Christian Unity Workshops.

In April 1985, the CUIIC chairperson and secretary attended the State Holocaust Commemoration held at the Executive Mansion in Montgomery.

In May 1985, the chairperson attended the annual National Christian Unity Workshop.

Feb. 7-8, 1986, at Blue Lake, eleven members of the commission, representing six of the districts, participated in the Conference Council on Ministries planning retreat. Wallace Dismukes was welcomed as the new CUIIC representative on the Andalusia District C.O.M. Frances Jones, Selma District lay member of the commission, set up a mini-SERRV shop during breaks at the retreat thereby enabling the commission to present two scholarships to the ecumenical Religious Emblems Encampment program. This program is open to youths of all denominations.

The commission provided Lenten ecumenical devotional guides for all local church Christian Unity chairpersons.

Between now and 1992 our church, under the leadership of this commission, will be engaged in serious study of two significant documents, *Covenanting Toward Unity* and *The Consultation on Church Union Consensus*. Each of them has a different status and therefore the process of responding to them will be different.

Covenanting is in its very early stages of development. This document is being offered to the churches for the first time for their review and response. It is intended to initiate thoughtful visions of a more common churchly life and to provoke extensive discussion so that a grass-roots response may be obtained. We started last fall enlisting groups in our conference to participate in this study. At the present time we have nine churches involved. Their responses will be summarized and transmitted to the Consultation on Church Union.

The second document, called *The Consensus*, has already undergone successive drafts over thirteen years and was unanimously adopted by the delegates from the nine churches in November 1984. It is not subject to revision. To help us, as church members, to become more conversant concerning this Consensus document, the conference Commission on Christian Unity and Interreligious Concerns recommends the following for consideration by the Alabama-West Florida Annual Conference of The United Methodist Church:

Whereas, "The Church of Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in that world." (*Discipline, Preamble to the Constitution*); and

Whereas, The United Methodist Church believes that Christ wills for the church to be visibly one; and

Whereas, the 1984 *Book of Discipline* (par. 69) affirms that "along with other Christians, we are a pilgrim people under the Lordship of Christ"; and

Whereas, significant ecumenical proposals continue to emerge throughout the Church of Jesus Christ which envision the achievement of unity through a process of interim stages rather than a single act; and

Whereas, in 1962 The United Methodist Church became a founding member of the Consultation on Church Union (COCU); and

Whereas, in 1976, 1980 and 1984, the General Conference of The United Methodist Church affirmed the Mutual Recognition of Members, wherein the baptisms of every person conducted by the member denominations are recognized by one another as membership in the Church of Jesus Christ; and

Whereas, the COCU Consensus will be before the 1988 General Conference, as it will be before all the member communions' highest legislative bodies, for "claiming" as a theological basis for our continuing life together "in quest of a Church of Christ Uniting";

THEREFORE,

The Commission on Christian Unity and Interreligious Concerns recommends that the COCU CONSENSUS: IN QUEST OF A CHURCH OF CHRIST UNITING be read and discussed in local churches during the 1986-1987 period so that General Conference action may be informed by response from congregations.

PASTORS' ASSEMBLY — REPORT OF THE BOARD OF MANAGERS

The 1985 Pastors' Assembly was held at Oakwood Lodge of Blue Lake on October 14 and 15. "The Minister as Person" was our theme, and 140 ministers of our conference participated in this event.

Bishop Lloyd Knox again blessed us by delivering the keynote address and by speaking at the Evening Devotional service. The Board offers its sincere thanks to Bishop Knox for his presentations, his presence, and especially his availability to all of the participants.

Our guest lecturers for the 1985 Assembly were Dr. Don Saliers, Professor of Worship and Theology at Candler School of Theology at Emory University in Atlanta, Georgia, and Dr. Walker Railey, pastor of First United Methodist Church of Dallas, Texas. Focussing on sermon preparation as spiritual formation, Dr. Railey challenged his listeners to give serious planning to one's preaching schedule in advance. Dr. Saliers spoke on the spiritual disciplines and presented ways in which the local pastor can find times and ways to grow closer to God. Our two guests complemented each other extremely well, and the evaluations from the participants indicated that their presentations were stimulating and helpful.

Our 1986 Assembly will be held on October 13 and 14, at Oakwood Lodge of Blue Lake. Selected as the theme for this gathering is "The Church in a World of Conflict." Dr. Tex Sample of St. Paul School of Theology in Kansas City, Missouri, and Dr. Theodore Runyon of Candler School of Theology at Emory University in Atlanta, Georgia, will be our guest lecturers.

Reverend Lawson Bryan has been selected as the new Dean of Pastors' Assembly, and we look forward to his leadership in the coming years. We wish to express our sincere thanks to Rev. Libba Garner Stinson, who has served on the Board of Managers for the last eight years and has been chairperson for the last two years. She helped see the Board of Managers through some difficult times of transition, and we appreciate her contributions so very much.

We encourage every minister in our conference to plan to attend the 1986 Assembly. We offer continuing education credit, and we believe that Pastors' Assembly consistently provides the ministers of our conference lively, helpful, and challenging presentations upon subjects that are important to the Church and our Christian faith.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

PENSIONS, ANNUITY RATES, APPORTIONMENTS — Report No. 1

For the year 1987, we recommend that the total annuity rate for service years prior to 1982 be two hundred and five dollars (\$205.00) per service year as a minister or approved lay pastor with pension credit; the total rate for surviving spouses be one hundred forty-three dollars and fifty cents (\$143.50); provided that, for those provided retirement homes by the Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$1,600,000 for 1987.

We call attention to paragraph 736.4 of the 1984 *Discipline* relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a minister's salary and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of seven per cent annually (7%).

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600.00 be set for travel and \$3,600.00 for utilities. All other compensation to the minister shall be placed under "base salary."

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP-Plus be \$31.00 per year. Payments are to be made in advance of the effective date which is the calendar year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued.

RESERVE FUNDING OF PENSIONS — Report No. 3

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 *Journal* and subsequent amendments, recorded on page 154 of the 1972 *Journal* and page 135 of the 1973 *Journal*, shall be further amended to provide, that effective with the deposit made monthly, the annual level deposit for the purpose of funding pensions through the Ministerial Pension Plan shall be that adjustment required to fund prior years at the rate of \$205.00 per service year.

HOMES FOR CLAIMANTS — Report No. 4

We recommend that \$60,000 be apportioned for Homes for Claimants subject to the approval of the Council on Finance and Administration.

The Conference now owns 41 units, having an insured value of \$1,981,000. Thirty-five of these are in Alabama, and six are in Florida. At the beginning of the year, 1986, the outstanding indebtedness on these homes is approximately \$100,000.00. Payment on this debt is now \$1,520.78 per month. The cost to maintain, repair, and insure these homes for 1985 was \$34,149.53.

During 1985 we sold two homes that we felt were no longer feasible to use. . . the home at 209 S. Broad St. in Headland, and the house at 103 W. 4th St. in Bay Minette. The Board is carrying the mortgage on these two homes. We also sought to upgrade two homes. We sold the home at 171 Burton St. in Auburn and replaced it with a home we purchased at 824 N. Gay St. in Auburn. We are seeking to sell the house at 449 Clanton Ave. in Montgomery, and we have purchased a home at 1333 Adrian Lane in Montgomery to replace it.

The Board holds seven mortgages on property it has sold to individuals, and these mortgages produce \$1,786.09 per month which is applied to our indebtedness and maintenance.

The Board has the following interest bearing accounts:

The Commercial Bank, Andalusia (Super Now)	\$ 6,698.44
The Commercial Bank, Andalusia, Virginia Sells (NOW)	8,250.08
The Commercial Bank, Andalusia, CD	10,000.00
United Methodist Foundation, Dothan	25,000.00
First Federal Savings, Andalusia, CD	<u>12,035.00</u>
TOTAL OF ACCOUNTS INVESTED	\$61,983.52

The Board maintains two annuities to which \$36,000.00 of the above investment is pledged. We paid \$7,354.00 on these annuities in 1985. The balance of the invested funds provides income to assist in maintenance of our homes.

The Board continually evaluates and studies our homes program. We are in the process of conducting a survey of ministers who might be retiring within the next ten years to project the need for homes, the location, and the type of housing most desirable. The Board is also looking at other Conferences, including those that provide housing allowances instead of homes.

Support of the Capital Funds Campaign and payment of our "Fair-Share" will benefit us greatly in the future to provide income for providing housing for our increasing needs in the years ahead. We cannot use the Capital Campaign Funds, according to Campaign plans, for several years. In the meantime, we still have need for housing. We urge any interested person to give a home for this worthy cause or to leave a home to the Board in your will. Money to go toward the purchase of homes is also greatly needed. Pastors who know of any person or persons, who might be interested in providing homes or money for our Claimants program, are urged to contact the Director of Homes, Rev. John Carmichael. He will be happy to provide information or assistance in working out the details.

13. Information and questions concerning the claimant's homes and related matters should be directed to the Director of Homes.

CLAIMANTS MEMORIAL FUND — Report No. 5

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this Board with interest being used for the benefit of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

SPECIAL APPOINTMENT PENSION RESPONSIBILITY — Report No. 6

In keeping with paragraph 1606:3a (3), 4g, 4h, of the 1984 *Discipline*, we recommend that those appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: Conference Council on Ministries, Assembly Grounds Commission, the Wesley Foundations at Auburn University and Troy State University, the Conference Treasurer and Executive Secretary of the Board of Pensions and Homes for Claimants, the director of Noah's Ark, the director of the Mobile Inner City Mission, and the executive director of the United Methodist Foundation.

We recommend that special appointments to United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the denominational average compensation as determined by the General Board of Pensions. See paragraph 1606:3a of the 1984 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.4% of the denominational average compensation to the Conference Claimants Fund.

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

DEPOSITORIES — Report No. 7

We recommend that the official depository for the pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of The United Methodist Church; provided, that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

PENSIONS FOR LAY EMPLOYEES — Reports No. 8

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by The Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact Raul B. Alegria, General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT — Report No. 9

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1984 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE — Report No. 10

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1987 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church

or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to *the lesser of* (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not to the surviving spouse.

OTHER NOTATIONS — Report No. 11

In reviewing the service records of the following ministers the Board recommends that the service records of each be adjusted as indicated:

1. Norman Glen Williams — one year credit for service full time while at Stockton, June 1967 through May 1968.
2. J. Thomas Terry — one-fourth year credit, 5/31/57 to 9/1/57, while serving Maplesville prior to attending school.
3. Coriless V. Hanson — up-date his service record to show two years credit from 6/3/52 to 6/1/54, while at Brent.

Name	Monthly Amount
Moses S. Baldwin	\$ 16.67

HEALTH INSURANCE — Report No. 12

The Group Health Insurance Program of the Alabama-West Florida Conference has suffered escalating premium costs for the past several years that have caused participation of our active pastors to drop to 54 percent. Many pastors have dropped out to find more reasonable premiums elsewhere. Many could not afford our premiums, but have been unable to get insurance elsewhere, and now do not have any health insurance.

In order to save our program and make it possible for every pastor to have health insurance, the Insurance Committee has made a thorough study and proposes the following "re-working" of our Health Insurance Program:

1. Broaden the base by including every FULL-TIME PASTOR in the program with the CONFERENCE paying the full premium for the pastor.

The pastor's family can be (and we urge them to be) a part of the program with the pastor (or his church) paying the family part of the premium.

2. Some cuts and changes will have to be made in our present coverage to bring our premium down and get our experience on track. This will be TEMPORARY, and we will build back these benefits as our experience improves.

CHANGES TO BE MADE IN POLICY

- a. Reduce the maximum benefit to \$75,000.00.*
- b. Eliminate the 100% benefit after \$5,000.00 expenses per year.*
- c. Limit Special Nurse Care to apply while hospitalized as a bed patient for no more than 20 days.
- d. Limit mental and nervous lifetime coverage maximum to \$25,000.00.
- e. Use Pre-admission Certification for hospital confinement.
- f. Eliminate additional accident benefit.
- g. Insure only full-time Conference employees and dependents. (Local church and part-time persons will no longer be included.)
- h. The definition of a dependent will include full-time students up to the age of 25. The policy will be amended to withdraw the provision in our policy providing for dependent children above 25 years of age if they are physically and/or mentally handicapped.
- i. The deductible will remain at \$500.00 per person (up to 3) for each calendar year.*
- j. Insure all persons eligible for MEDICARE with a supplemental policy with Metropolitan that will provide same benefits as Blue Cross C-PLUS plan.

COST OF NEW PROGRAM

Quarterly Comparison:

Old rate per quarter		NEW RATE PER QUARTER
Pastor (employee)	\$248.00	Pastor (employee) NONE
Pastor & spouse (2)	486.00	Spouse (1 dependent) \$277.00
Family (3 or more)	594.00	Family (2 or more) 405.00

Premiums will continue to be paid by the Conference for the supplementary insurance for those on Medicare (retired pastors and spouses, both over 65).

START OF NEW PROGRAM

The Insurance Committee proposes for these changes to take place beginning JULY 1, 1986. In order to do this within the PRESENT budget for 1986 and through 1987, the Committee is asking that every full-time pastor PAY THE FIRST QUARTER PREMIUM OF HIS/HER HEALTH INSURANCE. This will be a ONE-TIME payment of \$270.00 for the quarter of July, August, and September. This one-time payment will provide a pool of funds to handle the payment of premiums for all our full-time pastors WITHOUT an increase in apportionment for the balance of 1986 or the year 1987.

*These portions (a, b, i) will be the first benefits to be adjusted (improved) as our experience improves.

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1984 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the church must pay 80% of the equitable salary schedule for 1987.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of the report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for three years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this accumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission

recommends that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with Commission the changed status. Furthermore the District Superintendents, not the Commission, shall determine all the ramifications of the pastor's circumstances.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each.

18. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages:

Members in Full Connection, 80% of average Conference salary
Probationary Members, 80% of average Conference salary
Associate Members, 75% of average Conference salary
Seminary Students (married), 62.5% of average Conference salary
Seminary Students (single), 58.5% of average Conference salary
Full Time Local Pastors, 66% of average Conference salary
Student Local Pastors (married), 50.5% of average Conference salary
Student Local Pastors (single), 46.5% of average Conference salary

19. According to the formula in paragraph 18, the Commission recommends the following Equitable Salary Schedule for 1987:

Member in Full Connection	\$17,500.00
Probationary Members	17,500.00
Associate Members	16,400.00
Seminary Students (married)	13,700.00
Seminary Students (single)	12,800.00
Full-Time Local Pastors	14,500.00
Student Local Pastors (married)	11,100.00
Student Local Pastors (single)	10,200.00

ASSEMBLY GROUND COMMISSION

BLUE LAKE CAMP

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but by those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we get from our people. The facilities at Blue Lake continue to be used widely by conference boards and agencies, committees, districts and local church groups. Non-Methodist groups make use of the facilities when they are not reserved by Methodist groups.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies and district and local church groups are urged to plan and schedule their retreats early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate more groups. Conference groups have until October first to schedule their activities for the three months of June, July and August. After

the first of October, non-conference groups will be scheduled if dates in the summer are available.

Each year we have groups who cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their scheduled event, it is too late for another group to use it. Cancellations also result in the loss of revenue for the camp. The everyday expenses continue and the loss of one week's revenue makes it difficult to meet its financial obligations. All groups are urged to give the Lake two months notice of cancellation if possible.

Due to the continued support of our Methodist people it was not necessary to increase rates for 1986: Groups at Oakwood \$20.00 (which is three meals and one night's lodging), Dogwood and Pinewood \$18.00 per day per person. The rate for non-Methodist groups and family reunions at Oakwood is \$25.50 per person per day and at Dogwood and Pinewood \$23.00.

The Blue Lake Fund is the life line of the Blue Lake ministry and without the continued support of the local churches through their budget we cannot make it, therefore, we urge each of you to accept and pay "in full" the Blue Lake apportionment.

The financial support of the United Methodist Women of the Alabama-West Florida Conference has made many of our facilities at Blue Lake possible. Their continued support in helping to further develop our Methodist assembly is greatly appreciated.

Blue Lake is your church camp and your church should use it as often as possible. Large, Small or in-between, your church group is welcome and at home in this beautiful setting. Bring groups for retreats and send every person you can to the camping opportunities.

The Blue Lake ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

CAPITAL FUND CAMPAIGN REPORT

Our goal to raise \$3,250,000 for new church development and assist some older churches in a revitalization program; to build a much needed addition to Oakwood Lodge plus some needed remodeling to our present facilities; and to secure additional facilities for retired ministers is now approaching the end of the first year pay period (May 31). Through February the total receipts were \$535,696 which is an average of \$59,444 per month. To be current with receipts we should have received for this nine-month period \$609,372 which would be an average of \$67,708 per month. Many churches are current with their remittances and 28 churches have paid their Fair Share goal in full. Part of the deficit in payment may be due to the fact that a number of the churches did not start their pay period until January 1, 1986. Another factor is that some of the churches in our Conference did not accept any or all of their Fair Share Goal.

The success of the Capital Fund Campaign is essential to a healthy and growing Alabama-West Florida Conference. If we are to grow in membership, a lot of that growth will come through the establishment of new churches and the revitalization of some old churches. \$1,500,000 of our Capital Fund Campaign will help to establish new churches and help to revitalize some existing churches. With the rising costs of land and construction, the help of every church in our Conference is greatly needed. *"Let's Build New Churches Where People Are."*

Blue Lake means a lot to all of us. I dare say there is hardly a church in our Conference that has not been touched in some way by our Conference Assembly Grounds. An addition to Oakwood Lodge has been needed for some time and now that dream is about to become a reality. Also, there are some much needed improvements for Pinewood and Dogwood Camps. \$1,250,000 of our Capital Fund Campaign will go to our Conference Assembly Grounds. Every church will want to help make these much needed improvements at Blue Lake Camp!

I was told recently that in the next ten years 110 ministers in our Conference will reach the 65 retirement age. This means our church will need to provide more and more homes for retired ministers. \$500,000 of our Capital Fund Campaign has been designated for homes for retired ministers.

The goal of the campaign is to secure by the end of the pledge period (May 31, 1989) \$3,250,000 to be used for the three fore-named causes. The support of every church is essential. Being a Christian calls for recurring and continuing commitment.

Harry McDavid, Chairperson

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Report No. 1

"Higher Education is a significant part of our Wesleyan Heritage, our present task, and our future responsibility. The Church continues its historic mission of uniting knowledge and vital piety by maintaining educational institutions and a campus ministry, and through them an intellectual, spiritual, and material ministry to all persons within the academic community..."

Book of Discipline

The Alabama-West Florida Conference recognizes that higher education and campus ministry has been and remains a priority of Methodism. It is therefore imperative that we see higher education as the one investment we absolutely must make if we are to have a bright future, and if we are to remain a strong Church and have a vital influence in society. This investment includes our sons and daughters as well as our financial resources.

Sensing the urgency of Christian higher education, the Board of Higher Education and Campus Ministry is committed to strengthening the connection between our colleges, our Wesley Foundations, and our local churches. It is our purpose to challenge the Annual Conference for the continued support for the development and implementation of ministry through our colleges and Wesley units. With this in mind the BHECM calls upon the members of the Annual Conference to be optimistic in providing financial support. The BHECM also calls upon local congregations to examine their record of ministry in higher education. Local churches are challenged to recruit at least one student for our Methodist colleges. Ministers and local church representatives of higher education are urged to become familiar with Birmingham Southern College, Huntingdon College and the Wesley Foundations within our Conference.

Training and leadership development has been an emphasis this year. Members of BHECM attended the Southeastern Jurisdiction Commission of Higher Education conference on campus ministry. A joint training event with BHECM of North Alabama Conference was conducted by Dr. Robert Coon of the General Board of Higher Education. Campus ministers attended a workshop in Nashville.

The Campus Ministry Committee met several times to study personnel policy, means of funding, and accountability of campus ministry. The recommendations of the committee are included in the BHECM report.

The BHECM recognizes that the people of the Alabama-West Florida Conference are committed to higher education and campus ministry. This is evidenced by the generous support given to the various funds which relate to higher education; e.g., Huntingdon/Birmingham Southern Fund, Student Aid to Huntingdon, Wesley Foundation, Black College Fund, Student Day Offering, and the Ministerial Education Fund. The combined total of these funds is approximately \$600,000.00. The response is commendable. However, this represents less than 65% of the Askings and falls short of the needs by 35%. So, the challenge is ever before us to do our very best in order to better proclaim the Gospel through Christian higher education and campus ministry.

STATEMENT FROM THE COLLEGES — Report No. 2

HUNTINGDON:

Huntingdon College has enjoyed another banner year. Highlights of this year include the dedication of The Sybil Smith Hall for music and the performing arts, the inauguration of The Stallworth Chair of Lectureship In The Liberal Arts At Huntingdon College, the selection of Dr. Ward Knockemus, Professor of Chemistry, as one of 40 college faculty members from across the nation, to do summer research at NASA's Marshall Space Flight Center in Huntsville, Alabama, the winning of The NAIA National Golf Championship by

the Huntingdon golf team, the annual banquet to raise student scholarship funds with an address by Sir Edward Heath, former British prime minister, and the pledging of more than \$7,000,000 toward the Twenty-First Century Campaign to raise \$10,000,000 in five years for overall academic enhancement. Plans are underway to complete the construction of the new James Wilson Academic Center to house the business, mathematics, and computer departments by the fall of 1987.

Huntingdon continues to provide financial assistance to students who could not otherwise attend the college. That assistance has risen substantially, from \$351,000 in 1981-82 to \$750,000 in 1985-86. The college is committed to assist United Methodist students, and this year is providing \$277,969 in college funds to 211 United Methodist students. We both appreciate and know that Conference financial and student recruitment support are vital to the maintenance of academic excellence and sustained growth of this college which has served Christian higher education for 132 years.

BIRMINGHAM-SOUTHERN:

Birmingham-Southern College is continuing to uphold its 129-year-old mandate from the Church to provide quality education for leaders in the Church and in our society. The indices of quality remain strong, such as the highest ACT scores in the State of Alabama for our freshman class, a rate of acceptance of our students into graduate and professional schools that consistently runs two or three times above the national average, a faculty that constantly excels in all of the demands placed upon persons in the academic world, and a faculty-student ratio of 1 to 15.

We are pleased with the early success of several innovative academic programs. A new "Freshman Seminar" is enabling us to give students the closest and most careful academic and personal counseling possible. Our four-year-old Master's degree in Public and Private Management is being pursued by more than 60 students, as is also our Bachelor of Science in Nursing. The first year of an Honors Program for talented students who wish to pursue a less structured and more rigorous curriculum is meeting with great enthusiasm from its participants. A \$2.75 million Computer Science/Math Building, the only such free-standing facility in the southeast, is currently under construction and is fully funded by the Olin Foundation. A newly established major in Religion and Education is enrolling students now who will prepare themselves to go directly from Birmingham-Southern into employment in the program of the local church.

A new major in Religion and Education is the latest in our earnest efforts to serve The United Methodist Church in effective and helpful ways. Bob Wingard, Denson Franklin and Stewart Jackson continue to give us excellent leadership in the area of Church Relations. Our Youth Ambassadors, Music Ambassadors, Visiting Professors in Local Churches and Denson Franklin Professor of Religion continue to bring the presence of the College to local churches. We offer more than \$300,000 each year in special scholarships to United Methodist students and students studying toward careers in church ministries.

CAMPUS MINISTRY — Report No. 3

The Conference Board of Higher Education and Campus Ministry is the major support group for Campus Ministry within the Conference. It is here to verify, clarify and amplify the work of the Wesley Foundation through involvement in the process of providing personnel, adequate financial support, program planning and evaluation.

1. Personnel — The Board of Higher Education recognizes that campus ministry is a unique ministry and that only persons with particular qualifications, gifts and graces can fulfill the role of a campus minister; therefore, the Board is recommending the following procedure in selecting personnel to fill the campus ministry position within the Conference.

That local Wesley Foundation Boards determine the qualifications for that unit, search for qualified applicants, interview and select the campus minister in consultation with the Board of Higher Education and Area Bishop.

2. Finances and Ownership of Property — The Board of Higher Education shall request that the Annual Conference provide adequate funding to guarantee the salaries of the Campus Minister, maintain the Wesley Foundation facilities and provide proper programming.

The Board of Higher Education will encourage the development of a plan to establish an Endowment Fund for the Wesley Foundation either local or Conference wide.

The Board of Higher Education will strategize to get local churches to pay their entire Wesley Foundation Fund Apportionments.

3. Program Planning and Evaluation — The Board of Higher Education shall ask each Wesley Foundation or campus group minister in conjunction with its local board to formulate three goals with measurable objectives for that unit for this year. The goals shall be submitted to the Board of Higher Education for approval along with the needs to accomplish the goals. At each Board of Higher Education meeting a progress report shall be made with an evaluation of these goals at the end of the year.

Each year thereafter three more goals shall be added and accomplished goals deleted reaching a maximum of nine ongoing goals at one time.

Our Wesley Foundation Directors continue to do an outstanding job with limited resources. Total expenditures for 1985 were \$134,000.00. Receipts from Conference Askings were \$64,000.00. Simple deduction indicates that the Wesley units raised more than half of the funds. It is the BHECM desire to fully fund campus ministry in order for campus ministers to be full time with ministry.

With adequate funding, full time ministry at the University of South Alabama will begin in January 1987. New ministries are being planned for the Dothan and Pensacola areas. In addition, studies are being made to provide ministry to the predominantly black colleges and community colleges.

The percentages for the distribution of the Wesley Foundation Fund to the Wesley Units are as follows: Auburn 50%, Livingston 9.5%, South Alabama 16.5%, Troy 24%. Marion/Judson requested no funding this year.

PROPOSALS — Report No. 4

1. We propose that the Huntingdon/Birmingham Southern Fund be \$376,939.00.
2. We propose that the Huntingdon College Student Aid Fund be apportioned at \$1.00 per member of the membership of the Annual Conference.
3. We propose that the Wesley Foundation Fund be \$150,000.00.
4. We propose that authority be given to establish an endowment fund for the support of campus ministry with the Methodist Foundation administering the funds.
5. We propose that authority be given Conference Board of Trustees to provide funds for the repair and renovation of the Auburn Wesley Foundation building.
6. We propose that every local church which did not pay its apportioned share of the Huntingdon/Birmingham Southern Fund, the Wesley Foundation Fund and the Student Aid Fund, be contacted to explain the positive impact full funding would have on higher education and campus ministry.

TRUSTEES AND DIRECTORS NOMINATIONS — Report No. 5

EDUCATIONAL MINISTRIES WITH THE CHURCH

BOARD OF ORDAINED MINISTRY DEPOSITORY ON CONTINUING EDUCATION: At the request of AWF Conference Board of Ordained Ministry, the Depository on Continuing Education has been established in the office of Educational Ministries With The Church at Huntingdon. Continuing education records of ministers in the conference are received and processed according to the "Guidelines and Minimum Standards for Continuing Education, Board of Ordained Ministry, Alabama-West Florida Conference, The United Methodist Church."

BISHOP'S CONVOCATION ON PREACHING: Three hundred fifty-two ministers and their spouses attended the Bishop's Convocation on Preaching held at First United Methodist Church, Montgomery — February 16-19, 1986. More than two hundred volunteers from churches of the Montgomery area joined together for this outstanding event made possible by Mr. Harry Hall, Dothan, and under the leadership of Bishop J. Lloyd Knox. This office counted it a privilege to coordinate the planning of the convocation.

Ordained Ministers, Diaconal Ministers, Christian Educators

"TO TELL THE NEW/OLD STORY — THE ART OF NARRATIVE PREACHING" — Dr. Michael Williams, Section on Worship, General Board of Discipleship, Nashville, TN gave outstanding leadership to this seminar on March 11, 1986 with around forty ministers of the Birmingham Episcopal area co-sponsored by Huntingdon and the AWF Board of Ordained Ministry.

"PASTORAL RESPONSE TO SUBSTANCE ABUSE," a conference co-sponsored with the Birmingham area Board of Pastoral Care and Counseling held on April 8, 1986 was designed to examine practical and effective ways to approach the devastating effect of substance abuse on families and ways the church can be a major source of help to these families. Leadership included the Reverend Charles Alexander and Dr. James Claunch of the Birmingham Area Board of Pastoral Care & Counseling and Tom Claunch, President of the National Association of Alcohol and Drug Abuse Counselors.

CERTIFICATION FOR ASSOCIATE IN CHRISTIAN EDUCATION: Scarritt Graduate School, Nashville, TN was hosted on Huntingdon campus through Dr. Charles Foster, Professor of Christian Education in January, February, and March 1986. Dr. Foster taught the course "Administration/Leadership" to Christian educators from throughout the conference. This is one of four graduate level courses leading to certification for Associate in Christian Education.

FOUNDATIONAL STUDIES FOR DIACONAL MINISTERS: "Old Testament Traditions," a required course for Diaconal Ministers, will be taught next fall by Ms. Sharon Waddle as we host Scarritt Graduate School on Huntingdon campus. This is one of the four graduate level courses required by The United Methodist Church to qualify for consecration as a Diaconal Minister. Co-sponsored with the AWF Conference Board of Diaconal Ministers.

Laitly and Local Church

LAY SPEAKERS COMMUNICATE THEIR FAITH: A Lay Speaker Certification course of the General Board of Discipleship, this course was offered by Huntingdon and the Montgomery District and held in Montgomery and in Auburn to train lay speakers. The course

was taught by Captain John Collins, USAF, Associate Pastor, Whitfield United Methodist Church.

BIBLE STUDY FOR ADULTS: Bible study continues to draw many interested laypersons and ministers of many denominational churches to the Huntingdon College School of Laity. Eighteen courses are projected for this next year in Old Testament, New Testament and Apocryphs. (Between the Testaments).

INSTITUTE OF RELIGIOUS DRAMA: The Institute of Religious Drama held an outstanding Christian Drama Workshop this past year with leadership from the A D Players of Houston, TX. Another workshop is planned with dates to be announced.

A new play in the repertory of The Pulpit Players, "The Galilean Incidents" by Dr. Don Mueller, is ready to be presented in churches on request.

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

The United Methodist Church has always been concerned about the health and well being of people around the world. This has been expressed from the very beginning of its existence, when John Wesley and other members of "The Holy Club" went into prisons and other institutions, to express their Christian concern for persons who were in need.

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring for all persons. This caring concern is in part reflected by the reports of the United Methodist Children's Home, the Methodist Homes for the Aging, and Golden Cross, that follow in this report.

The 1984 General Conference "mandated" that all Annual Conferences and some of the institutions related to them, should formulate a "Statement of Relationship" between the two, to be approved by both the Annual Conferences and the governing boards of those institutions. Reports No. 6 and 7 have been approved by our Conference Board of Health and Welfare Ministries, as well as by the governing boards of the United Methodist Children's Home and the Methodist Homes for the Aging, respectively, and are to be submitted to Annual Conference for its consideration.

Please read carefully the report on Golden Cross, noting the number of persons served and the procedure for applying for financial help from the fund.

GOLDEN CROSS SUNDAY IN OUR ANNUAL CONFERENCE WILL BE OBSERVED ON SEPTEMBER 7, 1986, THE SUNDAY AFTER LABOR DAY. We encourage all churches to observe that day with a special offering.

For a long time in the church we have had intentional ministries for children, youth, young adults, "regular adults" and, more recently, families. We have not had such a ministry for older adults on the assumption they were covered under the heading of adult or family ministries. It appears that we need to develop one.

For the first time in human history many of us will live out much of our life span into old age. We have never been confronted with so many older people who represent such a large proportion of our society and church membership. We need to find and lift up adequate role models for these later years.

Never have older people been so well equipped to make a significant contribution to society and to participate in ministry. For although we are living longer, older people are often healthier, better trained, more broadly experienced, and more active than any other generation of the elderly in any society.

Due to the growing older adult population in our geographic area, our Annual Conference should "address" this intentional ministry with caring concern.

An intentional caring and sharing ministry for all persons should be the goal of every local church, as well as the goal of our Annual Conference.

UNITED METHODIST CHILDREN'S HOME — Report No. 2

The children and their families, the staff and Board of Directors express grateful appreciation to the thousands of loving, caring United Methodists in Alabama and West Florida who made possible the programs and services of the Home which were provided to 644 children during 1985. The totals for each program are as follows:

Children's Village	107	Emergency Shelter Care	362
Group Homes	89	Children's Village	143
Florence	9	Birmingham	219
Huntsville	9	Foster Homes	6
Scottsboro	11	Adoption	0
Tuscaloosa	22	Scholarship	7
Mobile	10	Family Aid	73
Pensacola	17		
Wiregrass	11	TOTAL	644

Highlights of services and accomplishments include: the first volunteer Sunday School teachers for the Children's Village on-campus worship, baptism of seven children and church membership of three other children, and 23% of teenagers worshipping in local churches — all under the ministry of Chaplains Rev. Mary Beth Cloyd and Rev. Mike Spivey; outstanding programs of service to children in the Wiregrass, Pensacola and Tuscaloosa Group Homes; moving the Huntsville Group Home to a new and larger house; renovation of the Birmingham Emergency Shelter facility and the Children's Village Chapel; and construction of new playground equipment at the Village.

Good group care is neither easy nor inexpensive. The Home needs increased financial support to maintain current levels of service. We thank you for what you have done and will do to help "Give a Child a Chance."

METHODIST HOMES FOR THE AGING — Report No. 3

Life is a series of changes. For many older people, one of those changes is ever-increasing limits on where-and-how they live.

In our Retirement and Health Care Facilities, we believe that age need not mean decreased quality of life. So we listen to resident's wants and needs, and we use our years of experience to develop programs that meet their needs.

We believe that an older person's need for retirement and health care should be no more limiting than a growing family's need for space, or a child's need to explore new things, or a baby's need for constant attention.

We listened to our Seniors in 1956 when we sensed a need for a Methodist Home For The Aging Program. Fair Haven in Birmingham and then later Wesley Manor in Dothan were opened. These Homes continue a vital role in helping set the standards for others to follow. We have gone beyond providing two homes. Wesley Acres in Auburn and possibly two other homes, Wesley Apartments in Anniston and the Epworth House in Selma have been developed to meet the diverse lifestyles of a population that is growing more rapidly and becoming more independent than ever before.

Our residents choose to live with us because they want to be part of a quality lifestyle. They do not see their physical limitations as a barrier to a rich, full life and neither do we.

We offer a choice of activities as varied as the personalities of our 818 residents. Preparing for bazaars, enjoying a manicure or that weekly beauty shop appointment, participating in study groups and looking forward to the weekly Worship Services are only a few of the activities that fill their lives.

But we know that just staying busy is not enough. Day-to-day cares can take the enjoyment out of any schedule. For this reason we endeavor to provide spiritual, cultural, medical and recreational care. We have tried to eliminate one of the biggest worries — money. Many of our people have outlived their financial resources. The Special "Mother's Day Offering," the "Good Samaritan Fund," other special gifts, and then the Apportionments in our two Conferences for Wesley Manor and Fair Haven help to meet the needs of some of our people.

During 1986 we will be celebrating 25 years of Service which Fair Haven has provided to persons across the Birmingham Episcopal Area. We rejoice that the Auxiliary at Fair Haven has initiated the beginning of an Endowment Fund in celebration and recognition of these 25 years by giving \$25,000 in 1986. Their challenge to others is to join them in this Special Year in establishing an Endowment Fund at Fair Haven that will be adequate to meet the needs of persons in the future.

We continue to search for ways to make our residents feel secure, healthy, and as independent as possible. We want them to get the best in care — and the most out of life. We are confident that our participation in the new EAGLE Program (Educational Assessment Guidelines Leading to Excellence) sponsored by the United Methodist Association of Health and Welfare Ministries will assist us in our efforts for Excellence.

It has been said, "If you do not think about the future, you cannot have one." Our goal for the future is to keep pace with the changing needs of persons while providing the highest quality of care at the most reasonable cost. We are building a program for the future that is based on our values of the past and a commitment in the days ahead to become an even

greater instrument in helping the "Older Children" of God live out their remaining years with meaning and dignity.

A. Wray Tomlin, Executive Director

GOLDEN CROSS — Report No. 4

Golden Cross is the fund of the Alabama-West Florida Conference which gives financial aid for medical bills to United Methodist families who are in extreme financial need because of hospital and medical bills which are beyond their ability to pay. During 1985, thirty families were assisted with a total of \$22,340 or an average of \$745 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodists in our conference.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to a pastor shall be granted only on the recommendation of his/her District Superintendent or the Conference Treasurer.

(3) The amount of assistance granted to any person shall be limited to a total of \$1,200.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

ALABAMA-WEST FLORIDA UNITED METHODIST FOUNDATION, INC.

1985 was a significant year for our United Methodist Foundation. The accompanying fund balance report will demonstrate the significant growth in the Foundation's activity and service to our churches and institutions. During 1985 the Foundation's total assets grew by \$485,845 to bring the total asset value to \$2,421,157.62. Other significant areas of the financial report include:

12 new trusts created	\$391,038.39
Contributions to existing Trust funds	58,446.63
Income from Trust funds	128,587.25
Income from General funds	60,461.29
Contributions to General funds	37,757.22
Total Benefits Paid	\$142,829.75

Looking forward to 1986 and '87 we feel that the Foundation will begin to provide increasingly significant service to the laypeople, churches and institutions of our conference. It has been said that we are living in the "financial age" and the Foundation's goal is to help bridge the gap between the Church's mission and the financial needs of the present and future. To "serve the people of the Alabama-West Florida Conference" are to be the call words for the Foundation's future and to exemplify that fact the Foundation's Board of Directors has enthusiastically endorsed financing the capital improvements at Blue Lake which will be repaid by contributions to the Capital Fund Crusade, as a service to Blue Lake and as an affirmation in stewardship of our loyal conference laity.

It is also the Foundation's goal to take the lead in providing educational events in the local churches concerning wills and estate planning so that our people can be adequately informed and prepared. We are appreciative of the support of Bishop Knox and the cabinet and for the growing support of our services across the conference.

The Board of Directors unanimously endorses and recommends to the Annual Conference the following laity for election for a three-year term on the Foundation's Board of Directors: Robert Williams, Foy Campbell, Alto V. Lee, III, Mrs. Margaret McWhorter, Jack Ussery, James Y. Carroll, Cecil C. Spear, Edward H. Reynolds, LeDon Anchors, Judge Dale Segrest, Alan Livingston.

The Board of Directors unanimously recommends the re-appointment of the Rev. Daniel A. Bailey as the Executive Director.

ALABAMA-WEST FLORIDA UNITED METHODIST DEVELOPMENT FUND, INC.

Our Conference will soon be in a position to begin reaping the benefits of our Development Fund which is designed to provide affordable loans to our churches in need of new buildings and renovations to existing structures. The Development Fund is designed to allow all our Methodist people to participate in funding church growth while making a profitable return on their own investments.

The structure for our work is presently being put into place. It is important that we be sure that we have met all the requirements of the states of Florida and Alabama as well as the federal law before we begin to take individual deposits. As was determined by the 1985 Annual Conference session, we have elected nine additional directors, one from each district, to the original directors approved by the annual conference.

We urge every church to pay in full its fair share amount of the Capital Fund Crusade as \$500,000 of the crusade is earmarked to endow the Development Fund as security for our depositors.

At its January meeting the Directors reelected Mr. John F. Sherrer, Sr., president, Alto V. Lee, III, vice-president, Gerald Maddox, secretary-treasurer and Daniel A. Bailey as the Fund's executive director. The Directors will continue to work throughout the year both in Committee and as a full Board to complete the requirements and to begin a campaign for individual deposits across the Conference.

COUNCIL ON FINANCE AND ADMINISTRATION

ORGANIZATIONAL STRUCTURE — Report No. 1

We recommend that:

1. The financial office tabulate church by church, fund by fund, the information given on the remittance blanks for the conference depository.
2. The Commercial Bank of Andalusia, Alabama, be designated to serve as the conference depository to receive funds and keep specified records.
3. The financial office prepare reports as required by the Council on Finance and Administration and mail copies to persons who may need such reports.
4. The financial office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the financial officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.
5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through the Commercial Bank, Andalusia, Alabama, and records be kept by the financial office of the conference.

6. The duties of the financial officer be combined with those of the executive secretary of the Board of Pensions and Homes for Claimants, and other responsibilities assigned by the Council on Ministries or the Council on Finance and Administration.

RULES OF PROCEDURE — Report No. 2

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the council shall be held. Other meetings shall be on call of the president of the council.

2. All persons interested in presenting a request to the council are invited to do so or to attend any of the council meetings. All council meetings shall be open to all interested persons, except when by majority vote the council elects to meet in executive session.

3. Each agency whose records are not kept by the financial office is required to bond its treasurer, which may be done through the council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the council as deemed necessary by the council. (Para. 713.2; 714.2, 1984 *Discipline*). Reports to the council shall be in such detail and provided at such times as the council may direct.

4. The council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.

5. An audit of the complete financial status of the Annual Conference shall be published in the conference *Journal*.

6. All boards and agencies are required to cooperate with the conference treasurer in the development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the conference *Journal*.

7. The conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the Annual Conference shall be allowed to withdraw funds or make expenditures on a monthly basis as needed. Funds available monthly will be equivalent of 91.66% (11/12s) of the allocation to the agency prorated on the basis of benevolence receipts of the prior year. Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the council and the executive director of the conference Council on Ministries.

8. The council shall make emergency program allocations from the Contingency Fund by a majority vote of the council and the executive committee of the Council on Ministries. The Council on Finance and Administration shall make expenditures derived from interest on investments of the current balances.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the area for an area-wide appeal; or the council for a conference-wide appeal. (Para. 710.5, 1984 *Discipline*).

10. The adoption of reports and recommendations of the council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or check accounts, and no such deposits shall be made by any agency without approval by the council.

12. A Committee on Investments and Audits within the council will be responsible for reviewing, approving, and supervising all banking relationships of the council with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note Rule 3 and 4 above)

13. We recommend that Thursday, June 5, 1986, be set as the official moving date for this conference year. In the case of moving ministers, all June salary shall be paid to the newly appointed minister by the receiving church.

The annual salary of the district superintendent shall hereafter increase no more than the dollar amount the annual conference average salary of ministers increases and such increase shall be recommended by Finance and Administration after study and determination of most recent available data to determine the conference average salary increase.

ASSISTANT SECRETARY FOR THE JOURNAL — Report No. 4

It is recommended that:

1. All boards, commissions, committees and other agencies submitting reports to be included in the Brochure of Reports have the reports in the hands of the assistant secretary for the Journal by the fourth Monday in March. This is an attempt to assure members of the conference a brochure at least a week before conference convenes.
2. Standing Rule 11. (a) be followed regarding preparation and submitting of all reports.
3. The assistant secretary for the Journal have authority to edit these reports, but not to change the meaning of any part of any report.

5. All memoirs (including photographs) be in the hands of the assistant secretary for the Journal by the closing of the last business session of the annual conference. Responsibility for this material shall reside with the Commission on Archives and History.
6. Journals be distributed as follows: Five (5) copies to each charge of one to three churches with an additional copy for each church above three; One (1) copy to persons named in Standing Rule 17. (a); Three (3) copies free to institutions related to this conference; Spiral bound copies to each district superintendent and conference headquarters as needed.

POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR — Report No. 5

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.
2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.
4. Use of dining halls, rooms or areas shall be determined by the registrar.
5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.
6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to them.
7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

SPECIAL FUNDS AND COLLECTIONS — Report No. 6

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.
2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the conference.
3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, Christian Education Sunday, United Methodist Student Day, and World Order Sunday and that special offerings be received or budgeted for these special days.
4. That support for Golden Cross Ministries be given through a special offering on the Sunday following Labor Day, and support for Homes for the Aging be given through a special offering on Mother's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.
5. That the Committee on Experimental Ministries and the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.
6. That the conference give full support to the Youth Service Fund.
7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

The accrual is to be credited to the Conference Administration Fund to help defray the costs of fiscal management. The following funds are excluded from this service charge: General and Jurisdictional apportionments; Special Day offerings, including Mother's Day and Golden Cross Ministries; all Advance Specials; Conference Claimants Fund; and the Children's Home offering.

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS — Report No. 8

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that district superintendents establish suitable apportionments for new charges in harmony with the adopted basis for apportionments.

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267:3c of the 1984 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

DISCIPLINARY REQUIREMENT — Report No. 9

Paragraph 714.1 of the 1984 *Discipline* requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

FORMULA AND ALLOCATIONS — Report No. 10

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. Only one apportionment schedule will be mailed to the churches for the ensuing calendar year. This final report will be mailed the latter part of June of each year.

4. Attention is called to the closing of the books of the Conference Treasurer January 7, 1987. All funds to be applied to 1986 receipts *must* be in the office of the treasurer on that date.

5. Preparation of the Statistical Tables for 1986 shall be handled in the conference office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1987, for preparation of the Statistical Tables on the computer.

MINISTERS MOVING EXPENSE — Report No. 11

We recommend that upon retirement or disability the conference pay up to \$500 for documented moving expense to the first place of retirement or disability. This policy with special regard to the adequacy of the amount is to be reviewed by the Council after careful examination of the annual experience.

AREA OFFICE OF COMMUNICATION/ADVOCATE

1985 saw the initiation of the new format for the *United Methodist Christian Advocate*. During this year *The Advocate* was published 26 times, including special editions for each of the Annual Conferences. The new format called for publications of twelve pages. This was increased to 16 to 20 pages due to the excellent response by the churches for news.

The circulation was stabilized and the office showed another year-end report with finances on the plus side of the ledger.

A Task Force for Television for the Episcopal Area was called by Bishop Knox. This group formulated plans for a new TV spot for each month during 1986. They also planned for the funds for airing the spots to come from the local churches and the airing to be completed on a district wide basis with the assistance of the District Coordinator of Communication.

The Office of Communication worked with Mr. Vastine Stabler of Birmingham in the production of a 28 minute television tape called "Helping Churches Grow." This tape was distributed throughout both conferences.

The Office of Communication also cooperated with the North Alabama Committee on Evangelism and aired the "Thought Time" radio spots for a campaign during September through November.

The editor, Paul Ruark, was one of fourteen United Methodist communicators chosen by the General Board of Global Ministries to participate in a three week study tour of Central Africa. Reports of this experience were published in *The Advocate*, also given by means of a number of personal appearances.

Mrs. Jeanne Glasgow, former circulation manager and administrative assistant, was named assistant editor.

The Area Board of Communication/Advocate expresses appreciation to Bishop J. Lloyd Knox and all persons who assisted the Office of Communication/Advocate in achieving another successful year.

While 1985 was a successful, productive year, hopes are high for an even better 1986.

Hilda Balch, Chairperson

Paul Ruark, Director/Editor

AREA BOARD OF PASTORAL CARE AND COUNSELING

This has been an unusual and unique year for the Area Board of Pastoral Care and Counseling. It has been a year of search and transition. At the September meeting at Huntingdon College, the Board voted unanimously to proceed with a project that would enhance the effectiveness of the Board. A Search Committee composed of: Roy Sublette — Chairperson, Charles Alexander, Wayne Vickery, and Dr. Ray Jones — Consultants; Ralph Bates, Harriet Huckabee, Karl Stegall, Norma Mitchell, John Trobaugh, Kay Knowlton, Cliff Abbott, Annie Mae Turner, Libba Stinson and Robert Dickerson was formed to find a Clinical Director for the Alabama-West Florida Conference, who would be based in the Pensacola area. The purpose of this action was as follows:

1. The south end of the Alabama-West Florida Conference was the largest population center and ministers found it difficult to take a day and drive to Montgomery.

2. Our Director, Charles Alexander, was spending valuable time traveling from one end of the State to the other.
3. The responsibilities of the Area Board had grown to the point that additional staff was necessary for effective work.

The Search Committee has worked tirelessly to interview persons for the job. Out of 40 applicants, six persons have been interviewed since November '85. We are pleased to report that on February 4th in Montgomery, Alabama, the Search Committee completed its interview process and is making a recommendation to the Board to fill the new position of Clinical Director of the Pensacola office. The Board will act on this recommendation on April 19th and we anticipate introducing the new person to you at Conference.

The Board of Pastoral Care will expand its counseling services to include lay persons as well as clergy. We see this as a significant move toward inclusiveness. This new expansion of ministry will provide the clergy with referral services for the laity. This new ministry will be made possible, without additional cost to the Conference, by fees which will be supervised by the Board of Pastoral Care. Rev. Charles Alexander will become the Administrative Director of the Area Program and Clinical Director of the Birmingham Office. With the addition of this new staff position, the Area Office of Pastoral Care and Counseling will now have two full-time Clinical Directors — Pensacola and Birmingham, and two Counseling Residents with offices in Decatur and Montgomery.

The ongoing work of this Board continues to be productive and effective. Rev. Charles Alexander, our Executive Director, has held 866 counseling or consultation sessions over the past 12 months. In addition to this counseling work our Board has provided leadership for District Ministers' workshops on "Clergy Stress" and Pre-Marriage Counseling"; provided leadership for the beginning ministers workshop and the newly initiated "Entering Seminary Students" workshop; provided leadership for the Retired Ministers and Spouses seminar; held seminars on "Personality Characteristics and Leadership Styles."

In addition to these programs, the training program in Pastoral, Marriage and Family counseling with Carraway hospitals Pastoral Services Department has been expanded to include two full-time counseling residents; Rev. Jean Carter and Rev. Bob McGehee and two fellows-in-training; Rev. Danny Doss and Rev. Paul Messer.

As we approach a new conference year, the Area Board of Pastoral Care and Counseling anticipates an even larger number of persons calling upon these offices for counseling and consultation services. With our expanded staff we will provide more services closer to where people live, and we will all benefit from the inclusion of laity in our services. Continue to pray that we as a Board of the two annual conferences will continue to be attentive to the needs of those in ministry, lay and clergy alike.

Charles E. Alexander, Executive Director
Ralph Bates, Chairperson

THE REVEREND CHARLES E. ALEXANDER**

The Reverend Charles E. Alexander will become the Administrative Director of the Birmingham Area of the Board of Pastoral Care and Counseling, with principal responsibility for the North Alabama Conference. The Birmingham office is located at Carraway Methodist Medical Center.

Charles has been with the Area Board as Executive Director since 1976.

PREACHERS AID SOCIETY

The Alabama-West Florida Conference Preachers Aid Society has, for more than a century, served as a "Helping Hand" for the brothers and sisters of the clergy. During the year 1985, we lost one of our most devoted members, Rev. Fred L. Davis. For more than thirty years, Brother Davis had served faithfully and efficiently as Treasurer of the Preachers Aid Society. We miss him! Rev. Paul Higdon, Secretary, has assumed the added duties of Treasurer for the balance of this quadrennium.

Every minister under appointment is asked to pay \$1.00 per year dues to the Preachers Aid Society. This money goes into a Loan Fund, from which a minister in good standing (dues paid up-to-date) can borrow up to \$600 at an interest rate of 6% per annum. Loans are due in full two years from the date of note, with the interest to be paid annually.

The interest from the loans is used annually to assist ministers/families who have had unusually large medical bills or other emergencies. To be eligible for a donation, a person must be recommended by his/her District Superintendent and must have his/her dues paid up-to-date.

It is very important that ministers borrowing from the Society be very punctual in paying their notes, especially the annual interest, since the interest is what can be used for donations. As can be seen in the report below, the interest from loans (Cash Donation Fund) in 1985 amounted to \$430.00, which will be given to those in need by Annual Conference.

We urge continued support of this organization by the ministers of the Conference, so that we may continue to "reach out" to our ministerial families who need help.

**ALABAMA-WEST FLORIDA
METHODIST FEDERAL CREDIT UNION**

The Alabama-West Florida Methodist Federal Credit Union is in its nineteenth year, and has enjoyed steady growth. Membership now stands at 478, and assets have reached \$652,586.65.

During 1985 we paid a total of \$40,635.27 in dividends to our shareholders. This was based on our payment of 8% interest, compounded semi-annually.

The interest we pay on deposits, and the interest we charge on loans is among the most favorable to be found in the market.

Free life insurance coverage up to \$3,000.00 is provided on deposits made up to that amount, if the deposit is made before one reaches age 55. Lesser amounts of deposit are matched with insurance, dollar for dollar. Free life insurance is also provided on loans made through the Credit Union.

Membership in the Credit Union is open to all members of the Alabama-West Florida Conference and all members of their family, employees of local churches, and employees of institutions owned by the Conference. There is a membership fee of \$1.00 for joining and a minimum deposit of \$25.00 is required for new members.

Membership cards, loan applications, or information concerning the Credit Union may be obtained from John Carmichael, Rt. 2, Box 171-B, Brantley, Ala. 36009, or Billy Joe Bass, P.O. Box 88, Georgiana, Ala. 36033.

BOARD OF EVANGELISM

The mandate of Christ clearly calls us to world evangelization. Today we stand in need of a fresh response to the evangelistic task. Your Board of Evangelism suggests that as an annual conference, *we endeavor to influence tomorrow through evangelism today.*

We as a board, have tried to catch the spirit of evangelism in a new and refreshing way, and to find methods to communicate this to the churches of our conference. There are certain key concerns which we have identified, and feel need to be communicated to the conference—

1. We are concerned about the council of Bishops plan for church growth. We affirm their plan, but feel that we must look beyond where their plan goes.
2. We are concerned about the barren churches of our denomination and those of the Alabama-West Florida Conference in particular.

By barren, we mean those churches that did not win a single person on profession of faith in Christ.

3. We are concerned about the marginal churches which need revitalization and look forward to working with the committee on new church development from the Conference Board of Missions.

4. We are concerned about the need for planning new churches, especially ethnic minority congregations.

Again, we are speaking about church growth and what these new churches will contribute to the life of this annual conference through professions of faith and new Christians.

5. We are concerned about the lack of adult conversions to the faith. We seem to be struggling with the inability to make adult converts. We United Methodists seem to have lost this ability.
6. A Lou Harris Poll tells us that there are 22,000,000 people in our nation who claim to be United Methodist. Yet, our official rolls indicate that we have only 9,200,000 members. Since the Southeastern Jurisdiction represents 30% of the church, we assume that there are 6,600,000 in the Southeastern Jurisdiction claiming to be United Methodist.

5% of these, or 330,000, who claim to be United Methodist are in the Alabama-West Florida Conference.

But we have only 130,000 on our rolls at present in the Alabama-West Florida Conference.

7. Again, our concern is for the 147,000 unchurched people in the Alabama-West Florida Conference. We have reason to evangelize!
8. We have a concern for accountability. We want to help people do their work.
9. There is also a need for membership training because many transfer into The United Methodist Church from other denominations.

These people have no background in our policy and doctrine.

10. There is also the concern for the 250,000 who move away and are lost from Meaningful membership in our churches.
11. *We are concerned because decline and failure to grow has become acceptable. We no longer agonize over our lack of winning people on profession of faith.*

The Conference Board of Evangelism recommends the adoption of "OFFER THEM CHRIST" A BLUEPRINT FOR EVANGELISM, prepared for the College of Bishops by The Southeastern Jurisdiction Association of Conference Leaders in Evangelism, John B. Carroll, President.

To introduce this program to the churches, your Board of Evangelism has asked for, and received, the support of the Bishop and Cabinet for a series of workshops to be held in September 1986. The keynote speaker at the workshops will be Bishop Knox.

The workshop will cover a two hour period.

I. The first hour will consist of a presentation by Bishop Knox dealing with what we would like to see happen through evangelism in the Alabama-West Florida Conference.

The second portion will consist of the presentation of the biblical mandate for evangelism by a lay person or a minister from the districts involved.

II. The second hour will consist of two half-hour enabling sessions led by the District Secretaries of Evangelism.

Enabling Session I will be the presentation of "Offer Them Christ: A Blueprint for Evangelism." In this session, the local church handbook on how to implement the blueprint for evangelism will be introduced.

Enabling Session II will deal with the presentation of a packet of evangelism material for the purpose of helping each local church plan and develop a ministry of evangelism.

The workshops will be held according to this schedule:

- Troy and Andalusia Districts — September 21, 1986 at 2:30 P.M.
- Dothan and Marianna Districts — September 22, 1986 at 7:00 P.M.
- Mobile and Pensacola Districts — September 23, 1986 at 7:00 P.M.
- Montgomery and Selma Districts — September 24, 1986 at 7:00 P.M.
- Demopolis District — September 25, 1986 at 7:00 P.M.

We call upon every church in the Conference to prayerfully and actively support this program of evangelism, by creating your own program of evangelism that includes: 1) being with people when they hurt, 2) getting the word out beyond the local church, 3) attracting new people, 4) influence them to Christ, 5) nurture them toward wholeness, and 6) involve them in ministry.

ETHNIC MINORITY LOCAL CHURCH COMMITTEE

The EMLC Committee has been busily at work during the conference year in an attempt to learn more about our incumbent responsibilities and effective methods of motivation and implementation. Through many hours spent in travel, study and planning by committee members, we feel that much has been gained that will impact the churches of our conference in a meaningful way.

Prominent among our activities, we realized the following—

1. Provided Ethnic Minority Local Church Missional Priority Funding in three areas—

- A. Mission Outreach:

Johnson Hill Project—\$4,000 (Contingent on Church and
Community Worker Assignment)

Mobile Inner City—\$4,000

Dumas Wesley Center, Mobile—\$4,000

- B. Capital Funds Grants—Building Projects

First UMC, Theodore, AL—\$7,500

Cedar Grove UMC, Montgomery District—\$5,000

- C. Ministerial Scholarship Funds—

Rev. Richard Carter, Mobile, AL—\$2,500

2. We had three to attend the EMLC Missional Priority Consultation in Chicago-Bismark Hotel, Chicago, Ill., September 5-8, 1985.

Rev. Richard Walker

Mrs. Vivian DeShields

Dr. Roy T. Sublette

The Consultation was designed to help our EMLC leadership to better understand the Missional Priority, know what resources are available and how they can be used, understand the process/structure for interpreting the priority, have enthusiasm and commitment for the priority so that some positive actions will occur in the annual conference, in articulating the priority with passion, in being able to network with existing churches and conference structures, and in reaching majority churches that are reachable, approachable, agreeable and likely to respond. A further purpose of the Consultation was to give assistance in designing and periodically adding to an effective and comprehensive missional priority plan.

3. On April 16, 1986, our Conference EMLC Missional Priority Committee met at Blue Lake and, under the leadership of the Reverend Yolanda Pupo-Ortiz, Associate General Secretary of the General Commission on Religion and Race, further defined and refined the above stated objectives. The Committee considered new proposals for funding new programs of EMLC Missional Priority ministry, as well as, adding to our overall comprehensive plan, which was a part of the Conference Council on Ministries' report for 1985.
4. One primary objective of our EMLC Missional Priority comprehensive plan will be achieved on June 1, 1986, when an Ethnic Minority Conference staff person — the Reverend Terrence Hayes — will assume his duties as CCOM Associate Director with primary responsibility in the area of the Ethnic Minority Local Church Missional Priority.

The Conference Missional Priority Committee is working to carry out the other priorities of the Missional Priority Comprehensive Plan as outlined on pages 40-41 of the 1985-86 Conference Program Brochure.

COMMITTEE ON EPISCOPACY

The Alabama-West Florida Conference continues to be blessed under the able and dedicated leadership of Bishop J. Lloyd Knox. There are evidences of growth, and more careful attention is being given in such problem areas as membership, the Sunday School, spiritual development and the peace initiative.

During the year, this committee met with Bishop Knox for the purpose of evaluation. Suffice it to say that he received excellent scores and most generous expressions of appreciation for his tireless and most efficient leadership. Some comments made about our bishop in the evaluation were: "Most responsive and responsible bishop we have had in a long time"; "Is a very kind, compassionate spiritual leader"; "Has given dynamic leadership to the Birmingham Area, and we are most fortunate to have him"; "Most effective in running his office"; "Well organized and works hard"; "Spiritual and administrative leadership are outstanding"; and "A strong commitment to Jesus Christ and to fairness."

In late July of 1985, Bishop Knox went to Bolivia, South America for his three-week mission trip for this quadrennium; and in December he went to Mexico as a Missions Observer. The fall months found Bishop Knox working with the Conference Board of Global Ministries and the District Superintendents in planning and staging a District Conference/Missions Rally in each district. A special offering was received from the local churches at each of these district meetings and a total of \$67,704.00 was raised; one-half of which was designated for district projects, and one-half was designated for the El Recreo de Los Chiles Church in Costa Rica.

At about the same time Bishop Knox was in Bolivia, Edith, his gracious and talented wife, went to China to observe the work and influence of missions there; and to share her own witness for Jesus Christ. We are indeed fortunate to have such a dynamic duo as our leaders; and we rejoice to see the sphere of their influence for Jesus Christ increase rapidly.

Bishop Knox's desire to see the spiritual life of both laity and clergy deepened, and the implementation of this through his Assistant for Spiritual Formation, the Reverend Claude Whitehead, is having good results. Retreats for our District Superintendents, the Conference Council Staff, the pastors of each district, and numerous opportunities for our laity on the conference and local church levels is paying handsome dividends.

Our bishop has sponsored several Peace Initiative Rallies throughout the area pointing up the need for a genuine effort to pursue peace.

Present plans call for Bishop Knox to take his study leave for this quadrennium in the fall of 1987: in September, October and November.

We continue to give thanks to almighty God for sending Lloyd and Edith Knox our way; we stand in awe that he has so much energy and can be involved, in a meaningful way, in so many areas; and we pledge our continued support and cooperation as we work together under his leadership to make the United Methodist Church in Alabama and West Florida a more dynamic force for the Cause of Righteousness.

Clifford M. Abbott, Chairperson

BISHOP'S ASSISTANT FOR SPIRITUAL FORMATION

There is a widespread interest in spiritual formation which arises out of the deep hunger for God which so many persons in all walks of life are experiencing. Spiritual Formation is not bureaucratic programs but ways of responding to the events in our lives in such a way that our minds are shaped to the mind of Christ. It is not so much things we do as ways of being open to receive and to obey God's will. The position of an Area office for Spiritual Formation came of Bishop Lloyd Knox's awareness of the pervasive readiness of persons to undertake intentional spiritual growth and out of his desire to guide and support this through someone's full time attention.

When this position was presented to the annual conferences I began to sense persons struggling with mistaken ideas about "power" and "control." Many came to the fall pastors' retreats expecting a program to be laid on them which they must implement in every church. Most relaxed to find a setting for personal reflection; a time to get in touch with the ways God has been working in one's life; opportunities to assess one's relationship in the community of the body of Christ; a call to consider ways of one's faithful, disciplined response to the relationship God is offering. Ten of these twenty-four hour retreats on the pastor's spiritual formation have been held, led by Bishop Knox and me, with over six hundred pastors participating.

After the pastors' retreats invitations came from fifteen local churches to do three-day conferences on Christian growth in the local congregation. These have been held to introduce the call to spiritual formation and to encourage the understanding and the use of the historic means of grace. The conferences have awakened the response of deep interest on the part of many participants.

For the past two years Bishop Knox has held a twenty-four hour retreat for the Area Superintendents, Staff and spouses. This past January I was responsible for design and leadership of this event. With special sharing by several members of the group, we used Rueben Job's *Journey Toward Solitude and Community*. This not only ministered to the participants but enabled each to experience how he could take this material and lead a retreat for others.

The North Alabama Cabinet initiated two twenty-four hour retreats led by Bishop and Mrs. Dale White March 20-22. Under the theme "Strengthening Marriage and Ministry" the Whites involved clergy couples in the consideration of family relationships and of spiritual growth. The event was supported by the Conference Council on Ministries, the Board of Ordained Ministry, the Board of Pastoral Care and Counseling. I served as coordinator for these events.

Invitations have come to give leadership in the Alabama-West Florida United Methodist Women's Spiritual Enrichment Conferences, the Alabama-West Florida Conference Council on Young Adult Ministries Retreat, the Emmaus Walk weekends in both conferences, the New Appointees Workshop and district training events.

Charles Alexander, Director of Pastoral Care, and I planned and resourced a twenty-four hour orientation seminar in North Alabama for students entering seminary. I am currently working with committees of the Alabama-West Florida Board of Ordained Ministry to provide orientation sessions both for those entering seminary and those beginning the Course of Study School at Emory.

Opportunities have also come to give leadership in spiritual growth events beyond the Area. Last November I served as one of the six members of the planning team for the Division

of Ordained Ministry's national Consultation on Spiritual Formation. This brought together four teams of ministers nominated by the Boards of Ordained Ministry of eleven annual conferences to consider in an experiential setting how spiritual formation can affect the ways we do our work in the annual conference. This may involve the ways we listen to one another, how we make our decisions, how we use times of silence for centering and for guidance, how we use program opportunities to motivate persons toward spiritual growth. In March I was one of fifteen persons representing leadership in the local churches, the annual conferences and the United Methodist seminaries in a three-day Consultation on Spiritual Formation in the Local Church. This was sponsored by the Upper Room and the Board of Discipleship. The goal was to identify how spiritual growth takes place in the congregation and how the general agencies can support and resource this growth. I have led two forty-eight hour retreats for Pastors in the Mississippi Conference.

A major triumph of the year was the launching of the Alabama Academy for Spiritual Formation in October of 1985. This intensive leadership training program brings together a group of forty participants and six leadership team members for a five-day session once a quarter for two years. At each session two outstanding faculty lecture on the various resources of the Christian spiritual tradition. The group lives together in a Christian community with its daily round of worship and its emphases on the holistic development of body, mind and spirit. Twenty-nine of the participants are from the two Alabama conferences; others come from across the United States. The Academy is sponsored by the Upper Room and the North Alabama Task Force on Spiritual Formation. I am the Academy Director.

A second series of spiritual formation retreats has been scheduled this September at Blue Lake for pastors. Spouses are welcome and encouraged to come and to participate fully in the event.

September 8- 9	Marianna/Panama City and Dothan Districts
September 9-10	Montgomery and Selma Districts
September 11-12	Troy, Andalusia and Demopolis Districts
September 18-19	Mobile and Pensacola Districts

This has been a very active year for me. It has called forth many resources which have heretofore been latent. It has opened relationships that are enriching. Many seeds of spiritual growth have been sown, not least of which were those in my own heart.

COMMITTEE ON COURTESIES AND INTRODUCTIONS

May 28, 1986

Bishop Knox and members of the Alabama-West Florida Conference, as we come to the close of our 158th session, we pause to express our gratitude — first to our Heavenly Father, who has brought us through another year and through these annual meetings and who sends us out to continue the work of His Church and Kingdom.

There are a number of people and organizations to whom we must express appreciation. There are so many who have helped make our stay here in Montgomery, Alabama, from May 25 through May 28 very pleasant, comfortable, and meaningful.

As usual, we are grateful to Allen Jackson and all of the Huntingdon College staff. They did their usual wonderful job of hosting our Conference and they provided for our physical needs in their efficient manner.

The Reverend Tom Sheppard, Registrar, and his staff worked many hard hours to see that the Conference meetings were carried out very smoothly. We are especially grateful to Mrs. Vera Moore and Mrs. Jackie Ryan, of Bayou La Batre, Alabama, for the beautiful work on our attractive and readable name tags. These tags helped create a friendlier and warmer attitude among the delegates.

Charles Langford and all of his assistants performed well as they recorded our journey through these past few days.

We commend the boards, agencies, committees, commissions, and the cabinet for all of the preparation that preceded our sessions here this week. All of these preparations were important to the efficient manner in which our business was transacted.

To Ed Robbins we say "thank you" for preparing the backdrop, "Catch the Spirit," providing a meaningful focus for our thoughts and hopes.

The people who led us in worship, spiritual growth, Bible study experiences did a superb job. We say a special word of gratitude to Dr. Ezra Jones, Dr. Ralph Bates, the Reverend Cheryl Pingel, Dr. Henry Roberts, and Mr. Randall Estes for their leadership through the spoken Word. There were other speakers and inspirational presentations for which we are thankful.

We want to say a special word of thanks to Dr. Harald Rohlig for his serving as our official organist. This marks the 30th year that Dr. Rohlig has been at the console for our Conference.

To all of the choirs who contributed to the worship experiences, we are indebted.

Paul Ruark and the staff with the Christian Advocate have been invaluable to our Conference. We are especially grateful for the *Advocate Addition* which was published daily and which helped to keep us up-to-date on our activities and actions.

Annually, First United Methodist Church of Montgomery, hosts the Ordination Service and the reception which follows. This year, again, they did a superb job for us. We say "thank you" to Dr. Karl Stegall and the people of that church.

To our Episcopal leader, Bishop Knox, we express our love and gratitude. We are indebted to him for his wise, energetic, and committed leadership. We commend him for his sharing the leadership of our sessions with Bishop Carl Sanders. Also, we would convey to Mrs. Edith Knox, our Bishop's wife, our appreciation for her faithful and friendly participation in all of our sessions.

Bishop Knox, we do express to you our feelings of indebtedness for the fearless, fair, and compassionate way in which you lead our Conference.

Respectfully submitted,
Ben Sawada, Chairman
for the Committee on Courtesies and Introductions

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1985 and the statement of investments at December 31, 1985. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1985 and the investments held at December 31, 1985.

ELLIS LAFAYETTE ANDREWS

1913-1985

Ellis Lafayette Andrews was born in Lownesboro, Alabama, the son of a distinguished Methodist clergyman, Henry Morton Andrews, and his wife, Rebecca Elizabeth Smith. He was educated at Dothan High School, Huntingdon College and Duke University, and decided to enter the ministry of the Church while his father was pastor of the Dauphin Way Congregation in Mobile. His memorial service was held at the same church, here he both began and completed his earthly ministry as a faithful servant of Jesus Christ.

In 1937 he married Sue Mills, also the daughter of a distinguished Methodist clergyman, the Rev. Robert Jacob Mills, who was for many years Director of the Methodist Children's Home in Selma, Alabama. The Andrews had two daughters, Alice and Virginia. Alice is married to Wilbur Clopton; they have two sons, David and Richard and live in Omaha, Nebraska. Virginia is married to Michael Clemens; they have two sons, Andrew and Joshua, and live in Indianapolis, Indiana. For almost half a century Ellis and Sue Andrews gave themselves in service to the churches of the Alabama-West Florida Conference.

Reverend Andrews served as District Superintendent of the Decopolis District; Pastor of Church Street, Selma; Capitol Heights, Montgomery; Richards Memorial, Pensacola; and for seventeen years offered a remarkable ministry at the St. Francis Street Church in Mobile. Neither is he forgotten at Newbern, Castleberry, Chisholm and Brundidge. There is no possible way to recount the committees, boards, conferences, debates and decisions in which he has influenced the Church. He represented the Conference at both the General and Jurisdictional Conferences. It would be equally difficult to number his sermons, funerals, weddings and counseling sessions in which he exercised a permanent influence for good. Even with his keen mind and remarkable memory, it was neither inappropriate nor unusual for "preacher" to offer to his church and parishioners the most practical and mundane assistance. He was indeed a rare combination of ability, integrity and compassion, marshalled for the demands of an effective ministry.

The Reverend Ellis Andrews was a talented and complex man, intellectually brilliant, and yet at home with all people. He was easily in command of an audience and fearless in support of a righteous cause. He was able to command a balance that is so difficult for a minister to maintain; keeping faith with God, keeping faith with the congregation, and keeping faith with one's own family.

The interment was in Pine Crest Cemetery in Mobile, Alabama, and a simple gravestone marks his final resting place. It reads: "The Reverend Ellis Lafayette Andrews, March 20, 1913-December 11, 1985." There is a bronze seal designating him as a United Methodist Minister and the profound inscription: "He walked with God" — and because he did so many others have found their way.

He served the following churches in the North Alabama Conference: Pettusville, Ranburne, Jefferson Street, Atlanta, Georgia, and Camp Hill. He took voluntary location from 1962-1965, and was readmitted and transferred to the Alabama-West Florida Conference where he served the following churches: Irvington-Fowl River, Whistler, Mt. THOMAS SUMMERFIELD HARRIS

1903-1986

Dr. Thomas Summerfield Harris was born April 26, 1903 and died May 9, 1986 in a Dothan hospital following a short illness.

Funeral services were held May 11, in the Holman Headland Mortuary Chapel with the Rev. Johnnie W. McCurdy, Rev. C. Jonathan Couey and the Rev. Charles McGowan officiating. Burial followed in the Memory Hill Cemetery.

Active pallbearers were Jon and Gary Spears, L.T. Wells, Pete Roland, Roy Armstrong and Milton Barnes. Honorary pallbearers were ministers of the Alabama-West Florida Conference of The United Methodist Church.

A native of Cleburne County, Alabama, Dr. Harris was a graduate of Birmingham-Southern College. He was ordained a Deacon in The United Methodist Church in 1929 and Elder in 1931 and has served in the conference since 1926. Among the churches he served were: Easonville (N. Alabama), Silas, Perote, Smiths, Atmore, Hurtsboro-Seale, Brundidge, Wetumpka, Brewton, First; Opelika, First; Troy District, Richards Memorial-Pensacola, Lafayette Street-Dothan,

Marion, Port St. Joe, Elba, Midland City, and Napier Field. At the time of his death he was serving as pastor of the Pleasant Grove United Methodist Church, north of Graceville. Dr. Harris was formerly the superintendent of the Troy District and had served as a delegate to the General Conference of The United Methodist Church.

CHARLES HENRY HILDRETH 1909-1986

Some called him "Preacher." To some he was Rev. Hildreth, Bro. "Red" or Dr. Hildreth. Others knew him as "Red" or "Big." Each name indicated a special relationship. Regardless of the appellation, it carried affection and respect.

Few persons have made such an impact on a region as Charles H. Hildreth. He influenced young people for Christian vocations like few persons in history. In the 1960's he was honored by both Asbury Seminary and Candler School of Theology, Emory University, for being father of more sons in the ministry than any person on record. More than forty (40) of them were scattered over the world in the ministry of the Word.

Most of his ministry was confined to Southeast and West Alabama and Northwest Florida as pastor and district superintendent. However, his work reached around the world through chaplains, ministers, missionaries and church members. He never wrote a book, yet his influence and encouragement produced several books.

His parents were Henry Walter Hildreth and Lillie Skipper Hildreth, prominent citizens of South Alabama who ran a country store and farmed. They named him Charles Henry Hildreth at his nativity in New Brockton, Coffee County, Alabama. He was a son of the soil. The preaching that would issue from him for more than fifty (50) years would be marked by these earthly origins.

He was admitted into the Conference November 21, 1933, received into Full Connection in 1935, and ordained as Elder on November 21, 1937. His pastorates included Bolling; Plantersville; Fort Deposit; Lafayette Street, Dothan; Gadsden Street, Pensacola; Capitol Heights, Montgomery; First Church, Fort Walton Beach. As district superintendent, he served the Demopolis District. In retirement he served Venters Memorial and in 1983 assumed responsibility for beginning a new congregation at Navarre Beach. He lived to see this congregation develop and construct a beautiful facility but died two weeks before the opening service.

In forty-three (43) years of full-time ministry and six years of part-time retired ministry he helped thousands of persons to know Christ and enter the Kingdom of God. Thousands more were enabled to grow in grace, mature in faith and know Christ more completely.

He was an astute businessman and could have amassed worldly goods had he not given himself to the ministry. But, his commitment to the ministry was total and he was never diverted from the call he had received as a boy in Coffee County. Noted for his enthusiasm and energy, he never approached any project in a half-hearted manner.

The legacy he leaves to his wife Marjorie, and his daughter Marjorie Ann, and grandson Charles and granddaughter Christina is incalculable.

Memories for those "preacher boys" and countless members are replete. "They will rise up and call him blessed" for as long as they live.

Charles Henry Hildreth was a good minister of Jesus Christ, faithful to his last hour. He invested the talents given him wisely and has heard the blessing of the Father with the invitation to that house not made with hands.

We bless God that a man named Charles H. Hildreth came our way and walked among us.

He was declared a Doctor of Divinity by Birmingham-Southern College June 6, 1949. George Kerlin served as pastor of churches in Whistler, Toulminville, Tallassee, Brewton, Dothan, Marion and Selma and as District Superintendent of the Marianna and Andalusia Districts. He served on various boards and committees of the church including: Board of Evangelism, Commission of World Service and Finance, Trustee of Huntingdon College. He was twice elected delegate to the General Conference of The United Methodist Church and three times to its Jurisdictional Conference.

For 34 years he was a member of Rotary Clubs including Marianna, Dothan, Andalusia and Selma. He is a past president of the Selma Rotary Club and a Paul Harris Fellow of Rotary International.

Rev. Kerlin is survived by his wife, the former Hilda Windham of Black, Alabama to whom he was married in 1947, a daughter, Virginia Kerlin Phillippi, his grandchildren, Mac Phillippi and Dr. Frank Phillippi, III; his great-grandchildren, Mark Phillippi, Kathryn Phillippi, and Patrick Phillippi.

He had retired from the Church Street United Methodist Church in Selma, Alabama and had continued to live in Selma until his death June 25, 1985.

It is written in the book from which he read and preached for so many years: "How beautiful upon the mountains are the feet of those who spread the gospel of peace" and in his private life and his life as a minister of the gospel he exemplified the role as a peacemaker and Christian gentleman by promoting positive values and attitudes.

HENDERSON HIRAM LEWIS

1919-1986

Henderson Hiram Lewis was born on April 13, 1919 to James N. and Annie M. Lewis at Highland Home, Alabama.

The Rev. Henderson Lewis was called into the ministry late in life but served faithfully in those appointments he served. He completed the four-year course of study at Emory and was an ordained Deacon.

He was married to the former Paula Luna in July 1960 and out of this union was born a son and a daughter.

During his years of service to the church, Henderson served the following appointments: Rocky Mount Circuit, Pleasant Ridge, and Port Oak-Ozark.

He is survived by his wife, four children, several grandchildren, one brother, and one sister.

Funeral services and interment were held in Ozark, Alabama.

JOSEPH MATTHEW McKINNEY

1891-1986

Joseph Matthew McKinney was born February 16, 1891, in Pike County, near Banks, Alabama, the son of James and Sara Cowart McKinney. He and his nine brothers and sisters were raised in a Christian home, attending the Pleasant Hill Methodist Church. He was educated in the public schools of Pike County, and years later could entertain the youth of his churches with some of the speeches he had learned for Friday elocution exercises. After completing his public school education, he attended Troy and Jacksonville State Normal Schools.

Brother McKinney early felt the call to preach, but he resisted, working among other jobs as a school teacher and a street car conductor. Finally, realizing that he could no longer "kick against the pricks," he yielded to God's call, joining the Alabama-West Florida Conference in 1919 and accepting an appointment to the Verbena Charge. During the next few years he served Pollard, Cypress-Sneads, Coffeeville, Sugsville, Newton-Pinkard, and Eufaula Circuit.

In 1922, his wife of eight years, Sadie Elizabeth Palmer, died, leaving him with three young children: John Wesley, Joseph Palmer, and Mary Elizabeth (Blanchard). In 1929, he married Pauline Palmer (no relation to Sadie). She was to be his companion and co-worker for over 56 years. That year he began a seven-year pastorate on the Stockton Charge, preaching and ministering to the congregations of seven or more churches spread over a wide area at the height of the Great Depression when salaries were often paid in produce rather than cash. In spite of hard times, however, he led the Stockton people in the construction of a new church and a parsonage, both of which are still in use today. Two sons, Paul Matthew and Fred Morton, were born during this pastorate.

There followed appointments in Graceville, Broad Street (Mobile), Luverne, Clanton, Bay Minette, and Brundidge. While at Broad Street, tragedy struck the family when Brother McKinney's second son, Joseph, was lost in the South Pacific. Despite his grief, Brother McKinney stood in his pulpit the day after receiving the message.

Brother McKinney was always active in community affairs as well as in his church. He was a strong worker in the cause of temperance, taking a firm stand for his beliefs, at times in the face of personal danger. He was also active in Conference affairs, serving several years as a statistician and as district missionary secretary.

In 1959 he was appointed Executive Secretary of Retired Ministers' Homes for the Alabama-West Florida Conference, and for the next three years, he criss-crossed the conference, promoting, preaching, and conferring about the needs of retired ministers and claimants. In 1962, at the mandatory age of 72 he retired to his home in Dothan, but he continued to serve as a retired supply at Madrid, Coffee Springs, and finally at Napier where he was honored for 50 years service as a Methodist minister.

Brother McKinney had written poetry during most of his ministry, and during the "golden years" of his retirement, his poetry became an even more important part of his life. His poems were collected and published in 1968. He was probably best known for his poem "To Autumn" which expressed his deep love of nature and his strong faith in God and the resurrection. The poem concludes:

For the golden years are the Autumn span
Of the earthly life of mortal man.
This too with beauty will surely be crowned
If love for one's God and his neighbor abound.
For He who smiles on the Autumn tree
Will surely His grace bestow on thee;
He will gird thy soul for the wintry blast
And will take thee home to Himself at last.

Brother McKinney had twenty years of the "Autumn span." Only after a series of strokes deprived him of the use of his legs and some of his power of speech did he cease to be active.

His final months were spent in the intermediate care wing of Wesley Manor. On February 13, 1986, three days before his 95th birthday, he passed on to join his Heavenly Father. His funeral service was held in the First United Methodist Church of Dothan with the Rev. Lester Spencer and the Rev. Michael McKnight officiating. Many of his fellow ministers were in attendance. Rev. Spencer concluded his beautiful eulogy by saying, "Brother McKinney, after he had served his own generation for over 50 years of ministry, by the will of God, fell asleep." As another of Brother McKinney's poems says:

The better land your coming waits
If you will faithful be:
The City of God within whose gates
The Pilgrim shall be free.

JESSE J. SNODGRASS

1916-1985

Jesse J. Snodgrass was born in Puthnam, Alabama, March 6, 1916, the son of Bettis and Josephine Morgan, and died December 30, 1985.

He attended Coffeeville High School and for several years was a minister in the Baptist Church. In 1959, he became a Methodist and was appointed to the Evergreen Circuit, completing the four year course of study at Emory University's Candler School of Theology.

In the succeeding years, Jesse served the Pleasant Grove Circuit, Bruce Circuit, Hiland Park (Panama City, FL), Black Circuit, Pine Grove-Ebenezer, Marlow, Farm Hill, Canoe, Pine Apple, Silas, St. Stephens, Galilee, Wausau, and Pleasant Grove. He retired in 1984, but continued to supply the Pleasant Grove Charge.

Anyone who knew Jesse would affirm his life. He was eulogized by his District Superintendent as "one of the most un-pretentious people he had ever known."

He is survived by his wife of 45 years, seven children, and several grandchildren.

Funeral services were held at the Pleasant Grove United Methodist Church on January 1, 1986, with the Rev. Walter Ellisor and the Rev. George Scarborough officiating.

1917-1985

James Woodrow Wilson was born on January 12, 1917 at Minter, Alabama, near Selma. He was the son of John H. and Rebecca Wilson.

He was married to Mary Ellen (Paulk) Wilson in 1935 and out of this union were born two daughters, Rebecca Frances and Mary Jeanette. Mrs. Wilson preceded "Woodrow" in death in 1975.

Woodrow graduated from Arton High School, attended Troy University, and Patrick Henry Jr. College. He completed the four year course of study from Emory in 1964. He was ordained a Deacon also in 1964 and an Elder in 1966.

The appointments he served are the following: Dozier, Bermuda, Freeport, Leroy, Millry, Alabama Avenue-Selma, West Highlands-Selma, Forest Home, and Government Street-Greenville.

He retired in 1982 but continued to serve The United Methodist Church. Except for a tragic accident that would eventually take his life, Woodrow would still be serving his Lord. May we all have the same desire and determination that he had.

He died on December 14, 1985 in the hospital at Mobile, Alabama.

HAZEL BETHEA BRANTLEY

Brantley, Sr., on August 5, 1943, in Prichard, Alabama. The wedding was performed by the Reverend Lamar Spencer. During their ministry together, Hazel was the beloved first lady of the parsonage in eight charges of the Alabama-West Florida Conference.

In retirement years, Hazel was an active member of the St. James United Methodist Church, Montgomery, and was an active member of the United Methodist Women and the Friendship Sunday School Class. She was held in high esteem by all who knew her.

Hazel B. Brantley entered into the home eternal on August 14, 1985, after a long and courageous battle with cancer. She was a wonderful lady and is missed by all who knew her.

In addition to her husband and daughter, Hazel is survived by two grandchildren, Wilson Randall Stabler and Cornelia Renee Stabler, and three sisters, Miss Mattie Bethea, Miss Mildred Bethea and Mrs. Ocie B. Ham.

MILDRED MITCHELL HASTINGS

1892-1985

On July 4, 1985, God called mama to come home, and she answered His call, quietly breathing her goodbyes to her earthly family.

"Mama" was Mildred Mitchell Hastings, wife of the late Reverend Frank Gilmer Hastings. Married March 5, 1913, together they served over forty years in the Alabama-West Florida Conference.

Mama, born September 29, 1892, in Verbena, Alabama, was the daughter of Joseph Augustus Mitchell and Nancy Elizabeth Meriwether Mitchell. She was the youngest of eight children. At 92, her life had spanned nearly a century, witnessing such miraculous and fascinating progress in our world. She had found joy in each of her years.

Like the "good woman" in Proverbs 32:28, "her children rise up and call her blessed," for indeed she was blessed and a blessing to them and to others.

To them she gave love and care, enthusiasm for and curiosity about life, and a deep, abiding faith in God, her heavenly Father.

She was, in her quiet way, a blessing and support to her husband in his ministry. Although she never assumed leadership roles, she supported his work with her presence and her prayers, and she sent him and their children out to work among the flock.

Her merry laugh, her interest in and concern for others, her generosity to those in need, her humility about her own abilities, her sincere faith that God was working for the good of all made her a joy to be around and a friend to cherish.

Mama left behind five children: the Reverend Joseph Edmund Hastings, Andalusia; Sara Read, Mrs. Claude M. Gray, Birmingham; Mildred Mitchell, Mrs. V. Sellers Ivey, Montgomery; Frances, Mrs. James M. Moore, Jr., Fayette; Anna Riley, Mrs. Richard H. Decker, Richmond, Virginia; one brother, Mr. Joseph A. Mitchell, Lowndesboro; 13 grandchildren and 14 great-grandchildren.

We mourn our personal loss in her earthly passing, but we rejoice that mama has gone home to be with her Heavenly Father in a place of peace and brightness and joy!

At the service commemorating her life in Christ, hymns of joy and affirmation, "Now Thank We All our God" and "Amazing Grace," were sung by the congregation. The Reverends Ben Sawada and Carlisle Miller conducted the service of worship. Two of her granddaughters sang a hymn she often asked to hear:

Don't you hear the bells now ringing?
 Don't you hear the angels singing?
 'Tis the glory hallelujah jubilee!
 In that far off sweet forever,
 Just beyond the shining river,
 When they ring those golden bells
 For you and me.

The rang the bells for mama. Hallelujah!

SECTION B

From the Committee on Resolutions and Petitions (not including the ones in Section VII, Reports of Boards)

Resolution No. 1

We, the members of the Warrington United Methodist Church and the Gadsden Street United Methodist Church, feel the recent decision by the United Methodist Hymnal Revision Committee to delete "Onward Christian Soldiers" and "The Battle Hymn of The

Republic" from the soon to be published revision of the United Methodist Hymnal because the words of these hymns may be considered militaristic, is a poor decision and does not reflect the feelings of most United Methodists. We also feel that the militaristic aspect of these hymns is not a destructive militarism but only a call for the followers of Jesus Christ to be diligent in spreading His Gospel to all the world.

Resolution No. 2

ALABAMA-WEST FLORIDA CONFERENCE OF THE UNITED METHODIST CHURCH RESOLUTION IN SUPPORT OF MAKING THE CHARITABLE CONTRIBUTIONS LAW PERMANENT

WHEREAS, the Charitable Contributions Law (CCL), which passed the Congress as part of the Economic Recovery Tax Act in 1981, giving nonitemizers the opportunity to deduct their contributions to charitable organizations, expires December 31, 1986;

WHEREAS, in no other country in the world is giving for public purposes so pervasive and powerful a part of national life as it is in the United States;

WHEREAS, the desire to do good and to improve our communities is the underlying motivation for giving but the tax deduction helps influence the size of charitable contributions;

WHEREAS, as its peak deduction level of 100% of all contributions in 1986, the CCL will "cost" the Treasury \$1.7 billion, less than one-fourth of 1% of the Federal budget; *compared to an increase in contributions*, by conservative estimates, of at least \$3.8 billion — and *perhaps as much as \$6.5 billion*;

WHEREAS, such increases in giving represent an expansion of the voluntary sector by 7 to 12%, a sector which has a rich and uniquely American history of broadening our vision of public policy, empowering our communities, and increasing our capacity to care;

WHEREAS, increased giving by tax payers with incomes under \$50,000 a year has been able to counter decreases in the average contributions of high income persons;

WHEREAS, 99% of all nonitemizers who took the charitable deduction in 1983 had annual incomes of less than \$50,000, and 91% had incomes under \$30,000, demonstrating that the CCL allows the deduction to America's most generous groups of tax payers;

WHEREAS, we are living in a period of Federal budget cuts, which are shifting the burden of providing many human services from government financed programs to voluntary programs;

THEREFORE, be it resolved that the Alabama-West Florida Annual Conference of The United Methodist Church meeting during its Annual Conference session adopts this resolution in support of S.361 legislation to make Charitable Contribution Law permanent, removing the provision in the present laws which causes it to expire December 31, 1986.

Approved May 27, 1986
Montgomery, Alabama

BE IT FURTHER RESOLVED that the Annual Conference instructs the Conference secretary to send copies of the above stated Resolution to our Senators from the states of Alabama and Florida as quickly as possible and that the conference delegates encourage our conference laity to contact their senators voicing their support of S.361.

Resolution No. 3

WHEREAS, our Lord Jesus Christ commanded all believers in Matthew 28:19-20 to "Go therefore into all the nations, baptizing them in the name of the Father, and of the Son and of the Holy Spirit, and teaching them to obey all that I have commanded you," and

WHEREAS, the number of United Methodist missionaries stationed overseas has decreased by approximately 900 during the last 15 years, and

WHEREAS, the General Board of Global Ministries (GBGM) has not always responded quickly and/or effectively to calls from overseas churches for the sending of new missionaries, and

WHEREAS, the GBGM needs to seriously and clearly hear and respond to the message that the new Missions Society for United Methodists is sending to The United Methodist Church regarding the placing of United Methodist missionaries overseas, and

WHEREAS, the GBGM has held costly "Consultations on the Theology of Missions" even though a General Conference Task Force has been assigned to do the same work, and

WHEREAS, the GBGM has embraced the ecumenical movement to the extent that salvation through Jesus Christ appears to be a secondary rather than the primary purpose of missions, both at home and abroad, to the extent the Scriptures require, and

WHEREAS, public statements by executives of the GBGM, including Dr. Randolph Nugent, have been stridently critical and non-supportive of policies and actions of the United States government, causing the alienation of United Methodists and accelerating the erosion of the denomination.

THEREFORE, BE IT RESOLVED by the Alabama-West Florida Annual Conference that we urge the GBGM to work to substantially increase the number of missionaries sent from the United States to other countries, including evangelists as well as those in agricultural, medical and other service fields, and to facilitate the receiving of missionaries from other nations into the United States.

BE IT FURTHER RESOLVED that the GBGM demonstrate good stewardship of God's resources by seeking ways to reduce its administrative budget, especially that portion spent for unnecessary meetings and "consultations," and to increase the expenditure for recruiting, training and sending missionaries.

BE IT FURTHER RESOLVED that we urge the GBGM and the Mission Society for United Methodists to continue with prayerful sincerity and diligence a dialogue aimed at resolving all differences and fulfilling the mandate of the General Conference and to provide meaningful written reports on no less than a semi-annual basis on the progress of such dialogue to the Missions Chairman of each Conference.

BE IT FURTHER RESOLVED that, while we respect the right of individuals to hold and express personal opinions in a public forum, officials of the GBGM, while acting in an official and/or representative capacity of the GBGM, be asked to refrain from making inflammatory and negative statements about the United States when said comments could be construed as representing the views of United Methodists and/or the GBGM.

BE IT FURTHER RESOLVED that the next General Conference, in obedience to the commands of our Lord Jesus Christ, uphold Matthew 28:19-20 — making disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, and teaching them to obey all the commandments of Jesus — as the paramount priorities of missions.

Respectfully submitted to the Alabama-West Florida Annual Conference this 15th day of May, 1986.

The Committee on Resolutions votes Concurrence.

The Conference supports the Committee, and voted that this Resolution and "Substitute Motion for Resolution #3" be forwarded to: 1.) The Council on Bishops, and 2.) The General Board of Global Ministries.

SUBSTITUTE MOTION FOR RESOLUTION #3

Whereas, it is the deep concern of all United Methodists to carry out the Great Commission of our Lord until every knee shall bow and every tongue confess Jesus Christ as Lord and Savior;

Whereas, The United Methodist Church through its General Conference has constituted a body for this specific purpose, namely the Board of Global Ministries;

Whereas, the Board of Global Ministries has representatives from our own Alabama-West Florida Conference so that in this sense it is our agency;

Whereas, the global mission of the church is "set today amid the perplexities of a changing order face to face with new tasks," so that the issues are extremely complex; often more

thorough knowledge of the facts in any given situation can change perceptions as to what Christians should do;

Whereas, we are in fact a thoroughly pluralistic church, geographically, ethnically, theologically, socially, racially, and in every way; this means that there are different perceptions of issues by those equally Christian;

Whereas, we rejoice that in the tradition of Amos, Isaiah, Jeremiah, and other prophets The United Methodist Church has been and remains at the forefront in the struggle for justice and the liberation of oppressed people; We are proud of our Board of Global Ministries and commend it for its efforts in this regard.

Whereas, we nevertheless in seeking to be true to our deep convictions that evangelism is at the heart of the Christian mission, sharply disagree with what we perceive to be the Board of Global Ministries' one-sided emphasis on contemporary liberation theology and its almost exclusive focus on social, political and economic issues to the minimization, and what at times seems to be almost exclusion, of the evangelistic task of calling persons to repentance and faith in Jesus Christ, making disciples of all nations;

Whereas, this dissatisfaction with the present emphases of the Board of Global Ministries is shared by thousands of United Methodists throughout the connection, as represented by the success of the recently formed unofficial "Mission Society for United Methodists";

Whereas, our Board of Global Ministries has been less than fully responsive to the cry of this strong grass roots movement in the church for more emphasis on evangelistic missions;

Be It Therefore Resolved:

1. That we encourage the Board of Global Ministries to reconsider its adversarial stand vis-a-vis the newly organized Mission Society for United Methodists and begin to cooperate with, rather than fighting this grass-roots movement; that it incorporate the concerns of the Mission Society for United Methodists within the total program of the Board of Global Ministries, supporting its efforts and where possible utilizing its personnel within the total scope of our world-wide mission task.

2. That the Board of Global Ministries, without in any way lessening its courageous struggle for justice and liberation, nevertheless recapture and vigorously pursue the traditional Wesleyan passion for direct evangelism and rededicate itself to the ancient task of making disciples of all nations; to this end the Board of Global Ministries find ways to deploy more evangelistic missionaries without bias as to the missionaries' theological orientation so long as it is fundamentally Wesleyan and Methodist;

3. That the staff and personnel of our Board of Global Ministries never relinquish their prophetic role as they are led by a deep commitment to the greatest prophet of all, Jesus Christ, but that they, nevertheless, take great precaution to be sure that they (1) see all sides of an issue; (2) understand the pluralism within The United Methodist Church and the divergence of opinion on many issues; (3) when they speak make sure that they speak with fairness to all the viewpoints and to all persons they represent; and (4) carefully distinguish personal Christian convictions from those expressions which either claim to or imply that they speak for people who in many cases sharply disagree with their views;

4. That the staff and directors of the Board of Global Ministries redouble their efforts to listen to, and keep in vital contact with, the grass roots of the church in all parts of the country and in all of the various theological segments of the church in order that the motto "the whole Gospel for the whole person for the whole world" be a reality.

5. That the staff and directors redouble their efforts to communicate with the grass roots of the church, making clear the Biblical and Christian foundations of their actions; that they make sure that the evangelistic thrust of Methodism is clear, vital and the controlling factor in everything that we do.

Presented by the Rev. William M. Pickard, Jr.

The Conference supports this Resolution and voted that this Resolution and The 1986 Annual Conference's Resolution No. 3 be forwarded to: 1.) The Council on Bishops, and 2.) The General Board of Global Ministries.

A PASTORAL LETTER TO ALL UNITED METHODISTS

In Defense of Creation

The Nuclear Crisis
and a Just Peace

The
United
Methodist
Council of
Bishops

From your brothers and sisters in Christ Jesus, the Council of Bishops, to all those people called United Methodist in every land: Grace to you and peace in the name of our Lord Jesus Christ.

With hearts and minds open to Christ, who is our peace;

In obedience to His call to be peacemakers;

And in response to the biblical vision of a wholistic peace, *shalom*, revealed in Scripture to be God's will and purpose for all of creation:

We, the bishops of The United Methodist Church, have been moved by the spirit of Jesus to send you a message which we have titled *In Defense of Creation: The Nuclear Crisis and a Just Peace*, a message we believe to be of utmost urgency in our time.

This message has been prepared over a span of two years during which time we have earnestly sought to hear the Word of God through the scriptures. At the same time we have prayerfully and penitently reflected on the continuing buildup of nuclear arsenals by some of the nations. We have become increasingly aware of the devastation that such weapons can inflict on planet Earth. We have watched and agonized over the increase in hostile rhetoric and hate among nations. We have seen the threat of a nuclear confrontation increasing in our world. We have been motivated by our own sense of Christian responsibility and stewardship for the world God created.

This brief pastoral letter is an introduction to a substantial Foundation Document which we have produced as the major portion of our message to the church. In our Foundation Document we have attempted to state with clarity the biblical basis for our concerns and our conclusions about the issue we are addressing. We have set forth a theology for peace with justice in our time which reflects our understanding of the mind and will of Jesus Christ. This theology for a just peace reflects also our understanding of those insights of both pacifism and just war theory which speak with relevance to the issues of the present nuclear crisis.

We write in defense of Creation. We do so because the Creation itself is under attack. Air and water, trees and fruits and flowers, birds and fish and cattle, all children and youth, women and men live under the darkening shadows of a threatening nuclear winter. We call The United Methodist Church to more faithful witness and action in the face of this worsening nuclear crisis. It is a crisis that threatens to assault not only the whole human family but planet Earth itself, even while the arms race itself cruelly destroys millions of lives in conventional wars, repressive violence, and massive poverty.

Therefore, we say a clear and unconditioned No to nuclear war and to any use of nuclear weapons. We conclude that nuclear deterrence is a position which cannot receive the church's blessing. We state our complete lack of confidence in proposed "defenses" against nuclear attack and are convinced that the enormous cost of developing such defenses is one more witness to the obvious fact that the arms race is a social justice issue, not only a war and peace issue.

Our document sets forth a number of policies for a just peace, including such disarmament proposals as a comprehensive test ban, a multilateral and mutually verifiable nuclear weapons freeze and the ultimate dismantling of all such weapons, and bans on all space weapons. However, the nuclear crisis is not primarily a matter of technology: it is a crisis of human community. We encourage independent U.S. and Soviet initiatives to foster a political climate conducive to negotiations. We urge a renewed commitment to building the institutional foundations of common security, economic justice, human rights, and environmental conservation. And we make appeal for peace research, studies, and training at all levels of education.

This message which we are sending to United Methodist people is not meant to be a consensus opinion of our church or a policy statement of our denomination on the nuclear crisis and the pursuit of peace. It is given from the bishops to the church as a pastoral and a prophetic word. It is *pastoral* in that we as bishops will seek to lead the church in study, prayer and action related to this issue and this theme, using this document as a basic resource and guide. It is *prophetic* in that this document is our response to the Word of God. It faithfully states our understanding of that Word to our world at this moment in history.

Our message is the result of many months of prayerful study, research and reflection. It is not given to the church with any feeling that it should be the final word on this issue or with the hope that it will silence all contrary opinions; but rather, we are sending this statement to the church seeking the fullest and fairest possible discussion of our understandings and convictions, together with an honest consideration of different and critical opinions.

Peacemaking is ultimately a spiritual issue. It is a sacred calling of Jesus. All dimensions of church life offer openings for peacemaking: family life, Christian education, the ministry of the laity, pastoral ministry in every respect, political witness, and the great fact of the church as a worldwide company of disciples which transcends all nations, governments, races, and ideologies.

Now, therefore, we ask you, our sisters and brothers, to join with us in a new covenant of peacemaking; to use the Bible together with our Council's Foundation Document as basic resources for earnest and steadfast study of the issues of justice and peace. We call upon each local pastor and lay leader to give leadership in a local church study of the issues surrounding the nuclear threat. We ask you all to open again your hearts, as we open our hearts, to receive God's gracious gift of peace; to become with us evangelists of *shalom*, making the ways of Jesus the model of discipleship, embracing all neighbors near and far, all friends and enemies, and becoming defenders of God's good creation; and to pray without ceasing for peace in our time.

Now we draw this pastoral letter to a close with prayers for all of you and for all the nations and peoples of the Earth.

We humbly pray that God will accept and use our lives and resources which we dedicate again to a ministry of peace.

May the love of God, the peace of Christ, and the power of the Holy Spirit be among you, everywhere and always, so that you may be a blessing to all creation and to all the children of God, making peace and remembering the poor, choosing life and coming to life eternal, in God's own good time.

Amen.
